INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM CONSOLIDATED FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF
DYNAMATIC TECHNOLOGIES LIMITED

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **Dynamatic Technologies Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), for the quarter and six months ended September 30, 2026 ("the Statement") being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India ("ICAI"). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

   Parent
   - Dynamatic Technologies Limited, India

   Wholly-owned subsidiaries / step-down subsidiaries

   - JKM Research Farm Limited, India
   - JKM Global Pte. Limited, Singapore

   - Yew Tree Investments Limited, UK
   - JKM Erla Automotive Limited, India
   - Dynamatic Manufacturing Limited, India
   - Eisenwerk Erla GmbH, Germany
   - Dynauton Limited, India

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We did not review the financial information of four subsidiaries included in the consolidated unaudited financial results, whose financial information reflect total assets of Rs. 101,859 lakhs as at September 30, 2026 and total revenues of Rs 19,964 lakhs and Rs. 41,286 lakhs for the quarter and six months ended September 30, 2026 respectively, total profit after tax of Rs. 191 lakhs and Rs. 656 lakhs for the quarter and six months ended September 30, 2026 respectively and total comprehensive income of Rs. 191 lakhs and Rs. 656 lakhs for the quarter and six months ended September 30, 2026 and net cash outflows of Rs. 1,215 lakhs for the six months ended September 30, 2026, as considered in the Statement. These financial information have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

   Our conclusion on the Statement is not modified in respect of these matters.

7. The consolidated unaudited financial results includes the financial information of two subsidiaries which have not been reviewed by their auditors, whose financial information reflect total assets of Rs. 19,388 lakhs as at September 30, 2026 and total revenue of Rs 257 lakhs and Rs 544 lakhs for the quarter and six months ended September 30, 2026 respectively, total loss after tax of Rs. 137 lakhs and Rs 197 lakhs for the quarter and six months ended September 30, 2026 respectively and total comprehensive loss of Rs 137 lakhs and Rs 197 lakhs for the quarter and six months ended September 30, 2026 respectively and net cash inflow of Rs. 4 lakhs for the six months ended September 30, 2026, as considered in the Statement. According to the information and explanations given to us by the Management, these financial results are not material to the Group.

Statement of Consolidated Unaudited Financial results for the quarter and six months ended 30 September 2026

Notes:

4 The Hydraulic Division of Dynamatic Limited, UK ("DLUK"), a wholly owned subsidiary, has faced a continued decline in European supply chain reliability over recent quarters. This has created risk to customer lines and unsustainable operations for the company with continuous disruptions and financial losses. In view of this, the Group has taken a strategic decision to transfer specific production operations from the DLUK Hydraulic division to India, while retaining select strategic product lines in the UK.

During the quarter ended 30 September 2025 & 31 March 2026, the following key actions were implemented:

a) The management announced a restructuring initiative to align operations with current market conditions and to rationalise the product range. As part of this initiative, certain positions were identified as being at potential risk of redundancy. Accordingly, a provision of GBP 0.6 Million (INR 688 Lakhs) in the quarter ended 30 September 2025 and GBP 0.5 Million (INR 642 Lakhs) in current quarter ended 31 March 2026 has been recognised under Exceptional Items towards the estimated costs associated with the planned workforce reduction.

b) DLUK Hydraulic division has transferred certain Intellectual Property (IP) rights to Dynamatic Manufacturing Limited (DML), a wholly owned subsidiary, which has been capitalised in DML. While the above transaction being intra-group is eliminated in the consolidated financial results, a non-cash tax charge was recognised in DLUK of INR 562 lakhs which has impacted the Group's effective tax rate for the period, since a corresponding deferred tax credit has not been recognised at DML in line with Ind AS 12 "Income Taxes".

5 On 21 November 2025, the Government of India formally notified the enforcement of four Labour Codes—the Code on Wages, 2019; the Industrial Relations Code, 2020; the Code on Social Security, 2020; and the Occupational Safety, Health and Working Conditions Code, 2020—thereby consolidating 29 erstwhile labour legislations into a unified framework. The Ministry of Labour & Employment, in alignment with this legal mandate, issued draft Central Rules and Frequently Asked Questions (FAQs) to facilitate the assessment of financial consequences, underscoring both statutory and regulatory guidance for compliance.

The above Labour Laws introduced a revised definition of 'wages', which impacted the computation of gratuity and compensated absences. Pursuant to the new definition of wages, an incremental one-time non-cash cost of INR 1,427 lakhs, predominantly relating to past service costs, has been debited to the Statement of Profit and Loss in order to comply with Ind AS 19 "Employee Benefits" and treated as an exceptional item in line with the accounting standards and clarifications issued by the Institute of Chartered Accountants of India (ICAI) regarding the accounting treatment for the above amendment in law during the year ended 31 March 2026.

TO THE BOARD OF DIRECTORS OF
DYNAMATIC TECHNOLOGIES LIMITED

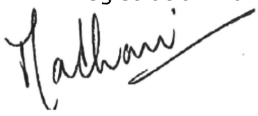

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **Dynamatic Technologies Limited** ("the Company"), for the quarter and six months ended September 30, 2026 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India ("ICAI"). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

The statutory auditors of the Company have issued an unmodified conclusion in respect of the limited review for the quarter and six months ended 30 September 2026.

2 On 21 November 2025, the Government of India formally notified the enforcement of four Labour Codes—the Code on Wages, 2019; the Industrial Relations Code, 2020; the Code on Social Security, 2020; and the Occupational Safety, Health and Working Conditions Code, 2020 - thereby consolidating 29 erstwhile labour legislations into a unified framework. The Ministry of Labour & Employment, in alignment with this legal mandate, issued draft Central Rules and Frequently Asked Questions (FAQs) to facilitate the assessment of financial consequences, underscoring both statutory and regulatory guidance for compliance.

The above Labour Laws introduced a revised definition of 'wages', which impacted the computation of gratuity and compensated absences. Pursuant to the new definition of wages, an incremental one-time non-cash cost of INR 1,095 lakhs, predominantly relating to past service costs, has been debited to the Statement of Profit and Loss in order to comply with Ind AS 19 “Employee Benefits” and treated as an exceptional item in line with the accounting standards and clarifications issued by the Institute of Chartered Accountants of India (ICAI) regarding the accounting treatment for the above amendment in law during the year ended 31 March 2026.

The aforesaid approvals by the Board of Directors and the related events occurred after the reporting date and have accordingly been considered non-adjusting events.
