2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and pursuant to the MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorised e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as e-voting during the AGM will be provided by CDSL.
3. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e., **Wednesday, September 23, 2026**, shall be entitled to avail the facility of remote e-voting as well e-voting during the AGM. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.
4. A person who has acquired the shares and has become a member of the Company after the despatch of the Notice of the AGM and prior to the Cut-off date i.e., **Wednesday, September 23, 2026**, shall be entitled to exercise his / her vote either electronically i.e., Remote e-voting or e-voting during the AGM by following the procedure mentioned in this part.
5. The Remote E-voting will commence on at **9.00 a.m.** on **Sunday, September 27, 2026** and ends at **5.00 p.m.** on **Tuesday, September 29, 2026**. During this period shareholders of the Company, holding shares either in physical form or in Dematerialized form, as on the cut-off date, **Wednesday, September 23, 2026** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
6. Once the vote on a resolution is cast by the member, he/she shall not be allowed to change it subsequently or cast the vote again.
7. The voting rights of the members shall be in proportion to their share in the paid-up equity Share capital of the Company as on the Cut-off date i.e., **Wednesday, September 23, 2026**.
8. The Company has appointed Company Secretary Mr. Bipin Makwana, Practicing Company Secretary Membership No. ACS: 15650; CP No: 5265), to act as the Scrutinizer for conducting the remote e-voting process as well as the e-voting during the AGM, in a fair and transparent manner.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in Demat mode.
- Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non- individual shareholders in Demat mode.
1. The voting period begins at **9.00 a.m.** on **Sunday, September 27, 2026** and ends at **5.00 p.m.** on **Tuesday, September 29, 2026**. During this period shareholders of the Company, holding shares either in physical form or in Dematerialized form, as on the cut-off date **Wednesday, September 23, 2026** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

2. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
3. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** Dated **December 9, 2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholder's/retail shareholders is at a negligible level.
4. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
5. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the Demat account holders, by way of a single login credential, through their Demat accounts/ websites of Depositories / Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in Demat mode.

6. In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242** Dated **December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their Demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

Type of Shareholders	Login Method

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in Demat mode.

1. Login method for e-Voting and joining virtual meeting for **shareholders other than individual shareholders & physical shareholders.**

- The shareholders should log on to the e-voting website www.evotingindia.com.
- Click on "Shareholders" module.
- Now enter your User ID
 - For CDSL: 16 digits beneficiary ID,
 - For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - Members holding share in Physical Form should enter Folio Number registered with the Company.
 - Now enter your User ID
- Next enter the Image Verification as displayed and Click on Login.
- If you are holding shares in Demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- If you are a first-time user follow the steps given below:

For Shareholders holding shares in Demat Form other than individual and Physical Form	
PAN	Enter your 10 Digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both Demat shareholders as well as physical shareholders). Shareholders who have not updated their PAN with the Company/ Depository Participant are requested to use the sequence number indicated in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your Demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

2. After entering these details appropriately, click on “SUBMIT” tab.
3. Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in Demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the Demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
4. For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
5. Click on the EVSN for the relevant **KRISHNA CAPITAL & SECURITIES LIMITED** on which you choose to vote.
6. On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
7. Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
8. After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
9. Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
10. You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
11. If a Demat account holder has forgotten the login password, then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
12. Shareholders can also cast their vote using CDSL’s mobile app m-Voting. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.
13. There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Overall Economic and Business Review:

The financial year 2025-2026 witnessed a changing global economic landscape, marked by geopolitical developments, shifts in international trade policies, varying inflation trends and adjustments in monetary policies across key economies. Despite these challenges, global economic activity remained relatively stable, supported by gradual improvement in inflationary conditions, better supply chain efficiency and a measured approach towards monetary policy across several major markets. India continued to maintain its position among the leading high-growth economies, underpinned by strong domestic consumption, increased infrastructure and public investment, improving financial sector fundamentals and continued structural and policy reforms. The stability of key macroeconomic indicators, moderation in inflationary pressures and sustained activity in the capital markets provided a supportive environment for businesses and investors during the year. The financial services industry, including the Non-Banking Financial Company (NBFC) sector, continued to experience evolving market conditions and an increasingly robust regulatory framework. The Reserve Bank of India continued to emphasise financial stability, sound governance, effective risk management and prudent financial practices, with the Scale Based Regulation (SBR) framework playing an important role in strengthening the regulatory architecture applicable to NBFCs.

As an RBI-registered NBFC-NON-SI-ICC (not accepting public deposits) falling under the Base Layer, the Company continued to pursue a cautious and well-balanced investment strategy during the year. The Company remained committed to effective deployment of its resources, preservation of capital, maintenance of sufficient liquidity and adherence to applicable regulatory requirements. Investment decisions were undertaken after careful evaluation of associated risks and potential returns, with the objective of maintaining a balanced portfolio and generating sustainable long-term value for the stakeholders.

2. Financial Review:

During the Financial Year 2025-2026 the Company has earned profit of Rs. 0.78 Lakhs.

3. Risk & Concern:

Any change in the interest rate in the market will have impact on the profit of the company. Trend in Equity & Commodities Markets will also affect the profitability. As an RBI-registered Non-Banking Financial Company classified as an Investment Company (NBFC-NON-SI-ICC), the Company's business and financial performance are influenced by various external factors, including capital market trends, prevailing macroeconomic conditions, interest rate movements, changes in the regulatory framework and prevailing investor sentiment. The management has reviewed the Business from time to time.

4. Internal control systems and their adequacy:

The internal control system is looked after by Directors themselves. The Directors also looked after the day-to-day Business activities and other affairs related to the business. The Directors ensure to comply with the guidelines, and policies. The Management has regularly reviewed the Internal Audit Reports and takes follow up action thereon. The Company has adequate internal control system in operation commensurate with the size and nature of its business for enduring efficiency of operation and protection of Company's assets. The Audit Committee formed by the company reviews on periodical basis the compliance with the company's policies, procedures and prevailing laws. Audit findings are closely reviewed by audit committee along with management response. The committee also reviews the effectiveness of company's internal control and their effectiveness on actual operation and regularly monitors implementation of audit recommendation. The system ensures effective utilization of company resource and protection of assets from loss, theft, misappropriation and relevant risks.

5. Conservation of Energy and Environmental Responsibility

The Company is principally engaged in investment and financial activities and does not undertake any manufacturing, processing or production activities. The nature of its operations is therefore substantially different from that of industrial or manufacturing entities and does not involve processes that ordinarily result in significant industrial emissions, discharge of pollutants, generation of hazardous waste or other forms of environmental pollution. Accordingly, matters relating to industrial emissions, hazardous waste management, effluent treatment and environmental pollution are not directly applicable to the Company's existing operations. The Company continues to remain committed to responsible and sustainable business practices and endeavour to minimize any environmental impact arising from its routine operations. While no major environmental conservation measures are specifically required considering the nature and scale of the Company's activities, the Company remains mindful of the importance of conserving resources and promoting environmentally responsible practices as part of its overall approach to responsible corporate functioning.

6. Segment-wise or product-wise performance:

At present the Company is carrying on only one segment of financing business.

7. Human Resources:

The Company's philosophy is to provide to its employees friendly working environment and a performance-oriented work culture. The company believes that human resources are important asset for giving Company a competitive edge in a competitive environment

8. Discussion on Financial Performance with respect to Operational Performances.

The Company has reported the profit after met with its salary and other administrative expenses. The company has plans for the right and effective budget and control. The Company has also not reported any borrowings. The company has plans to generate more revenue.

9. Cautionary statement

Estimates and expectations stated in this Management Discussion and Analysis may be “forward-looking statements” within the meaning of the applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to your Company’s operation include economic conditions affecting the interest rate, inflation, changes in the interest rate, changes in the Government regulations, tax laws, other statutes and incidental factors. The Company undertakes no responsibility to update or revise any forward-looking statement.

SECRETARIAL AUDIT REPORT

For the financial year ended March 31, 2026

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Krishna Capital and Securities Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to corporate practices by **KRISHNA CAPITAL AND SECURITIES LIMITED** (hereinafter called 'the Company') for the audit period covering the financial year ended on **March 31, 2026**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, the explanation and clarification given to me and the representation made by the management, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2026, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records made available to me and maintained by the Company for the financial year ended on March 31, 2026 according to the provisions of:

- The Companies Act, 2013 ('the Act') and the rules made thereunder;
- The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made thereunder;
- The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
- Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and External Commercial Borrowings;
- The following regulations and guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not applicable during audit period);
 - The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not applicable during audit period);
 - The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; (Not applicable during audit period);
 - The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (Not applicable during audit period);
 - The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018 (Not applicable during audit period);
 - The Securities and Exchange Board of India (Depositories and Participants), Regulations, 2018

- Other Laws applicable specifically to the Company namely

- Reserve Bank of India Act, 1934.

I have also examined compliance with the applicable clauses of the following;

- Secretarial Standards issued by The Institute of Company Secretaries of India and notified by the Ministry of Corporate Affairs;
- The Listing Agreement entered into by the Company with BSE Limited read with Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

During the year under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

I further report that based on the information provided by the Company, its officers there exist adequate systems, process and control commensurate with the size and operation of the Company to monitor and ensure compliance of other laws. I have not reviewed the compliance by the company of applicable financial laws like direct and indirect tax laws as the same has been reviewed and compliance thereof reported by the other designated professionals.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non- Executive Directors and Independent Directors. During the year under review, changes in composition of board of directors have taken place in accordance with the provisions of the Act.

Adequate notice was given to all Directors to schedule the Board meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board meetings were taken unanimously.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines referred to above.

I further report that during the audit period there were no other specific event/action in pursuance to the above referred laws, rules, regulations, guidelines, etc. having a major bearing on the Company's affairs. But after the close of the financial year the company, in extra ordinary general meeting held on 25.04.2026, has sought the approval of members in respect of the following.

1. Borrowing of funds not exceeding Rs.500 Crores pursuant to Section 180 (1) (C) of the Companies Act, 2013.
2. Issue of 3,00,00,000 equity shares of the Company on preferential basis pursuant to Section 42 read with Section 62 (1)(C) of the Companies Act, 2013.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have nothing to report in this regard.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the standalone financial statements and our Auditor's Report thereon. The Annual Report is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of Management and those charged with governance for the standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the standalone financial position, standalone financial performance, changes in equity and standalone cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matter

The standalone financial statements of the Company for the year ended 31 March 2025, were audited by previous auditors under the Act who, vide their audit report dated 23 May 2025, expressed an unmodified opinion on those standalone financial statements.

Our opinion on the standalone financial statement is not modified in respect of above matter.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2020 (the 'Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'B' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the accompanying standalone financial statement.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid standalone financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this report are in agreement with the books of account and records maintained for the purpose of preparation of the standalone financial statements.
- d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31 March 2026, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026, from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.
- g) In our opinion and to the best of our information and according to the explanation given to us, the managerial remuneration for the year ended March 31, 2026 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 of the Act;
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company does not have any pending litigations that impact on its financial position in its Financial Statements.
 - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - III. The Company is not liable to transfer any amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
 - IV.
 - i. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - ii. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - iii. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - V. The Company has not declared or paid any dividend in the year and hence reporting requirement for compliance with section 123 of the Act is not applicable.

VI. Reporting on Audit Trail:

Based on our examination which included test checks, the company uses an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software, except that audit trail feature is not enabled for certain direct changes to the data for users with the certain privileged access right to the ERP application. Further, no instance of audit trail feature being tempered with was noted in respect of the accounting software. Presently, the log has been activated at the application and the privileged access to ERP continues to be restricted to limited set of users who necessarily require this access for maintenance and administration of the database. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the previous year.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

Report on the internal financial controls with reference to standalone financial statements under clause (i) of sub-section 3 of section 143 of the Act

We have audited the internal financial controls with reference to standalone financial statements of Krishna Capital and Securities Limited (the 'Company') as of 31 March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of internal financial controls with reference to standalone financial statements

A Company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial controls with reference to standalone financial statements includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and directors of the Company; and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent limitations of internal financial controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may

occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

- I. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - b) The property, plant and equipment were physically verified during the year by the Management in accordance with a regular program of verification which, in our opinion, provides for physical verification of all the property, plant and equipment at reasonable intervals. No material discrepancies were noticed on such verification.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties disclosed in the standalone financial statements are held in the name of the Company.
 - d) The Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.
 - e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formally the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.
- II.
 - a) The Company's business does not require maintenance of inventory in physical form, and the securities held by the Company as stock-in-trade are in dematerialized form. Accordingly, the requirement to report on physical verification of inventory under clause 3(ii)(a) of the Order is not applicable to the Company.
 - b) The Company has not sanctioned any working capital limits in excess of ₹ 5 crores, in aggregate, during the year, from banks or financial institutions, and hence the question of filing quarterly statements by the Company with such banks or financial institutions is not applicable.
- III. In our opinion and according to the information and explanations given to us and based on records examined by us, during the year the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties and accordingly reporting under paragraph 3(iii) of the Order is not applicable to the Company;
 - a) The Company has not provided loans or advances in the nature of loans to other entities during the year, exceeding the limits as prescribed under Section 186 of Companies Act 2013.
 - b) In our opinion, there are no investments made and the terms and conditions of the grant of loans, during the year are prima facie, not prejudicial to the Company's interest.
 - c) The company has not granted any loans during the year.
 - d) The company has not granted loans which has fallen due during the year, has been renewed or extended however no fresh loans have been granted to settle the overdues of existing loans given to the same parties.
 - e) The Company has not granted loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. The Company has not provided any guarantee or security.
- IV. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted.
- V. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under the provisions of 73 to 76 or any other relevant provisions of the Companies Act, 2013 & rules made thereunder are not applicable.
- VI. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- VII. The Company has not obtained registration under the Employee's State Insurance and Provident Fund Act, 1951. Consequently, no payments have been made to the regulatory authorities as mandated by these regulations

In respect of statutory dues:

- (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material Statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and the records of the company examined by us, there are no dues of income-tax, sales- tax, service tax, goods and service tax, duty of customs, duty of excise and value added tax.

According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

IX.

- a) The Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender.
- b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c) The Company has not taken any term loan during the year and there are no unutilized term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable to the Company.
- d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- f) The Company has not raised loans during the year and hence reporting of default in repayment of loans under clause 3(ix)(f) of the Order is not applicable.

X.

- a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

XI.

- a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Hence, reporting under clause 3(xi) of the Order is not applicable to the Company.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of the report.
- c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Hence, the reporting under clause 3(xi)(c) of the CARO 2020 is not applicable to the Company.

XII. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

XIII. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

XIV.

- a) In our opinion the Company has an internal audit system commensurate with the size and the nature of its business.
- b) The reports of the Internal Auditor for the period under audit have been considered by us.

- XV. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 is not applicable to the Company.
- XVI.
- a) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and it has obtained the registration.
 - b) The Company has not conducted any non-banking financial or housing finance activities without obtaining a valid Certificate of Registration (COR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
 - c) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- XVII. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- XVIII. There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable/paragraph 3(xviii) of the Order is not applicable.
- XIX. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- XX. The Company is not statutorily required to spend amounts towards Corporate Social Responsibility (CSR) in pursuance of Section 135. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable.
- XXI. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report apart from the one that is mentioned in the previous clauses.

SCHEDULES ANNEXED TO AND FORMING PART OF ACCOUNTS

SCHEDULE 22: NOTED TO ACCOUNTS

1. Corporate information

Krishna Capital and Securities Limited ("the Company") is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange (BSE). The registered office of the company is located at Satellite, Ahmedabad. The Company is engaged in the business of lending of capital and trading of securities. The Company Non - Banking Finance Company (NBFC Non-Systemically Important-Non-Deposit Taking Company) registered with the Reserve Bank of India and Ministry of Corporate Affairs. The registration details are as follows: RBI 01.00176 Corporate Identity Number (CIN) L67120GJ1994PLC023803.

The standalone financial statements were authorised for issue in accordance with a resolution of the Board of Directors at its meeting held on May 29, 2026.

2. Basis of preparation

2.1 Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed in the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act, the updated Master Direction Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 as amended from time to time and other applicable RBI circulars/notifications. The Company uses accrual basis of accounting in preparation of financial statements (other than Statement of Cash Flows).

The financial statements have been prepared on a historical cost basis, except for certain financial instruments, share based payments and employee benefits plan that are measured at fair value as required or allowed by relevant accounting standard.

The financial statements are prepared on a going concern basis as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

Financial statements were subject to review and recommendation of the Audit Committee and approval of the Board of Directors. On 29 May 2026, the Board of Directors of the Company approved and recommended the financial statements for consideration and adoption by the shareholders in its Annual General Meeting.

2.2 Presentation of financial statements

The Company presents its Balance Sheet in the order of liquidity.

The Company prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act.

The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only where it has legally enforceable right to offset the recognized amounts and the Company intends to either settle on a net basis or to realise the asset and settle the liability simultaneously as permitted by Ind AS. Similarly, the Company offsets incomes and expenses and reports the same on a net basis where the netting off reflects the substance of the transaction or other events as permitted by Ind AS.

2.3 Material accounting estimates, judgements and assumptions

The preparation of the Company's financial statements requires Management to make use of estimates, judgements and assumptions. These estimates, judgments and assumptions affect the application of accounting policies, the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as at the reporting date and the reported amount of revenues and expenses during the year. Accounting estimates could change from period to period. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from the Management's estimates and judgements. Revision to accounting estimates if any are recognized prospectively.

3. Summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

3.1 Financial Instruments

I. Classification of Financial Instruments

The Company classifies its financial assets into the following measurement categories:

- Financial assets to be measured at amortized cost.
- Financial assets to be measured at fair value through other comprehensive income.
- Financial assets to be measured at fair value through profit or loss account.

The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets which are explained below:

Business Model Assessment

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel.
- The risks that affect the performance of the business model (and the financial assets held within that business model) and the way those risks are managed.
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).
- The expected frequency, value and timing of sales are also important aspects of the Company's assessment. The business model assessment is based on reasonably expected scenarios without taking worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realized in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

The Solely Payments of Principal and Interest (SPPI) Test

As a second step of its classification process the Company assesses the contractual terms of financial assets to identify whether they meet the SPPI test. 'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or Amortization of the premium/discount). In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at fair value through profit or loss. The Company classifies its financial liabilities at Amortized costs unless it has designated liabilities at fair value through the profit and loss account or is required to measure liabilities at fair value through profit or loss such as derivative liabilities.

II. Financial Assets Measured at Amortized Cost

Debt instruments- These financial assets comprise bank balances, Loans, investments and other financial assets. Debt instruments are measured at Amortized cost where they have:

- (a) Contractual terms that give rise to cash flows on specified dates, that represent solely payments of principal and interest on the principal amount outstanding and
- (b) Are held within a business model where objective is achieved by holding to collect contractual cash flows.

These debt instruments are initially recognized at fair value plus directly attributable transaction costs and subsequently measured at amortized cost.

The company has not granted any loans or advances during the year to promoters, directors, KMPs and the related parties either severally or jointly with any other person during the year.

III. Financial Assets Measured at fair value through other Comprehensive Income

Equity Instruments

Investment in equity instruments that are neither held for trading nor contingent consideration recognised by the Company in a business combination to which Ind AS 103 "Business Combination applies, are measured at fair value through other comprehensive income, where an irrevocable election has been made by management and when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments: Presentation. Such classification is determined on an instrument-by-instrument basis.

As at reporting date, there are no equity instruments measured at FVOCI.

Debt Instruments

Investments in debt instruments are measured at fair value through other comprehensive income where they have:

- (a) Contractual terms that give rise to cash flows on specified dates, that represent solely payments of principal and interest on the principal amount outstanding; and
- (b) Are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

As at reporting date, there are no debt instruments measured at FVOCI.

IV. Items at fair value through Profit or Loss

Items at fair value through profit or loss comprise:

- Investments (including equity shares) held for trading;
- Items specifically designated as fair value through profit or loss on initial recognition; and
- Debt instruments with contractual terms that do not represent solely payments of principal and interest.

Financial instruments held at fair value through profit or loss are initially recognised at fair value, with transaction costs recognised in the statement of profit and loss as incurred. Subsequently, they are measured at fair value and any gains or losses are recognised in the statement of profit and loss as they arise.

Financial instruments held for Trading

A financial instrument is classified as held for trading if it is acquired or incurred principally for selling or repurchasing in the near term, or forms part of a portfolio of financial instruments that are managed together and for which there is evidence of short-term profit taking, or it is a derivative not in a qualifying hedge relationship.

Trading derivatives and trading securities are classified as held for trading and recognised at fair value. Financial instruments designated as measured at fair value through profit or loss. Upon initial recognition, financial instruments may be designated as measured at fair value through profit or loss. A financial asset may only be designated at fair value through profit or loss if doing so eliminates or significantly reduces measurement or recognition inconsistencies (i.e. eliminates an accounting mismatch) that would otherwise arise from measuring financial assets or liabilities on a different basis.

A financial liability may be designated at fair value through profit or loss if it eliminates or significantly reduces an accounting mismatch or:

- If a host contract contains one or more embedded derivatives; or
- If financial assets and liabilities are both managed and their performance evaluated on a fair value basis in accordance with a documented risk management or investment strategy.

Where a financial liability is designated at fair value through profit or loss, the movement in fair value attributable to changes in the Company's own credit quality is calculated by determining the changes in credit spreads above observable market interest rates and is presented separately in other comprehensive income. As at the reporting date, the Company has not designated any financial instruments as measured at fair value through profit or loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when the rights to receive cash flows from the asset have expired.

V. Derivatives

A derivative is a financial instrument or other contract with all three of the following characteristics:

- Its value changes in response to the change in a specified interest rate, financial instrument price, commodity price, foreign exchange rate, index of prices or rates, credit rating or credit index, or other variable, provided that, in the case of a non-financial variable, it is not specific to a party to the contract (i.e., the 'underlying').
- It requires no initial net investment or an initial net investment that is smaller than would be required for other types of contracts expected to have a similar response to changes in market factors.
- It is settled at a future date.

Changes in the fair value of derivatives are included in net gain on fair value changes.

VI. Debt Securities and Other Borrowed Funds

After initial measurement, debt issued and other borrowed funds are subsequently measured at Amortised cost. Amortised cost is calculated by taking into account any discount or premium on issue funds, and transaction costs that are an integral part of the Effective Interest Rate (EIR).

There are no Debt securities and borrowed funds in the company at the reporting date.

VII. Financial Guarantees

Financial guarantees are initially recognised in the financial statements (within Provisions) at fair value, being the premium received. Subsequent to initial recognition, the company's liability under each guarantee is measured at the higher of the amount initially recognised less cumulative Amortisation recognised in the statement of profit and loss.

- The premium is recognised in the statement of profit and loss on a straight-line basis over the life of the guarantee.

Reclassification of Financial Assets and Liabilities

The Company does not reclassify its financial assets subsequent to their initial recognition. Financial liabilities are never reclassified. The Company did not reclassify any of its financial assets or liabilities subsequent to preceding year until the year ended March 31, 2026.

VIII. Recognition and Derecognition of Financial Assets and Liabilities

Recognition:

- (a) Loans and Advances are initially recognized when the funds are transferred to the customers' account or delivery of assets by the dealer, whichever is earlier.
- (b) Investments are initially recognised on settlement date.
- (c) Debt securities, deposits and borrowings initially recognised when funds reach Company.
- (d) Other Financial assets and liabilities initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place.

Derecognition of Financial Assets other than due to Substantial Modification

- (a) Financial Assets:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when the rights to receive cash flows from the financial asset have expired. The Company also derecognised the financial asset if it has both transferred the financial asset and the transfer qualifies for Derecognition.

The Company has transferred the financial asset if, and only if, either:

- The Company has transferred its contractual rights to receive cash flows from the financial asset, or
- It retains the rights to the cash flows, but has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass through' arrangement.

Pass-through arrangements are transactions whereby the Company retains the contractual rights to receive the cash flows of a financial asset (the 'original asset'), but assumes a contractual obligation to pay those cash flows to one or more entities (the 'eventual recipients'), when all of the following three conditions are met:

The Company has no obligation to pay amounts to the eventual recipients unless it has collected equivalent amounts from the original asset, excluding short-term advances with the right to full recovery of the amount lent plus accrued interest at market rates.

The Company cannot sell or pledge the original asset other than as security to the eventual recipients.

The Company has to remit any cash flows it collects on behalf of the eventual recipients without material delay. In addition, the Company is not entitled to reinvest such cash flows, except for investments in cash or cash equivalents including interest earned, during the period between the collection date and the date of required remittance to the eventual recipients.

A transfer only qualifies for Derecognition if either:

- The Company has transferred substantially all the risks and rewards of the asset, or
- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The Company considers control to be transferred if and only if, the transferee has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise that ability unilaterally and without imposing additional restrictions on the transfer.

When the Company has neither transferred nor retained substantially all the risks and rewards and has retained control of the asset, the asset continues to be recognised only to the extent of the Company's continuing involvement, in which case, the Company also recognised an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

(b) Financial Liabilities:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the Derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of Profit and loss. As at the reporting date the company does not have any financial liabilities which have been derecognised.

IX. Impairment of Financial Assets

Overview of the ECL principles

Expected credit losses ('ECL') are recognised for all financial assets except those classified as FVTPL and equity instruments as per the Board approved policy.

The Company follows a staging methodology for ECL computation. Financial assets where no significant increase in credit risk has been observed since inception are classified in 'stage 1' for which a 12 months ECL is recognised. Financial assets which have significant increase in credit risk since inception are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Life time ECL is recognised for stage 2 and stage 3 financial assets.

Based on the above, the Company categories its loans into Stage 1, Stage 2 and Stage 3 as described below:

Stage: 1

All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. The company classifies all standard advances and advances Upto 30 days' default under this category. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.

Stage: 2

All exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk.

Stage: 3

All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the Amortised cost (net of provision) rather than the gross carrying amount. 90 Days Past Due is considered as default for classifying a financial instrument as credit impaired. If an event (for e.g., any natural calamity) warrants a provision higher than as mandated under ECL methodology, the Company may classify the financial asset in Stage 3 accordingly.

Financial Guarantee Contracts

The Company's liability under financial guarantee is measured at the higher of the amount initially recognised less cumulative Amortisation recognized in the statement of profit and loss, and the ECL provision.

For this purpose, the Company estimates ECLs by applying a credit conversion factor. The ECLs related to financial guarantee contracts are recognised within Provisions.

During the year, the Company has recognised an Expected Credit Loss (ECL) allowance on trade receivables based on the assessment of expected credit losses in accordance with the applicable accounting policy.

X. Write-offs

The Company reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subjected to write-offs. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

XI. Fair Value Measurement:

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level: 1

Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level: 2

Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level: 3

Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the standalone financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. For a detailed information on the fair value hierarchy, refer note no. 15.

3.2 Revenue from operations

(i) Interest Income

Interest income is recognised by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial assets other than credit-impaired assets and financial assets classified as measured at FVTPL.

The EIR in case of a financial asset is computed.

- (a) As the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.
- (b) By considering all the contractual terms of the financial instrument in estimating the cash flows.
- (c) Including all fees received between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

Any subsequent changes in the estimation of the future cash flows is recognised in interest income with the corresponding adjustment to the carrying amount of the assets.

Interest income on credit impaired assets is recognised by applying the effective interest rate to the net Amortised cost (net of provision) of the financial asset.

(ii) Dividend Income

Dividend income is recognised,

- (a) When the right to receive the payment is established,
- (b) It is probable that the economic benefits associated with the dividend will flow to the entity and.
- (c) The amount of the dividend can be measured reliably.

(iii) Net gain on Fair value changes

Any differences between the fair values of financial assets classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealized gain / loss. In cases there is a net gain in the aggregate, the same is recognised in "Net gains on fair value changes" under Revenue from operations and if there is a net loss the same is disclosed under "Expenses" in the statement of Profit and Loss.

Similarly, any realised gain or loss on sale of financial instruments measured at FVTPL and debt instruments measured at FVOCI is recognized in net gain / loss on fair value changes. As at the reporting date the Company does not have any financial instruments measured and debt instruments measured at FVOCI.

3.3 Expenses

(i). Finance Costs

Finance costs represent Interest expense recognize by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial liabilities other than financial liabilities classified as FVTPL.

The EIR in case of a financial liability is computed.

- (a) As the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the gross carrying amount of the Amortised cost of a financial liability
- (b) By considering all the contractual terms of the financial instrument in estimating the cash flows.
- (c) Including all fees paid between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

Any subsequent changes in the estimation of the future cash flows are recognised in interest income with the corresponding adjustment to the carrying amount of the assets.

Interest expense includes issue costs that are initially recognized as part of the carrying value of the financial liability and amortized over the expected life using the effective interest method. These include fees and commissions payable to advisers and other expenses such as external legal costs, rating fee etc., provided these are incremental costs that are directly related to the issue of a financial liability.

(ii). Other Income & Expenses

All Other income and expense are recognized in the period they occur.

(iii). Impairment of non-financial assets

The carrying amount of assets is reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

(iv). Taxes

Tax expense comprises of current income tax and deferred tax.

Current income tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside the statement of Profit and Loss (either in other comprehensive income or in equity). Deferred Tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provision where appropriate.

Recognition of Deferred tax assets and liabilities:

Deferred tax is provided using the balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority

3.4 Cash and Cash Equivalent

Cash and cash equivalent in the Balance Sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of charges in value.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

3.5 Property, plant and equipment:

Property, plant and equipment are stated at cost, net of recoverable taxes less accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price and borrowing costs if capitalization criteria are met, the cost of replacing part of the fixed assets and directly attributable cost of bringing the asset to its working condition for the intended use. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significantly parts of fixed assets are required to be replaced at intervals, the company recognised such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major overhauling is performed, its cost is recognised in the carrying amount of the Property, plant and equipment as a replacement if the recognition criteria are satisfied. Any trade discounts and rebates are deducted in arriving at the purchase price.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if applicable. Company has only one fixed asset which is office building having useful life of 60 years. The Company calculates depreciation on items of property, plant and equipment on a Written down Value using the rates defined under Schedule II of the Companies Act 2013.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on Derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

There has been no Revaluation during the financial year in any class of assets of the company, hence separate disclosure is not required.

Company does not hold any immovable property not in the name of the company hence separate disclosure for the same is not required.

There has been no Capital Work in Progress as on balance sheet date for the financial year and company does not hold any Benami property during the year.

3.6 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation and a reliable Estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain, the expense relating to a provision is presented in the standalone statement of Profit and loss net of any reimbursement.

3.7 Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized

because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence if any in the financial statements.

3.8 Earnings per share:

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing dilutive earnings per share, only potential equity shares that are dilutive and that would, if issued, either reduce future earnings per share or increase loss per share, are included.

judgements. Revision to accounting estimates if any are recognized prospectively.

4. Recent accounting pronouncements

Ministry of Corporate Affairs ('MCA') notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31 March 2026, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

5. Employee benefits

In the opinion of the management the provision for retirement benefits and gratuity are applicable at present however no provisions were made in the accounts of the company.

Short-term employee benefits are recognized as an expense at the undiscounted amount in the profit & loss account of the year in which the related service is rendered.

Post-employment and other long-term employee benefits are recognized as an expense in the profit & loss account for the year in which the liabilities are crystallized.

6. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee, the Company recognises a right-of-use asset and a corresponding lease liability at the commencement date of the lease, except for short-term leases and leases of low-value assets, which are recognised as an expense in the Statement of Profit and Loss on an effective rate basis over the lease term.

As a lessor, leases are classified as either finance leases or operating leases. Rental income from operating leases is recognised on a straight-line basis over the lease term.

The Company has not provided any of its assets on the basis of operating lease or finance lease to others.

7. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the assets and settle the liabilities simultaneously

8. Trade receivables

Trade receivables are amounts due from customers for goods/services sold in ordinary course of business. Trade receivables are recognised when the right to consideration becomes unconditional. These assets are held at amortised cost, using the effective interest rate (EIR) method where applicable, less provision for impairment based on expected credit loss.

9. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method, where applicable.

10. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest, commitments charges on bank borrowings, amortization of ancillary costs that an entity incurs in connection with the borrowing of funds.

11. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method, where applicable. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

12. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) after tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

13. Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated Amortisation and accumulated impairment losses, if any

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Standalone Statement of Profit and Loss.

There are no Intangible assets under development in the current year.

14. Significant Accounting Judgements, Estimates and Assumptions

The preparation of financial statements in conformity with the Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

14.1 Business Model Assessment

Classification and measurement of financial assets depend on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

14.2 Effective Interest Rate (EIR) method:

The Company's EIR methodology, recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given / taken and recognised the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges).

This estimation, by nature, requires an element of judgement regarding the expected behavior and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/ expense that are integral parts of the instrument.

14.3 General Notes to Accounts:

- (i) Previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary.
- (ii) In the opinion of the Board of Directors, Current Assets, Loans & Advances have a value on realization in the ordinary course of business equal to the amount at which they are stated in the balance sheet.

18. Financial Risk Management

The Company's principal financial liabilities comprise of loans and borrowings, trade payables and other financial liabilities. The loans and borrowings are primarily taken to finance and support the Company's operations. The Company's principal financial assets include loans, cash and cash equivalents, trade receivables and other financial assets.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The risk management system is relevant to business reality, pragmatic and simple and involves the following:

Risk identification and definition: Focuses on identifying relevant risks, creating / updating clear definitions to ensure undisputed understanding along with details of the underlying root causes / contributing factors.

Risk classification: Focuses on understanding the various impacts of risks and the level of influence on its root causes. This involves identifying various processes generating the root causes and clear understanding of risk interrelationships.

Risk assessment and prioritization: Focuses on determining risk priority and risk ownership for critical risks. This involves assessment of the various impacts taking into consideration risk appetite and existing mitigation controls.

Risk mitigation: Focuses on addressing critical risks to restrict their impact(s) to an acceptable level (within the defined risk appetite). This involves a clear definition of actions, responsibilities and milestones.

Risk reporting and monitoring: Focuses on providing to the Board periodic information on risk profile evolution and mitigation plans.

(A) Credit Risk

Credit risk is the risk of financial loss to the company, if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets.

Credit Risk Management

The main source of credit risk at the reporting date is from trade receivables as these are typically unsecured. This credit risk has always been managed through credit Approvals, establishing credit limits and continuously monitoring the creditworthiness of customer to whom credit is extended in normal course of business. The company estimates the expected credit loss on the basis of past Data and experience. Expected credit losses of financial assets receivable in next 12 months are estimated on the basis of historical date provided the company has reasonable and supportable date. On such an assessment the expected losses are nil or negligible.

(B) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

The table below summarises the company's liquidity position and its preparedness for likely variations in liquidity.

(Rs. In Lakh)		
Particular	As at 31st March 2026	As at 31st March 2025
Cash and cash equivalents and Bank Balances	49.19	18.68
Trade receivable	17.11	19.01
Total	66.30	37.69

Contractual maturities of significant financial liabilities are as under:

Maturities of financial liabilities

(Rs. In Lakh)			
Particular	Less than and equal to one year	More than 1 year	Total
As on 31st March, 2026			
Other Financial liabilities	1.00	-	1.00
Total	1.00	-	1.00
As on 31st March, 2025			
Other Financial liabilities	-	-	-
Total	-	-	-

(C) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. Financial instruments affected by market risk include loans and borrowings.

• Currency Risk

Currency risk is not material, as the Company's primary business activities are within India and does not have significant exposure in foreign currency.

19. Fair Value Measurement

(a) Valuation Principle

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as explained below.

(b) Valuation Techniques

Equity Instruments

Quoted equity instruments on recognised stock exchanges are valued at Level 1 hierarchy being the unadjusted quoted price as at the reporting date.

Unquoted equity instruments are valued at Level 3 hierarchy being unobservable inputs that are significant to the measurement as a whole. Accordingly, the valuation technique involves the Net worth of the investee company.

Mutual Funds

Units held in funds are measured based on their published net asset value (NAV), taking into account redemption and/or other restrictions. Such instruments are generally Level 2.

Foreign Exchange Contracts

Foreign exchange contracts include foreign exchange forward and swap contracts, interest rate swaps and over-the-counter foreign exchange options. These instruments are valued by either observable foreign exchange rates, observable or calculated forward points and option valuation models. With the exception of contracts where a directly observable rate is available which are disclosed as Level 1, the Company classifies foreign exchange contracts as Level 2 financial instruments when no unobservable inputs are used for their valuation or the unobservable inputs used are not significant to the measurement (as a whole).

During the year there were no transfers between level 1 and level 2. Similarly, there were no transfers from or transfer to level 3.

- 20.** The Company has not entered into a lease agreement during the year. No Impact on account of implementation of Ind AS 116.

21. Segment Reporting

At present the Company is carrying on only one segment of financing business.

22. Feature of Audit Trail

The company uses an accounting software for maintaining its books of account which has a feature of recording audit trail facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software, except that audit trail feature is not enabled for certain direct changes to the data for users with the certain privileged access right to the ERP application. Further, no instance of audit trail feature being tampered with was noted in respect of the accounting software. Presently, the log has been activated at the application and the privileged access to ERP continues to be restricted to limited set of users who necessarily require this access for maintenance and administration of the database.

23. Additional Regulatory Information Required by Schedule III

- (a) Details of benami property

No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

- (b) Willful defaulter

The Company has not been declared willful defaulter by any bank or financial institution or any lender.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF KRISHNA CAPITAL AND SECURITIES LIMITED

Opinion

We have audited the accompanying consolidated financial statements of Krishna Capital and Securities Limited (the 'Company') and its associate (the company and its associates together referred to as "The Group"), which comprise the consolidated Balance Sheet as at 31 March 2026, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information (together known as consolidated financial statements)

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Group, its associate companies in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

The Statement includes the results of the following entities:

Associate Companies
1. Palco Metals Limited

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there is no key audit matter to be communicated in our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the consolidated financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this audit report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the consolidated financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the company are responsible for assessing the ability of respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of directors either intends to liquidate their respective entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and its associate are also responsible for overseeing the financial reporting process of the Company and its associate.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matter

The consolidated financial statements of the Company for the year ended 31 March 2025, were audited by previous auditors under the Act who, vide their audit report dated 23 May 2025, expressed an unmodified opinion on those consolidated financial statements.

The consolidated financial statements include the Group's share of total comprehensive loss of Rs. 13.37(In Lacs) for the year ended March 31, 2026 as considered in the consolidated financial statements, in respect of "Palco Metals Limited" an associate company which has not been audited by us. The financial information is unaudited and has been furnished to us by the management, and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of an associate companies and our report in terms of sub-section (3) of Section 143 of the Act including report on Other Information insofar as it relates to the aforesaid associate companies, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management.

Our opinion on the Statement is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor.

Report on other legal and regulatory requirements

1. As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the accompanying consolidated financial statement.

- c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows dealt with by this report are in agreement with the books of account and records maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid Consolidated Financial Statements comply with accounting Standards specified under section 133 of the Act of the Companies (Indian Accounting Standard) Rules, 2015 as amended.
- e) On the basis of the written representations received from the directors as on 31 March 2026, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026, from being appointed as a director in terms of section 164(2) of the Act.
- f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above on reporting under Section 143(3)(b) and paragraph (i)(vi) below on reporting under Rule 11(g).
- g) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to consolidated financial statement.
- h) In our opinion and to the best of our information and according to explanation given to us, the managerial remuneration for the year ended March 31, 2026 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013;
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2021 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigation that have impact on its financial position in its Consolidated Financial Statements.
 - ii. The Company did not have any material foreseeable losses in long term contract including derivative contracts during the year ended March 31, 2026.
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the company during the year ended March 31, 2026.
 - iv.
 - (a) The respective Managements of the Company and its associate company which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such associate companies respectively that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either

from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such associate company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such associates ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The respective Managements of the Company and its associate company which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such associate company respectively that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such associate from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such associate company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, performed by us and those performed by the auditors of the associate company which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not declared or paid dividend during the year covered by our audit.

vi. **Reporting on Audit Trail:**

Based on our examination which included test checks, the company uses an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software, except that audit trail feature is not enabled for certain direct changes to the data for users with the certain privileged access right to the ERP application. Further, no instance of audit trail feature being tempered with was noted in respect of the accounting software. Presently, the log has been activated at the application and the privileged access to ERP continues to be restricted to limited set of users who necessarily require this access for maintenance and administration of the database. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the previous year.

2. As required by the Companies (Auditor's Report) Order, 2020 (the Order), issued by the Central Government in terms of Section 143(11) of the Act, we give in **Annexure B**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

Report on the internal financial controls with reference to consolidated financial statements under clause (i) of sub-section 3 of section 143 of the Act

We have audited the internal financial controls with reference to consolidated financial statements of Krishna Capital and Securities Limited (the 'Company') as of 31 March 2026 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to consolidated financial statements.

Other Matter

Our opinion is not modified in respect of the adequacy and operating effectiveness of internal financial control with reference to financial statements relate to associate, which is company incorporated in India.

Meaning of internal financial controls with reference to consolidated financial statements

A Company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and directors of the Company; and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

Inherent limitations of internal financial controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

1. Corporate information

Krishna Capital & Securities Limited ("the Company") is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956 and its associates (together herein after referred as group). Its shares are listed on BSE Limited. The registered office of the company is located at 403, Mauryansh Elanza b/h Parekh's Hospital Shyamal Cross Road Satellite, Ahmedabad, Gujarat.

The Company is engaged in the lending business and trading of shares and securities. The Company Non-Banking Finance Company (NBFC) (Non-Deposit Taking Company) registered with the Reserve Bank of India and Ministry of Corporate Affairs. The registration details are as follows: RBI 01.00176 Corporate Identity Number (CIN) L67120GJ1994PLC023803. Palco Metals Limited, an Associate Company, is engaged in business of manufacturing and selling of Aluminum Wire rod & other Aluminum Dioxide like Aluminum Ingot, Aluminum Notch bar, Aluminum Shots, Aluminum Alloys Etc.

The consolidated financial statements were authorized for issue in accordance with a resolution of the Board of Directors at its meeting held on May 29, 2026.

2. Basis of preparation

2.1 Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed in the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act, the updated Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 as amended from time to time and other applicable RBI circulars/notifications. The Company uses accrual basis of accounting in preparation of financial statements (other than Statement of Cash Flows).

The financial statements have been prepared on a historical cost basis, except for certain financial instruments, share based payments and employee benefits plan that are measured at fair value as required or allowed by relevant accounting standard.

The financial statements are prepared on a going concern basis as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

Financial statements were subject to review and recommendation of the Audit Committee and approval of the Board of Directors. On 29 May 2026, the Board of Directors of the Company approved and recommended the financial statements for consideration and adoption by the shareholders in its Annual General Meeting.

2.2 Principles of consolidation

Associates

Associates are all entities over which the Group has significant influence but not control or joint control. This is generally the case where the Group has no substantive right to take decisions about the relevant activities in such entities. Investments in associates are accounted for using the equity method of accounting.

The associates considered in the consolidated financial statements are:

Name of Associates Company	Country of Incorporation	% of holding as on March 31, 2026
Palco Metals Limited	India	34.00%

2.3 Presentation of financial statements

The Company presents its Balance Sheet in the order of liquidity.

The Company prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act.

The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only where it has legally enforceable right to offset the recognized amounts and the Company intends to either settle on a net basis or to realise the asset and settle the liability simultaneously as permitted by Ind AS. Similarly, the Company offsets incomes and expenses and reports the same on a net basis where the netting off reflects the substance of the transaction or other events as permitted by Ind AS.

2.4 Material accounting estimates, judgements and assumptions

The preparation of the Company's financial statements requires Management to make use of estimates, judgements and assumptions. These estimates, judgments and assumptions affect the application of accounting policies, the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as at the reporting date and the reported amount of revenues and expenses during the year. Accounting estimates could change from period to period. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from the Management's estimates and judgements. Revision to accounting estimates are recognized prospectively.

3. Summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

3.1 Financial Instruments

(i) Classification of Financial Instruments

The Company classifies its financial assets into the following measurement categories:

- Financial assets to be measured at amortized cost.
- Financial assets to be measured at fair value through other comprehensive income.
- Financial assets to be measured at fair value through profit or loss account.

The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets which are explained below:

Business Model Assessment

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel.
- The risks that affect the performance of the business model (and the financial assets held within that business model) and the way those risks are managed.
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).
- The expected frequency, value and timing of sales are also important aspects of the Company's assessment. The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realized in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

The Solely Payments of Principal and Interest (SPPI) Test

As a second step of its classification process the Company assesses the contractual terms of financial assets to identify whether they meet the SPPI test. 'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or Amortization of the premium/discount). In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest in dues only consideration for the time value of money, credit risk other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at fair value through profit or loss. The Company classifies its financial liabilities at Amortized costs unless it has designated liabilities at fair value through the profit and loss account or is required to measure liabilities at fair value through profit or loss such as derivative liabilities.

(ii) Financial Assets Measured at Amortized Cost

Debt instruments- These financial assets comprise bank balances, Loans, investments and other financial assets. Debt instruments are measured at Amortized cost where they have:

- (a) Contractual terms that give rise to cash flows on specified dates, that represent solely payments of principal and interest on the principal amount outstanding and
- (b) Are held within a business model where objective is achieved by holding to collect contractual cash flows.

These debt instruments are initially recognized at fair value plus directly attributable transaction costs and subsequently measured at amortized cost.

The company has not granted any loans or advances during the year to promoters, directors, KMPs and the related parties either severally or jointly with any other person during the year.

(iii) Financial Assets Measured at fair value through other Comprehensive Income
Debt Instruments

Investments in debt instruments are measured at fair value through other comprehensive income where they have:

- (a) Contractual terms that give rise to cash flows on specified dates, that represent solely payments of principal and interest on the principal amount outstanding; and
- (b) Are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

As at reporting date, there are no debt instruments measured at FVOCI.

Equity Instruments

Investment in equity instruments that are neither held for trading nor contingent consideration recognised by the Company in a business combination to which Ind AS 103 "Business Combination applies, are measured at fair value through other comprehensive income, where an irrevocable election has been made by management and when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments: Presentation. Such classification is determined on an instrument-by-instrument basis. As at reporting date, there are no equity instruments measured at FVOCI.

(iv) Items at fair value through Profit or Loss

Items at fair value through profit or loss comprise:

- Investments (including equity shares) held for trading;
- Items specifically designated as fair value through profit or loss on initial recognition; and
- Debt instruments with contractual terms that do not represent solely payments of principal and interest.

Financial instruments held at fair value through profit or loss are initially recognised at fair value, with transaction costs recognised in the statement of profit and loss as incurred. Subsequently, they are measured at fair value and any gains or losses are recognised in the statement of profit and loss as they arise.

Financial instruments held for Trading

A financial instrument is classified as held for trading if it is acquired or incurred principally for selling or repurchasing in the near term, or forms part of a portfolio of financial instruments that are managed together and for which there is evidence of short-term profit taking, or it is a derivative not in a qualifying hedge relationship.

Trading derivatives and trading securities are classified as held for trading and recognised at fair value. Financial instruments designated as measured at fair value through profit or loss. Upon initial recognition, financial instruments may be designated as measured at fair value through profit or loss. A financial asset may only be designated at fair value through profit or loss if doing so eliminates or significantly reduces measurement or recognition inconsistencies (i.e. eliminates an accounting mismatch) that would otherwise arise from measuring financial assets or liabilities on a different basis.

A financial liability may be designated at fair value through profit or loss if it eliminates or significantly reduces an accounting mismatch or:

- If a host contract contains one or more embedded derivatives; or
- If financial assets and liabilities are both managed and their performance evaluated on a fair value basis in accordance with a documented risk management or investment strategy.

Where a financial liability is designated at fair value through profit or loss, the movement in fair value attributable to changes in the Company's own credit quality is calculated by determining the changes in credit spreads above observable market interest rates and is presented separately in other comprehensive income. As at the reporting date, the Company has not designated any financial instruments as measured at fair value through profit or loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when the rights to receive cash flows from the asset have expired.

(v) Derivatives

A derivative is a financial instrument or other contract with all three of the following characteristics:

- Its value changes in response to the change in a specified interest rate, financial instrument price, commodity price, foreign exchange rate, index of prices or rates, credit rating or credit index, or other variable, provided that, in the case of a non-financial variable, it is not specific to a party to the contract (i.e., the 'underlying').
- It requires no initial net investment or an initial net investment that is smaller than would be required for other types of contracts expected to have a similar response to changes in market factors
- It is settled at a future date.

Changes in the fair value of derivatives are included in net gain on fair value changes.

(vi) Debt Securities and Other Borrowed Funds

After initial measurement, debt issued and other borrowed funds are subsequently measured at Amortised cost. Amortised cost is calculated by taking into account any discount or premium on issue funds, and transaction costs that are an integral part of the Effective Interest Rate (EIR). There are no Debt securities and borrowed funds in the company at the reporting date.

(vii) Financial Guarantees

Financial guarantees are initially recognised in the financial statements (within Provisions) at fair value, being the premium received. Subsequent to initial recognition, the company's liability under each guarantee is measured at the higher of the amount initially recognised less cumulative Amortisation recognised in the statement of profit and loss.

- The premium is recognised in the statement of profit and loss on a straight-line basis over the life of the guarantee.

Reclassification of Financial Assets and Liabilities

The Company does not reclassify its financial assets subsequent to their initial recognition. Financial liabilities are never reclassified. The Company did not reclassify any of its financial assets or liabilities in 2024-2025 and until the year ended March 31, 2026.

(viii) Recognition and Derecognition of Financial Assets and Liabilities

Recognition:

- (a) Loans and Advances are initially recognized when the funds are transferred to the customers' account or delivery of assets by the dealer, whichever is earlier.
- (b) Investments are initially recognised on settlement date.
- (c) Debt securities, deposits and borrowings initially recognised when funds reach Company.
- (d) Other Financial assets and liabilities initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place.

Derecognition of Financial Assets other than due to Substantial Modification

- (a) Financial Assets:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when the rights to receive cash flows from the financial asset have expired. The Company also derecognised the financial asset if it has both transferred the financial asset and the transfer qualifies for Derecognition.

The Company has transferred the financial asset if, and only if, either:

- The Company has transferred its contractual rights to receive cash flows from the financial asset, or
- It retains the rights to the cash flows, but has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass through' arrangement.

Pass-through arrangements are transactions whereby the Company retains the contractual rights to receive the cash flows of a financial asset (the 'original asset'), but assumes a contractual obligation to pay those cash flows to one or more entities (the 'eventual recipients'), when all of the following three conditions are met:

The Company has no obligation to pay amounts to the eventual recipients unless it has collected equivalent amounts from the original asset, excluding short-term advances with the right to full recovery of the amount lent plus accrued interest at market rates.

The Company cannot sell or pledge the original asset other than as security to the eventual recipients.

The Company has to remit any cash flows it collects on behalf of the eventual recipients without material delay. In addition, the Company is not entitled to reinvest such cash flows, except for investments in cash or cash equivalents including interest earned, during the period between the collection date and the date of required remittance to the eventual recipients.

A transfer only qualifies for Derecognition if either:

- The Company has transferred substantially all the risks and rewards of the asset, or
- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

The Company considers control to be transferred if and only if, the transferee has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise that ability unilaterally and without imposing additional restrictions on the transfer.

When the Company has neither transferred nor retained substantially all the risks and rewards and has retained control of the asset, the asset continues to be recognised only to the extent of the Company's continuing involvement, in which case, the Company also recognised an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

(b) Financial Liabilities:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of Profit and loss. As at the reporting date the company does not have any financial liabilities which have been derecognised.

(ix) Impairment of Financial Assets

Overview of the ECL principles

Expected credit losses ('ECL') are recognised for all financial assets except those classified as FVTPL and equity instruments as per the Board approved policy.

The Company follows a staging methodology for ECL computation. Financial assets where no significant increase in credit risk has been observed since inception are classified in 'stage 1' for which a 12 month ECL is recognised. Financial assets which have significant increase in credit risk since inception are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Life time ECL is recognised for stage 2 and stage 3 financial assets.

Based on the above, the Company categories its loans into Stage 1, Stage 2 and Stage 3 as described below:

Stage: 1

All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. The company classifies all standard advances and advances Upto 30 days' default under this category. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.

Stage: 2

All exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk.

Stage: 3

All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the Amortised cost (net of provision) rather than the gross carrying amount. 90 Days Past Due is considered as default for classifying a financial instrument as credit impaired. If an event (for e.g., any natural calamity) warrants a provision higher than as mandated under ECL methodology, the Company may classify the financial asset in Stage 3 accordingly.

Financial Guarantee Contracts

The Company's liability under financial guarantee is measured at the higher of the amount initially recognised less cumulative Amortisation recognized in the statement of profit and loss, and the ECL provision.

For this purpose, the Company estimates ECLs by applying a credit conversion factor. The ECLs related to financial guarantee contracts are recognised within Provisions.

During the year, the Company has recognised an Expected Credit Loss (ECL) allowance on trade receivables based on the assessment of expected credit losses in accordance with the applicable accounting policy.

(x) Write-offs

The Company reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subjected to write-offs. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

(xi) Fair Value Measurement:

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level: 1

Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level: 2

Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level: 3

Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the consolidated financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. For a detailed information on the fair value hierarchy, refer note no. 15.

3.2 Revenue from operations**Interest Income**

Interest income is recognised by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial assets other than credit-impaired assets and financial assets classified as measured at FVTPL.

The EIR in case of a financial asset is computed.

- (a) As the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.
- (b) By considering all the contractual terms of the financial instrument in estimating the cash flows.
- (c) Including all fees received between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

Any subsequent changes in the estimation of the future cash flows is recognised in interest income with the corresponding adjustment to the carrying amount of the assets.

Interest income on credit impaired assets is recognised by applying the effective interest rate to the net Amortised cost (net of provision) of the financial asset.

(ii) Dividend Income

Dividend income is recognised

- (a) When the right to receive the payment is established,
- (b) It is probable that the economic benefits associated with the dividend will flow to the entity and.
- (c) The amount of the dividend can be measured reliably.

(iii) Net gain on Fair value changes

Any differences between the fair values of financial assets classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealized gain / loss. In cases there is a net gain in the aggregate, the same is recognised in "Net gains on fair value changes" under Revenue from operations and if there is a net loss the same is disclosed under "Expenses" in the statement of Profit and Loss.

Similarly, any realised gain or loss on sale of financial instruments measured at FVTPL and debt instruments measured at FVOCI is recognized in net gain / loss on fair value changes. As at the reporting date the Company does not have any financial instruments measured and debt instruments measured at FVOCI.

3.3 Expenses**Finance Costs**

Finance costs represent Interest expense recognize by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial liabilities other than financial liabilities classified as FVTPL.

The EIR in case of a financial liability is computed.

- (a) As the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the gross carrying amount of the Amortised cost of a financial liability.
- (b) By considering all the contractual terms of the financial instrument in estimating the cash flows.

- (c) Including all fees paid between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

Any subsequent changes in the estimation of the future cash flows are recognised in interest income with the corresponding adjustment to the carrying amount of the assets.

Interest expense includes issue costs that are initially recognized as part of the carrying value of the financial liability and amortized over the expected life using the effective interest method. These include fees and commissions payable to advisers and other expenses such as external legal costs, rating fee etc., provided these are incremental costs that are directly related to the issue of a financial liability.

- (i) Other Income & Expenses

All Other income and expense are recognized in the period they occur.

- (ii) Impairment of non-financial assets

The carrying amount of assets is reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

- (iii) Taxes

Tax expense comprises of current income tax and deferred tax.

Current income tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside the statement of Profit and Loss (either in other comprehensive income or in equity). Deferred Tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provision where appropriate.

Recognition of Deferred tax assets and liabilities:

Deferred tax is provided using the balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.4 Cash and Cash Equivalent

Cash and cash equivalent in the Balance Sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of charges in value.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

3.5 Property, plant and equipment:

Property, plant and equipment are stated at cost, net of recoverable taxes less accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price and borrowing costs if capitalization criteria are met, the cost of replacing part of the fixed assets and directly attributable cost of bringing the asset to its working condition for the intended use. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significantly parts of fixed assets are required to be replaced at intervals, the company recognised such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major overhauling is performed, its cost is recognised in the carrying amount of the Property, plant and equipment as a replacement if the recognition criteria are satisfied. Any trade discounts and rebates are deducted in arriving at the purchase price.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if applicable. Company has only one fixed asset which is office building having useful life of 60 years. The Company calculates depreciation on items of property, plant and equipment on a Written down Value using the rates defined under Schedule II of the Companies Act 2013.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

There has been no Revaluation during the financial year in any class of assets of the company, hence separate disclosure is not required.

Company does not hold any immovable property not in the name of the company hence separate disclosure for the same is not required.

There has been no Capital Work in Progress as on balance sheet date for the financial year and company does not hold any Benami property during the year.

3.6 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation and a reliable Estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain, the expense relating to a provision is presented in the consolidated statement of Profit and loss net of any reimbursement.

3.7 Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

3.8 Earnings per share:

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares

which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing dilutive earnings per share, only potential equity shares that are dilutive and that would, if issued, either reduce future earnings per share or increase loss per share, are included.

4. Recent accounting pronouncements

Ministry of Corporate Affairs ('MCA') notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31 March 2026, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

5. Employee benefits

In the opinion of the management the provision for retirement benefits and gratuity are applicable at present however no provisions were made in the accounts of the company.

Short-term employee benefits are recognized as an expense at the undiscounted amount in the profit & loss account of the year in which the related service is rendered.

Post-employment and other long-term employee benefits are recognized as an expense in the profit & loss account for the year in which the liabilities are crystallized.

6. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee, the Company recognises a right-of-use asset and a corresponding lease liability at the commencement date of the lease, except for short-term leases and leases of low-value assets, which are recognised as an expense in the Statement of Profit and Loss on an effective rate basis over the lease term.

As a lessor, leases are classified as either finance leases or operating leases. Rental income from operating leases is recognised on a straight-line basis over the lease term.

The Company has not provided any of its assets on the basis of operating lease or finance lease to others.

7. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the assets and settle the liabilities simultaneously.

8. Trade receivables

Trade receivables are amounts due from customers for goods/services sold in ordinary course of business. Trade receivables are recognised when the right to consideration becomes unconditional. These assets are held at amortised cost, using the effective interest rate (EIR) method where applicable, less provision for impairment based on expected credit loss.

9. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method, where applicable.

10. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest, commitments charges on bank borrowings, amortization of ancillary costs that an entity incurs in connection with the borrowing of funds.

11. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method, where

applicable. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

12. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) after tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

13. Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Consolidated Statement of Profit and Loss.

There are no Intangible assets under development in the current year.

14. Significant Accounting Judgements, Estimates and Assumptions

The preparation of financial statements in conformity with the Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

14.1 Business Model Assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

14.2 Effective Interest Rate (EIR) method:

The Company's EIR methodology, recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given / taken and recognised the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges).

This estimation, by nature, requires an element of judgement regarding the expected behavior and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/ expense that are integral parts of the instrument.

14.3 General Notes To Accounts:

- (i) Previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary.
- (ii) In the opinion of the Board of Directors, Current Assets, Loans & Advances have a value on realization in the ordinary course of business equal to the amount at which they are stated in the balance sheet.
- (iii) Wherever, external evidence in the form of cash memos / bills / supporting documents is available, the vouchers have been prepared and authorized by the company.
- (iv) The amount overdue and outstanding at the close of the year payable to Small-Scale and Ancillary industries as defined by the Interest on Delayed Payments to Small Scale and Ancillary Industrial Undertakings Act, 1993, is Nil as certified by the management.

17. Financial Risk Management

The Company's principal financial liabilities comprise of loans and borrowings, trade payables and other financial liabilities. The loans and borrowings are primarily taken to finance and support the Company's operations. The Company's principal financial assets include loans, cash and cash equivalents, trade receivables and other financial assets.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The risk management system is relevant to business reality, pragmatic and simple and involves the following:

Risk identification and definition: Focuses on identifying relevant risks, creating / updating clear definitions to ensure undisputed understanding along with details of the underlying root causes / contributing factors.

Risk classification: Focuses on understanding the various impacts of risks and the level of influence on its root causes. This involves identifying various processes generating the root causes and clear understanding of risk interrelationships.

Risk assessment and prioritization: Focuses on determining risk priority and risk ownership for critical risks. This involves assessment of the various impacts taking into consideration risk appetite and existing mitigation controls.

Risk mitigation: Focuses on addressing critical risks to restrict their impact(s) to an acceptable level (within the defined risk appetite). This involves a clear definition of actions, responsibilities and milestones.

Risk reporting and monitoring: Focuses on providing to the Board periodic information on risk profile evolution and mitigation plans.

(A) Credit Risk

Credit risk is the risk of financial loss to the company, if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets.

Credit Risk Management

The main source of credit risk at the reporting date is from trade receivables as these are typically unsecured. This credit risk has always been managed through credit Approvals, establishing credit limits and continuously monitoring the creditworthiness of customer to whom credit is extended in normal course of business. The company estimates the expected credit loss on the basis of past Data and experience. Expected credit losses of financial assets receivable in next 12 months are estimated on the basis of historical date provided the company has reasonable and supportable date. On such an assessment the expected losses are nil or negligible.

(B) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

The table below summarises the company's liquidity position and its preparedness for likely variations in liquidity.

(Rs. In Lakh)		
Particular	As at 31st March 2026	As at 31st March 2025
Cash and cash equivalents and Bank Balances	49.19	18.68
Trade receivable	17.11	19.01
Total	66.30	37.69

Contractual maturities of significant financial liabilities are as under:

Maturities of financial liabilities

(Rs. In Lakh)			
Particular	Less than and equal to one year	More than 1 year	Total
As on 31st March, 2026			
Other Financial liabilities	1.00	-	1.00
Total	1.00	-	1.00
As on 31st March, 2025			
Other Financial liabilities	-	-	-
Total	-	-	-

(C) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. Financial instruments affected by market risk include loans and borrowings.

• Currency Risk

Currency risk is not material, as the Company's primary business activities are within India and does not have significant exposure in foreign currency.

18. Fair Value Measurement

(a) Valuation Principle

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as explained below.

(b) Valuation Techniques

Equity Instruments

Quoted equity instruments on recognised stock exchanges are valued at Level 1 hierarchy being the unadjusted quoted price as at the reporting date.

Unquoted equity instruments are valued at Level 3 hierarchy being unobservable inputs that are significant to the measurement as a whole. Accordingly, the valuation technique involves the Net worth of the investee company.

Mutual Funds

Units held in funds are measured based on their published net asset value (NAV), taking into account redemption and/or other restrictions. Such instruments are generally Level 2.

Foreign Exchange Contracts

Foreign exchange contracts include foreign exchange forward and swap contracts, interest rate swaps and over-the-counter foreign exchange options. These instruments are valued by either observable foreign exchange rates, observable or calculated forward points and option valuation models. With the exception of contracts where a directly observable rate is available which are disclosed as Level 1, the Company classifies foreign exchange contracts as Level 2 financial instruments when no unobservable inputs are used for their valuation or the unobservable inputs used are not significant to the measurement (as a whole).

During the year there were no transfers between level 1 and level 2. Similarly, there were no transfers from or transfer to level 3.

19. The Company has not entered into a lease agreement during the year. No Impact on account of implementation of Ind AS 116.

20. Segment Reporting

At present the Company is carrying on only one segment of financing business.

21. Feature of Audit Trail

The company uses an accounting software for maintaining its books of account which has a feature of recording audit trail facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software, except that audit trail feature is not enabled for certain direct changes to the data for users with the certain privileged access right to the ERP application. Further, no instance of audit trail feature being tampered with was noted in respect of the accounting software. Presently, the log has been activated at the application and the privileged access to ERP continues to be restricted to limited set of users who necessarily require this access for maintenance and administration of the database.

22. Additional Regulatory Information Required by Schedule III
