Subject: Clarification on price movement in the Company’s shares.

Dear Sir / Madam,

This is with reference to the above-referred Email regarding the significant movement in the price of equity shares of Fermenta Biotech Limited (“**Company**”) in the recent past. In this connection, we wish to clarify the following:

- the Company has been timely disclosing all information, events and developments that are required to be disclosed under Regulation 30 and other applicable provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“**Listing Regulations**”).
- At present, and to the best of our knowledge, there is no event, information or announcement, including any impending announcement, which requires disclosure under Regulation 30 of Listing Regulations, that has not already been disclosed by the Company and which, in our opinion, may have a bearing on the price or volume behaviour in the shares of the Company. The movement in the share price appears to be market driven, and the management of the Company has no control over such movement.
- The Company will continue to make appropriate disclosures, as and when any event or information requiring disclosure under Listing Regulations arises.

We request you to kindly take the above on record.

Thanking you,

Yours faithfully,

For **Fermenta Biotech Limited**
