Appearance: Anjali Soni, Advocate for the Appellant.

(Hybrid Mode)

This is an application to extend the time granted for curing the defects.

The facts giving rise to present IA (re-filing) are that the Appellant e-filed the Memo of Appeal on 05.08.2026. The Office after scrutiny of the Memo of Appeal on 21.08.2026, intimated the defects to the Appellant on the same day. The Appellant re-filed the Appeal on 08.10.2026. It is stated in the IA that the Registry required all documents to be clearly legible, and document which are in vernacular language to be filed with a translation. Since, there were copies of old documents whose originals have faded over time, the Applicant therefore had to trace the original records and get fresh, clear copies made, which took time. Thereafter, after refiling of the Appeal, the Registry raise second set of defects, curing which also took some time. Hence, there is delay of 41 dyas in refiling the Memo of Appeal, so the same may be condoned.

Heard Ld. Counsel appearing for the Appellant and perused the averments made in the IA as well as Office report.

The Appellant was required to re-file the Memo of Appeal within seven days from the date of intimation of the defects. However, the Appellant re-filed the Memo of Appeal with a delay of 41 days, hence, the case be placed before the Hon'ble Bench with defect for appropriate orders.

List the case before the Hon'ble Bench under the heading 'for admission with defect (fresh case)'.
