Independent Auditor's Review Report on Quarterly Unaudited Financial Results of the company pursuant to Regulation 33 of the SEBI (listing Obligation and Disclosure Requirements) Regulations, 2015.

To,
The Board of Directors
Shangar Décor Limited

We have reviewed the accompanying statement of unaudited financial results of **Shangar Décor Limited** for the quarter ended 30th June, 2026 which are included in the accompanying "Statement of Unaudited Financial Result for Quarter ended June 30, 2026" together with relevant notes thereon. The statement has been prepared by company pursuant to regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

The statement is the responsibility of the company's management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Ind AS 34 "Interim Financial Reporting (Ind As 34), prescribed under section 133 of the companies act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the ICAI. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of Interim Financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an Audit. Accordingly, we do not express an Audit opinion.

Emphasis of Matter

As an integral part of our audit procedures, the presented balances for Trade Receivables, Trade Payables, and all Loans and Advances (including any deposits made or received) as of the balance sheet date are pending comprehensive verification. This verification involves two critical steps: firstly, obtaining direct confirmations from the specific external parties involved in these transactions, such as customers, vendors, and loan counterparties. Secondly, a thorough reconciliation will be performed to match these external confirmations with the company's internal ledger records, aiming to ensure the precision and validity of these reported amounts.

We would like to draw your attention that the closing stock and investments as at 30th June, 2026, we are unable to obtain sufficient and appropriate evidence to verify the correctness and existence of the closing stock as at June, 2026, as the detailed records and physical verification statements were not presented to us. Similarly, the reliable value and supporting documents relating to the investments were also not presented to us. Accordingly, we have relied upon the management's representations and the management letter in this regard. Our conclusion is not modified in respect of this matter.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind As') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
