

Building Nation with Exceptional Engineering

MTAR Technologies Limited

Please [click here](#) for corporate video

This presentation and the accompanying slides (the “Presentation”), which have been prepared **by MTAR Technologies Limited** (the “Company”), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the Company’s market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the company’s ability to successfully implement its strategy, the Company's future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cashflows, the Company's market preferences and its exposure to market risks, as well as other risks. The Company's actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third-party statements and projections.

All Maps used in the presentation are not to scale. All data, information, and maps are provided "as is" without warranty or any representation of accuracy, timeliness or completeness

A leader in critical and differentiated engineered products

Order Book Position

**New Product Development and
Expansion Plans**

Q4 FY26 Financial Performance

Working Capital Management

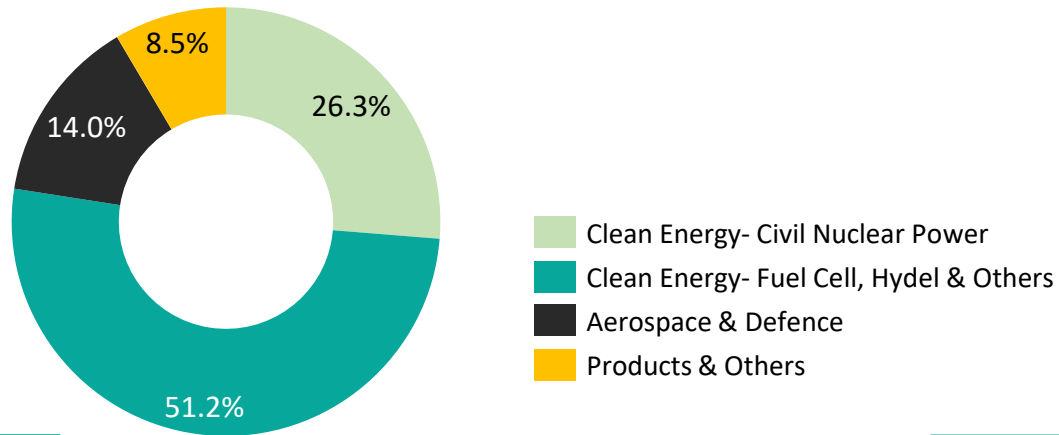

Record Order Inflows Driving a Strong Order Book

Receipt of New Orders in FY 26

- Received highest order inflows of Rs. 2453.3 Crs in FY 26
- Secured orders worth Rs. 481.6 Crs across various sectors during Q4 FY26.

Diversified Order Book of Rs. 2581.9 Crs as on 31st Mar 2026

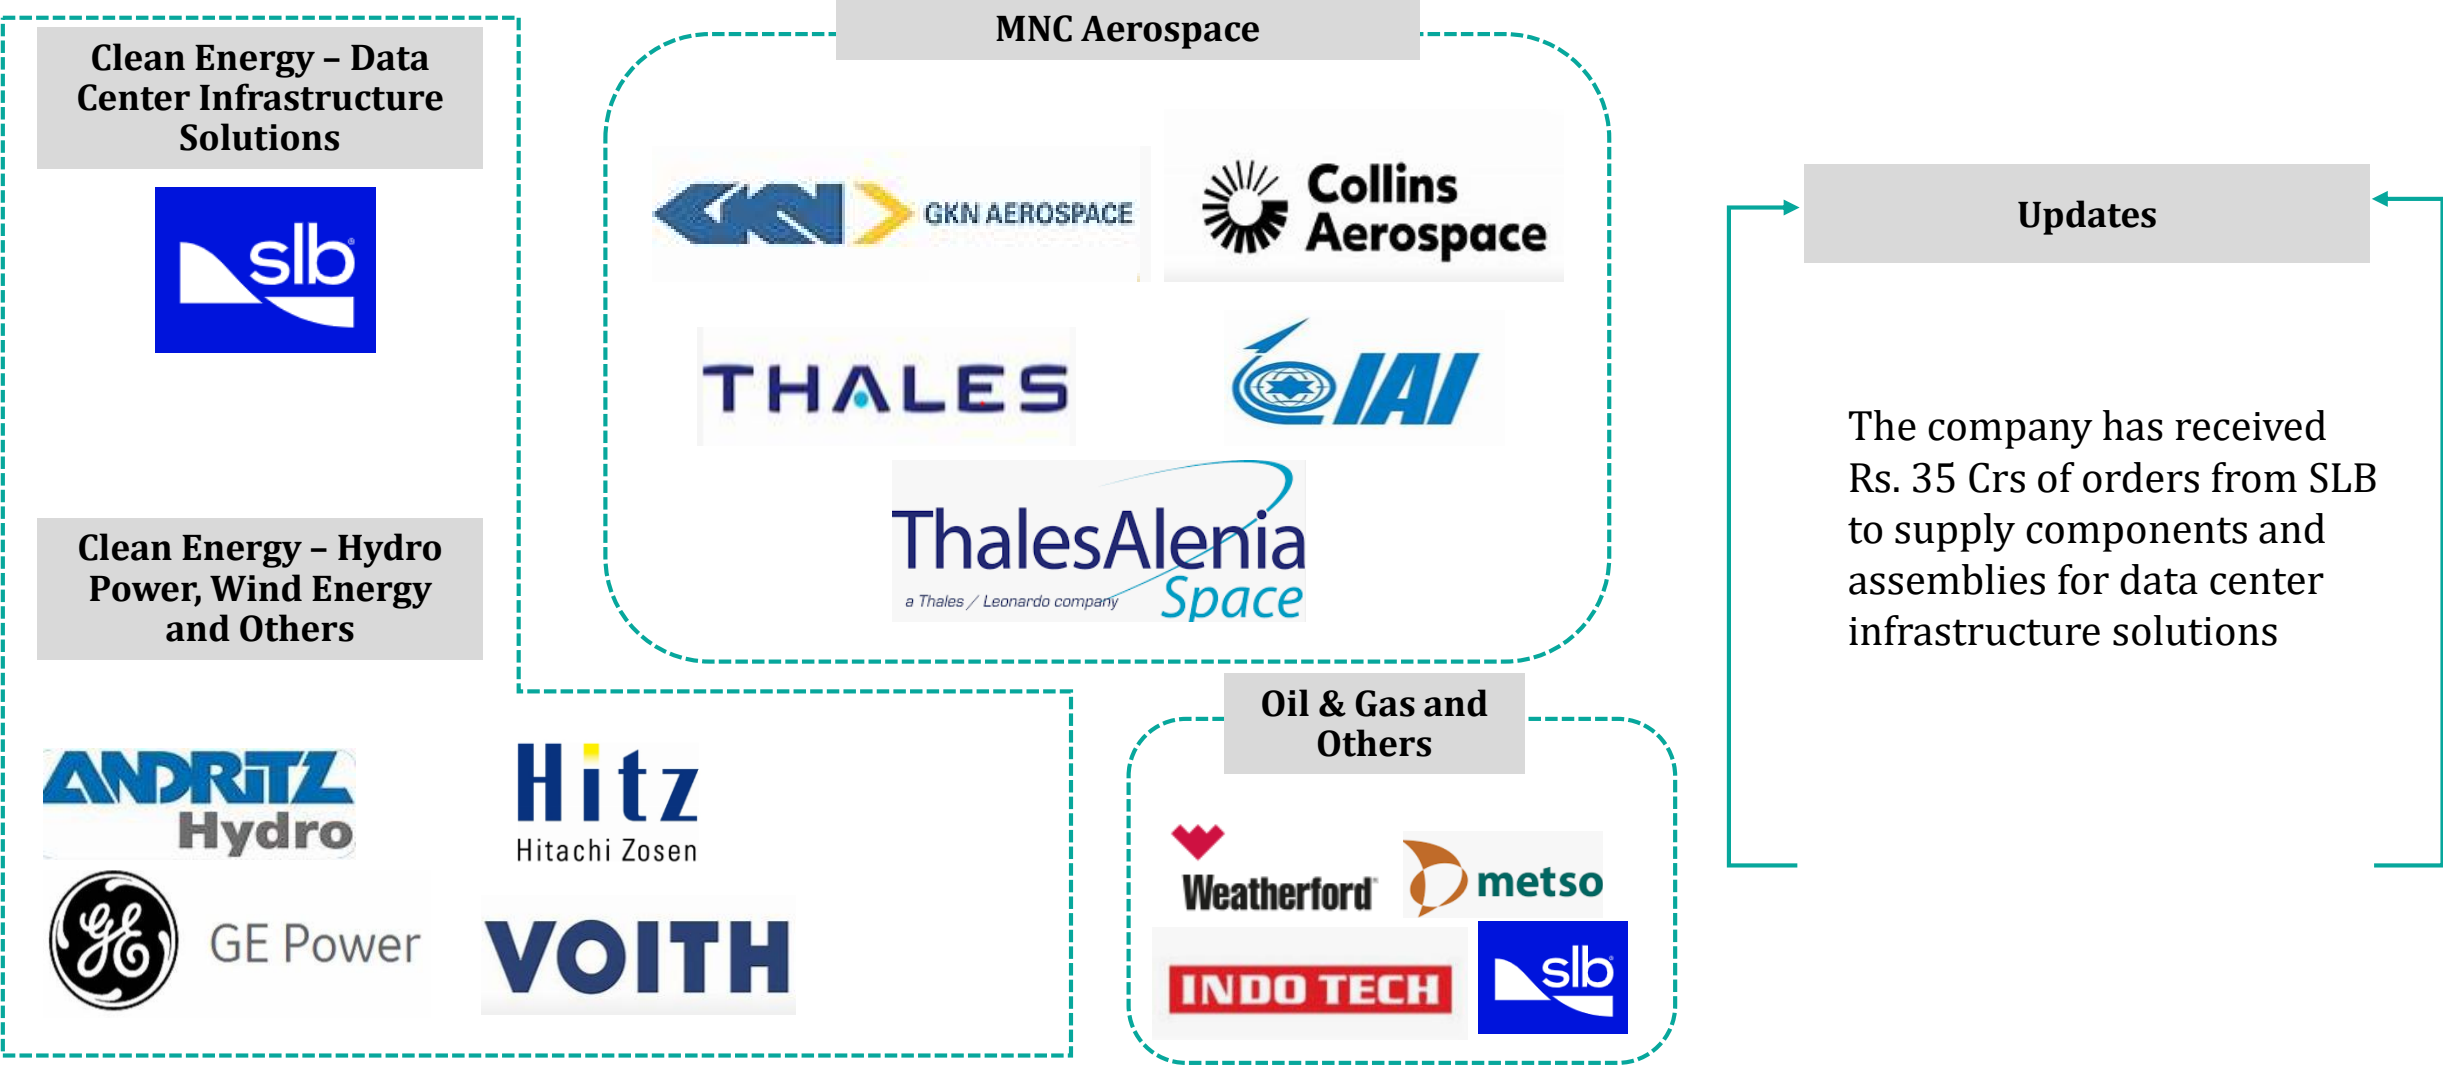

Order book Build-Up (Rs. in Crs)

• Sales restated at order book excluding forex fluctuations, price escalations and scrap sales

New Customers added over the past 2-3 years

New Product Development in Aerospace

Delivered first articles. Volume production is in progress for engine components and other products

Volume production underway for storage boxes

Successfully completed the design and development of the load-bearing structure – Z Adapter for Thales Alenia Space

First articles under progress. Volume production shall be taken up as per the long term agreement post the completion of first articles

- Received order for Main Landing Gear Support Structure Test Box assembly for AMCA program
- The company is participating in various other tenders of structural assemblies for fighter jet programs
- Significant orders are expected for actuator assemblies for LCA Tejas Mark IA

- The Company is in the process of expanding its capacities in a phased manner, in line with customer requirements to support the growing demand

Setting Up of Green Field Facility for Oil & Gas

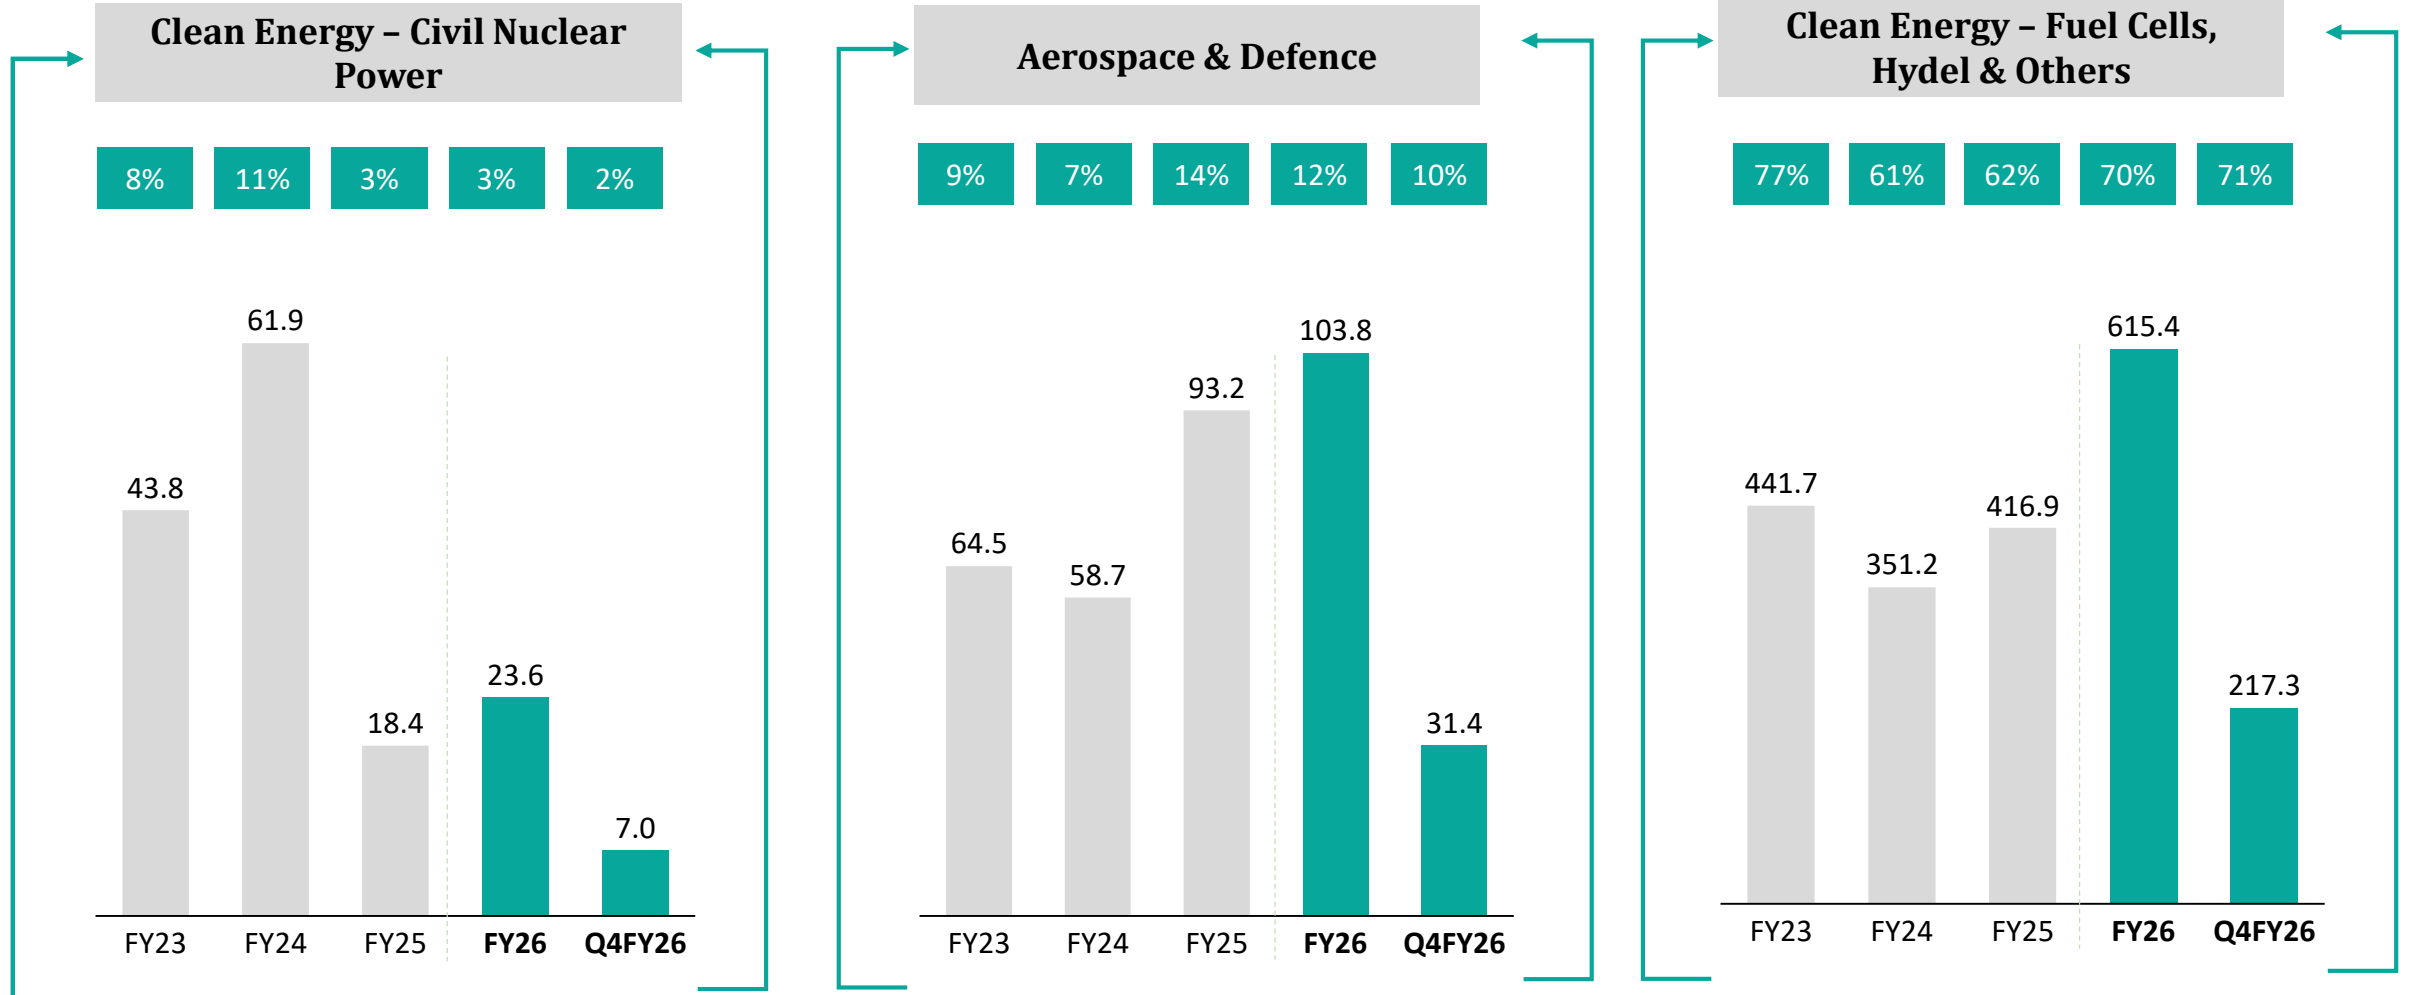

- The company is in the process of setting up a greenfield facility in Oil & Gas to cater to the requirements of Weatherford and other customers in Oil & Gas
- The facility is expected to be commissioned by September' 26
