Aelea Commodities Limited – Business Update

(Unaudited – As per Internal Management Accounts)

Strong Q1 FY27 Execution Momentum with Approx. ₹108 Crore Invoicing with Q2 Production Capacity Booked at 81%

Mumbai, 27th July 2026:

Aelea Commodities Limited is pleased to provide an operational update for **Q1 FY27** based on **unaudited internal management accounts.**

The Company commenced FY27 on a strong note, with **Q1 FY27 revenue from operations exceeding ₹108 Crore**, reflecting healthy business momentum and sustained customer demand across its operating segments.

The Company's execution pipeline continues to remain robust. **Production capacity for Q2 FY27 is already booked up to approximately 81%**, providing strong revenue visibility for the ongoing quarter. In addition, the Company's order book remains healthy, with **Q3 FY27 capacity filling rapidly**, supported by increased demand ahead of the upcoming festive season.

The Company continues to operate at **healthy margins**, in line with previous years, driven by operational efficiencies and disciplined execution. While global logistics continue to face challenges arising from **currency volatility and longer transit routes due to the ongoing geopolitical tensions in the Middle East**, the Company has effectively managed these headwinds during Q1 FY27 through proactive planning and supply chain management.

This voluntary update is being shared to enhance transparency and stakeholder communication. The information provided above is based on **unaudited internal financial data and management estimates and has not been reviewed or approved by the Company's statutory auditors.**
