The documents for implementation of the Approved Resolution Plan have been executed by the Banks and the date of implementation of the Package/Resolution Plan has been declared by the Banks as September 04, 2024.
- 3 The Resolution Plan approved under IBC is binding on all creditors including the Central Government, State Government, any Local Authority under section 31(1) of IBC, 2016. Claims not filed/ not admitted/ claims which do not form part of the approved Resolution Plan stand extinguished. The payments of admitted claims are subject to reconciliation and rights and remedies available to the Company and are not acknowledged as debt.
- 4 As per legal advice received, in case of claim not filed by creditor against Corporate Guarantee(s) provided by the Company in respect of subsidiary company(ies), the same stand extinguished. Without prejudice to the above, as per the Resolution Plan dated November 22, 2017 of the Company approved under IBC, 2016 read with Orders dated April 18, 2018, March 11, 2022, September 13, 2023 and September 30, 2024 by Hon'ble NCLT, Kolkata, Order dated August 16, 2019, May 23, 2023 and August 10, 2023 passed by Hon'ble NCLAT and Order dated January 18, 2022, August 04, 2023 and September 25, 2023 passed by Hon'ble Supreme Court, the treatment of Corporate Guarantees is "Any amount arising out of invocation of existing Corporate Guarantees/Contingent Liabilities other than the current sub-judice matters will be paid after the payment of all the dues of Financial Creditors as per resolution plan, without any interest and penalties subject to the rights and remedies available to the Company" and "All amounts will be paid after proper reconciliation and without prejudice to the legal remedies available to the Company."
- 5 The Company has as at June 30, 2026 Non-Current Investment amounting to Rs.3,984 lakhs (June 30, 2025; Rs.3,984 lakhs) in its wholly owned subsidiary company MBL Projects Ltd. The net worth of the subsidiary does not represent true market value of the underlying investment/assets. The subsidiary holds shares in downstream SPVs in which projects were cancelled/terminated. Claims have been filed against cancellation/termination of the projects. These claims are based on the terms and conditions implicit in the contract in respect of cancelled/terminated projects. Considering the contractual tenability, legal advice received and progress of arbitration/ litigation, the management is confident of recovery of these claims. In view of this, the management is confident that the realisable amount is higher than the carrying value of the investment and, therefore, has considered the investment in the above subsidiary as good and recoverable.
- 6 The Company has as at June 30, 2026 Non- Current Investment amounting to Rs.5,110 lakhs (June 30, 2025; Rs.5,110 lakhs) in its wholly owned subsidiary company MBL Highway Development Company Limited (MHDCL). The net worth of subsidiary does not represent true market value of the underlying investment/assets. There was a participation in concession agreement dated September 09, 2011 by way of project centric ECB facility as per prudential norms of financing infrastructure projects in India as per RBI guidelines and other applicable Indian laws in DBFOT project of MHDCL. Repayments and interest were to be made from escrow account out of deposit of user fee (toll) on achievement of Commercial Operation Date (COD). However the concession agreement was terminated by Authority on November 18, 2016. Legal proceedings are pending at various forums for adjudication of disputes including dispute resolution proceedings in India and summary judgement and certificate of enforcement from a foreign country and its execution petition in India by such participant, MHDCL has received legal advice that the same is not enforceable. MHDCL has counter claims against the participant exceeding the amount of the claims. However, provision has been made for claims including foreign exchange fluctuation as per 'conservative principles of accounting' but the same is not acknowledged as debt payable by MHDCL. MHDCL has invoked arbitration against the Authority and Lenders Representative / Escrow Agent on account of material defaults/breach on their part in fulfilling their obligations as per provisions of Substitution Agreement & Escrow Agreement and has filed claims. Based on estimates like future business plan, arbitration proceedings and other factors, the management is confident that the realisable amount is higher than the carrying value of the investment and, therefore, the investment in the above subsidiary is good and recoverable.

- 7 The Company has as at June 30, 2026 Non-Current Investment amounting to Rs.18,505 lakhs (June 30, 2025; Rs.18,505 lakhs) in its wholly owned subsidiary company Suratgarh Bikaner Toll Road Company Private Limited (SBTRCPL). The net worth of the subsidiary does not represent true market value of the underlying investment/assets. The Company is under Corporate Insolvency Resolution Process (CIRP) vide order dated December 01, 2025 passed by Adjudicating Authority, National Company Law Tribunal, Kolkata. The powers of the members of the Board of Directors are suspended and management of the SBTRCPL vests with Resolution Professional, SBTRCPL being MSME and the Company also being MSME is eligible to submit the Resolution Plan under IBC, 2016 and is one of the Prospective Resolution Applicant. The Company has submitted Resolution Plan for SBTRCPL which is being evaluated by Committee of Creditors. Based on the estimates like future business plan, arbitration proceedings and other factors, the management is confident that realisable amount is higher than the carrying value of investment and therefore, investment in the above subsidiary is good and recoverable.
- 8 The Company has claims in respect of cost over-runs arising due to client responsibility delays, client's suspension of projects, deviation in design, change in scope of work etc., which are at various stages of negotiation/ discussion with the clients/ arbitration /litigation. The realisability of these claims are estimated by the Company based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Revenue in respect of claim is recognised to the extent the Company is reasonably certain of their realisation. Realisation of above claims may be lower than the claims recognized if the Company decides to settle the same out of court in future considering the substantial time involved in litigation. Impact thereof will be considered in the year of such settlement.

Independent Auditor's Report on Standalone Financial Results of the Company Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

**To the Board of Directors of
MBL Infrastructure Limited**

Opinion

We have reviewed the accompanying Standalone Financial Results of **MBL Infrastructure Limited** (the "Company") for the quarter ended June 30, 2026 (the "Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- a) is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b) gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards ("Ind AS") and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information of the Company for the quarter ended June 30, 2026.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA's") specified under Section 143(10) of the Companies Act, 2013, as amended (the "Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Results for the quarter ended June 30, 2026 under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on Standalone Financial Results.

Emphasis of Matters

We draw attention to the following matters in the notes to the accompanying Standalone Financial results:

- a. We draw attention to Notes 2, 3 and 4 to the Standalone Financial Statements, which describe that the Resolution Plan dated November 22, 2017 submitted by A. K. Lakhotia with 78.50% CoC voting share was approved under the Insolvency and Bankruptcy Code, 2016 ("IBC") and has attained finality pursuant to the orders passed by the Hon'ble NCLT, Hon'ble NCLAT and Hon'ble Supreme Court of India., The approved Resolution Plan is binding on all creditors and

other stakeholders in terms of Section 31(1) of the IBC. Accordingly, claims not filed, not admitted or not forming part of the approved Resolution Plan stand extinguished. The said note describe the treatment of corporate guarantees and contingent liabilities under the approved Resolution Plan, including settlement of amounts arising upon invocation thereof, subject to reconciliation and the rights and legal remedies available to the Company. As stated in the aforesaid notes, the Banks have declared September 04, 2024 as the implementation date of the approved Resolution Plan.

- b. We draw attention to Note 5 to the Standalone Financial Statements, regarding the Company's non-current investment amounting to ₹3,984 lakhs as at June 30, 2026 in its wholly owned subsidiary, MBL Projects Limited. As stated in the said note, the net worth of the subsidiary does not represent the true market value of its underlying investments/assets, as the subsidiary holds investments in downstream Special Purpose Vehicles (SPVs) whose projects have been cancelled/terminated. Claims have been filed in respect of such cancellations/terminations and, based on the contractual tenability, legal advice received and the progress of arbitration/litigation, the management is of the view that the recoverable amount of the investment exceeds its carrying value. Accordingly, the investment has been considered as good and recoverable.
- c. We draw attention to Notes 6 and 7 to the Standalone Financial Statements, relating to the Company's aggregate non-current investments of Rs. 23,615 lakhs in its wholly owned subsidiaries comprising of Rs. 5,110 lakhs in MBL Highway Development Company Limited and Rs. 18,505 lakhs in Suratgarh Bikaner Toll Road Company Private Limited, whose net worths do not represent the true market value of the underlying investments/assets. As described in the aforesaid notes, the recoverability of these investments is dependent upon the outcome of ongoing arbitration, litigation, claims and resolution proceedings, including matters relating to terminated infrastructure project, enforceability of claims and proceedings under the Insolvency and Bankruptcy Code, 2016 ("IBC"). Based on contractual rights, legal advice obtained, status of dispute resolution proceedings, future business plans and other factors as stated in the said notes, the Management has considered the aforesaid investments as good and recoverable.
- d. We draw attention to Note 8 to the Standalone Financial Statements, relating to claims recognized by the Company in respect of cost overruns arising from project delays, suspension of projects, design deviations and changes in scope of work, which are under negotiation, arbitration or litigation. As stated in the said note, such claims have been recognized based on Management's assessment of contractual terms, historical experience and legal advice, wherever necessary and the ultimate realization thereof is subject to the outcome of the related proceedings and future settlements.

Our opinion is not modified in respect of the above matters.

Management's and Board of Directors Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements and has been approved by the Company's Board of Directors. The Company's Management and the Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility

also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statement on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Standalone Financial Results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists,

we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The Statement includes the financial results for the quarter ended June 30, 2026, along with the comparative financial results for the quarter ended June 30, 2025, which were subjected to a limited review by us, as required under the Listing Regulations.

We

believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Results.

Emphasis of Matter

We draw attention to the following matters in the notes to the accompanying Consolidated Financial Statement:

- a. We draw attention to Notes 2, 3 and 4 to the Consolidated Financial Statements, which describe that the Resolution Plan dated November 22, 2017 submitted by A. K. Lakhotia with 78.50% CoC voting share was approved under the Insolvency and Bankruptcy Code, 2016 ("IBC") and has attained finality pursuant to the orders passed by the Hon'ble NCLT, Hon'ble NCLAT and Hon'ble Supreme Court of India., The approved Resolution Plan is binding on all creditors and other stakeholders in terms of Section 31(1) of the IBC. Accordingly, claims not filed, not admitted or not forming part of the approved Resolution Plan stand extinguished. The said notes describe the treatment of corporate guarantees and contingent liabilities under the approved Resolution Plan, including settlement of amounts arising upon invocation thereof, subject to reconciliation and the rights and legal remedies available to the Company. As stated in the aforesaid notes, the Banks have declared September 04, 2024 as the implementation date of the approved Resolution Plan.
- b. We draw attention to Note 5 to the Consolidated Financial Statements regarding the Corporate Insolvency Resolution Process ("CIRP") of the Company's wholly owned subsidiary, Suratgarh Bikaner Toll Road Company Private Limited ("SBTRCPL"), which was admitted into CIRP under the Insolvency and Bankruptcy Code, 2016 pursuant to the order dated December 1, 2025 passed by the Hon'ble National Company Law Tribunal, Kolkata.. Consequently, the powers of the Board of Directors of SBTRCPL stand suspended and the management of SBTRCPL has vested with the Resolution Professional. A Committee of Creditors has been constituted and is evaluating the Resolution Plans submitted by the Prospective Resolution Applicants. The finance cost has been provided only up to November 30, 2025 and no provision has been made thereafter consequent to the commencement of CIRP. The claims received by the Resolution Professional from various creditors are subject to verification and the outcome of the CIRP proceedings and, accordingly, have not been accounted for in the financial statements. Revenue from operations includes fees collected from overloaded vehicles and excludes revenue shortfall compensation on implementation of the Annual Pass Scheme and O&M charges relating to the Hybrid ETC System and MSMWIM, which are pending approval by the Authority. Upon approval of the Resolution Plan by the Adjudicating Authority, the financial statements of SBTRCPL shall be recast to give effect to the approved Resolution Plan. In the event that the Resolution Plan is not approved, the going concern assumption of SBTRCPL may be materially affected. The subsidiary has also disclosed CIRP expenses amounting to Rs. 19 lakhs as Exceptional Expenses.
- c. We draw attention to Note 6 to the Consolidated Financial Statements regarding ongoing legal and arbitration proceedings relating to the project-centric ECB facility of MBL Highway Development Company Limited following termination of the concession agreement. As disclosed therein, the Company has made provisions for the related claims, including foreign exchange fluctuations, on a conservative basis, though such amounts are not acknowledged as debt. The note further describes the Company's counterclaims and arbitration proceedings against certain parties, and states that the provisions made may be reversed depending upon the ultimate outcome of the ongoing proceedings.
- d. We draw attention to Note 7 to the Consolidated Financial Statements regarding the arbitration proceedings relating to the terminated concession agreement entered into by the Company's wholly owned subsidiary, MSP Infrastructures Limited ("MSPIL"), with M.P. Road Development

Corporation Limited ("MPRDC") for the Strengthening, Widening, Upgradation, Operation and Maintenance of the Raisen–Rahatgarh Road on a Build-Operate-Transfer (BOT) basis. The earlier arbitral award in favour of MSPIL was set aside by the Hon'ble Commercial Court, Bhopal, pursuant to which MSPIL has invoked fresh arbitration proceedings before the Indian Council of Arbitration. The arbitration proceedings are presently pending adjudication. As stated in the said note, the claims arising from the arbitration proceedings have not been recognised in the financial statements and shall be accounted for only upon certainty of their realisation.

- e. We draw attention to Note 8 to the Consolidated Financial Statements relating to claims recognized by the Company in respect of cost overruns arising from project delays, suspension of projects, design deviations and changes in scope of work, which are under negotiation, arbitration or litigation. As stated in the said note, such claims have been recognized based on Management's assessment of contractual terms, historical experience and legal advice, wherever necessary and the ultimate realization thereof is subject to the outcome of the related proceedings and future settlements.

Our opinion is not modified in respect of the above matters.

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. - Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statement on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Results, including the disclosures, and whether the Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
