Allcargo Global Reports 20.8% QoQ Revenue Growth in Q1 FY27

EBITDA rises 94.1% QoQ to ₹33 crore; LCL volumes grow 4.9% QoQ as Company maintains focus on yield and cost management

Friday, 14th August 2026: Allcargo Global Limited, International logistics and supply chain business of the Allcargo Group, and world's largest LCL consolidator, today announced its financial results for the quarter ended June 30, 2026. This is the Company's first quarterly result following its listing on the BSE and NSE on July 3, 2026, marking an important milestone in the completion of the Group's restructuring and demerger journey.

- On a consolidated basis, Q1 FY27 revenue stood at ₹3,522 crore, registering a 20.8% sequential growth over ₹2,915 crore in Q4 FY26.
- EBITDA increased 94.1% QoQ to ₹33 crore, compared with ₹17 crore in Q4 FY26, supported by the Company's continued focus on cost management, yield improvement and operational efficiencies.
- In line with the improved trade environment, LCL volumes grew 4.9% over the previous quarter, while FCL and Air volumes grew by 1.2% and 4.8%, respectively.
- The improvement in volumes, together with continued yield management initiatives, supported the Company's sequential improvement in revenue and EBITDA.

The quarter marks the beginning of a new phase for Allcargo Global as an independently listed company with a sharper focus on its international logistics and supply chain business. The completed restructuring provides greater strategic clarity and enables the Company to focus on its resources and capital allocation towards building a stronger global logistics company and creating sustainable long-term value.

Adarsh Hegde, Managing Director, Allcargo Global Limited, said, "Our first quarter as an independently listed company marks an important milestone. We have delivered 20.8% sequential growth in revenue while navigating a global trade environment that remains complex & unpredictable. The global logistics landscape is changing rapidly, with trade routes being redefined, supply chains becoming more diversified & resilient, and technology fundamentally changing how customers manage their global flows. We believe these shifts will create new & meaningful opportunities for companies like us that combine global reach with speed, flexibility & strong execution. We continue to be more agile, more technology-enabled & more profitable, enabling us to respond faster to changing customer needs and capture emerging trade opportunities while maintaining the discipline required to deliver sustainable growth. Our commitment remains simple: grow responsibly, execute consistently & create enduring value for our customers, shareholders & our people."

Allcargo Global is building a resilient and technology-enabled international logistics and supply chain business, leveraging its global network and India-linked trade opportunities to drive sustainable, profitable growth.

About Allcargo Global Limited

Allcargo Global Limited (AGL) (NSE: AGL) (BSE: 544602) is an international supply chain company of the Allcargo Group, formed following the demerger of the Group's International Supply Chain business. The company is the world's largest global LCL consolidator and one of the leading players in multimodal transport across the world, with a global network covering markets that account for over 90% of global trade.

With over 30+ years of industry expertise, AGL operates through **200+ own offices across 60+ countries**, complemented by a franchise network across other geographies. The Company combines deep logistics expertise with technology-enabled solutions, including ECU360, its digital freight booking platform that enables seamless shipment bookings across global trade lanes. AGL remains committed to strong ESG practices across its operations.
