SAFE HARBOR STATEMENT

This presentation and the accompanying slides (the "Presentation"), which have been prepared by VA TECH WABAG LIMITED (the "Company"), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

This presentation contains certain forward-looking statements concerning the Company's future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, competition (both domestic and international), economic growth in India and abroad, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, our ability to manage our international operations, government policies and actions, regulations, interest and other fiscal costs generally prevailing in the economy. The company does not undertake to make any announcement in case any of these forward-looking statements become materially incorrect in future or update any forward-looking statements made from time to time by or on behalf of the company.

23 ORDER BOOK ANALYSIS

MANAGEMENT COMMENT

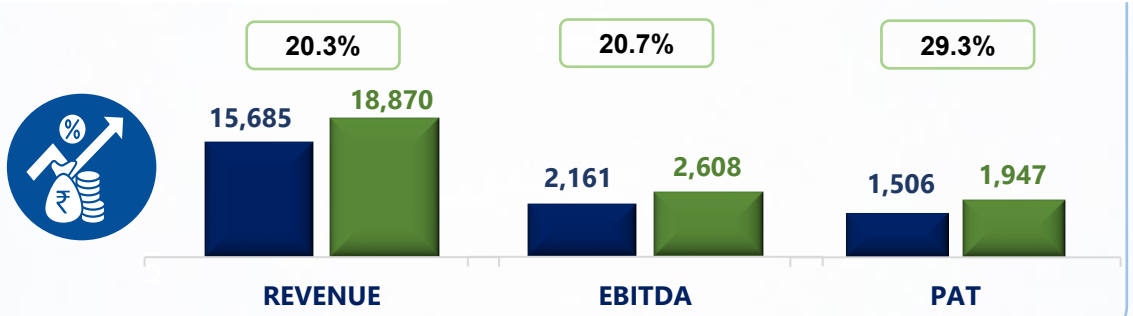

Rajiv Mittal

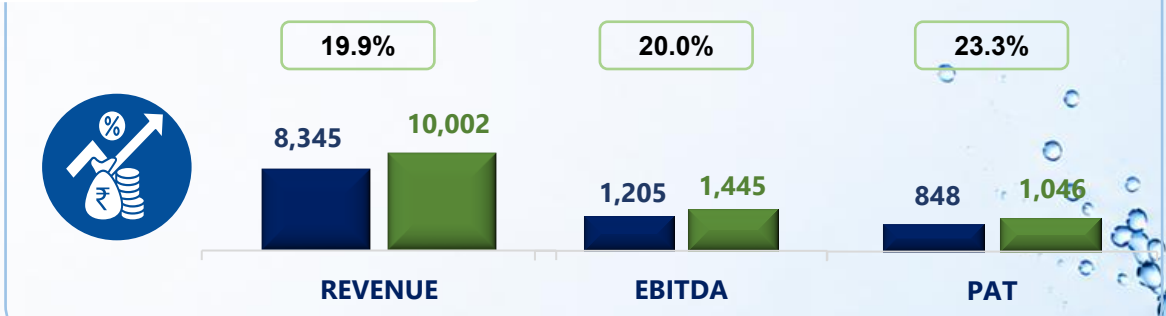

Chairman & Managing Director

"Crossing Rs. 20,000 crores in order book for the first time ever is a defining milestone for WABAG, achieved alongside robust top-line growth and strong profit momentum. In H1 this year, we secured two landmark "Mega" orders, a "Mega" SWRO project that marks our entry into Kuwait, and a "Mega" deal with RIL for one of the largest desalination plants in India at Jamnagar. Together with our entry into the UAE through Ajman, expansion in Europe with Donauinsel Water Works, and key municipal orders from BWSSB and DJB, these wins showcase the trust our clients place in us for their most complex, technology-intensive projects, which will continue to be our focus area.

Strong margins and better working capital management also helped us deliver our 15th back-to-back quarter of positive net cash, which crossed Rs. 1,100 crores excluding HAM, another major milestone for WABAG. With Order Book at more than four times of our annual revenue and a healthy bid pipeline, we are well positioned for the years ahead. Rising water security needs and the push on treated water reuse & desalination both for municipal and industrial sectors, are strong tailwinds for the sector. We will stay selective, focusing on securing more "Large" and "Mega", technology-led projects, and deliver growth and margins in line with our strategic targets"

PERFORMANCE HIGHLIGHTS

- Strong Order Book of ~**INR 202 Bn → Robust Revenue Visibility; Order Intake of ~ INR 52 Bn** in H1 FY27
- Secured multiple orders from **RIL:**
  - **'Mega' order** for Desalination and Remineralisation plants
  - Repeat **'Medium' order** for ETP at DAGEGC, Jamnagar
- Debuted in Kuwait with the official signing and commencement of contract for the **'Mega' 60 MIGD (~ 272 MLD) SWRO order from MEWRE**
- Announced **'Large' order for the expansion of the Donauinsel Water Works** in Vienna, Austria
- **Net Cash positive for the 7th year running (15th consecutive quarter),** reflecting the quality of order book and cash management

ALIGNMENT TO UN SDGs & ESG COMMITMENTS

WABAG
sustainable solutions. for a better life.

Our Path to Net Zero
Reducing GHG emissions through our sustainable solutions

Water Positive
Effective technology for recycled water production

Waste to Energy
Generating green energy for 25 years

Resource Recovery
Generating valuable Resources from waste

Circular Economy
Contributing to Circular Economy

Environment
- **Achieve a 20% reduction of emissions under direct control (scope 1 & scope 2) by 2035** through an increase share of renewable energy
- Increase **water positivity by 50%** by 2030

Social
- To achieve **Zero Lost Time Injury Frequency Rate (LTIFR)**
- **Increase gender diversity** among employees through 12% female employee mix by 2030

Governance
- Consistently enhance the **governance practices**
- **Independent Board** consist of only 2 Executive Directors out of 6 Directors

LANDMARK PROJECTS

191 MLD SWRO (Desalination) Plant,
Al Gubrah, Oman

One of Oman's largest desalination plants

110 MLD SWRO (Desalination) Plant,
Nemmeli, Chennai, India

India's first municipal desalination plant built on a DBO basis to supply drinking water

40 MLD Al Madina Al Shamaliya STP,
Bahrain

Awarded Wastewater Project of the Year at Global Water Awards, 2019

54 MLD Effluent Treatment & Recycling plant for Indian Oil Corporation Limited,
Paradip, Odisha

India's largest industrial water recycling plant

140 MLD Sewage Treatment Plant,
Dinapur, Varanasi, India

First and largest STP to be inaugurated under 'Clean Ganga' mission

32 MLD Drinking Water Treatment Plant,
Dambulla, Sri Lanka

Integrated water supply scheme with transmission, distribution and water treatment

Namami Gange HAM Project with KMDA
Kolkata, India

HAM wastewater project to reduce untreated sewage discharge into the Ganga River

102 MLD Industrial Effluent Treatment Plant for
PETRONAS, Malaysia

Largest industrial Effluent Treatment Plant in Southeast Asia

LANDMARK PROJECTS

40 MLD Madinaty Wastewater Treatment Plant,
Cairo, Egypt

Water reclamation plant for new satellite city near Cairo

130 MLD Drinking Water Treatment Plant,
Tanzania

First water project in Africa to be commissioned under EXIM India funding

272 MLD SWRO Project
Kuwait

Partnership with HEISCO for advanced desalination plant to produce high-quality potable water

Total City Water Management
Istanbul, Turkey

Managed 124 units catering to 16 Mn population in Asian & European districts of Istanbul

14 Sarneraatal WWTP,
Alpnach, Switzerland

First plant in Switzerland to be commissioned with NEREDA® technology

Koyambedu, Kodungaiyur and GNN TTRO Projects
Chennai and Ghaziabad, India

Prominent energy-efficient water reuse projects across locations in India to ensure water security

120 MLD Jubail WWTP
Saudi Arabia

Enhancement of hydraulic and biological treatment capacity for advanced sludge handling for irrigation and landscaping

300 MLD Jeddah Airport 2 WWTP
Saudi Arabia

Built using state-of-the-art NEREDA® technology, deployed for the first time in the region

ROBUST GOVERNANCE STRUCTURE

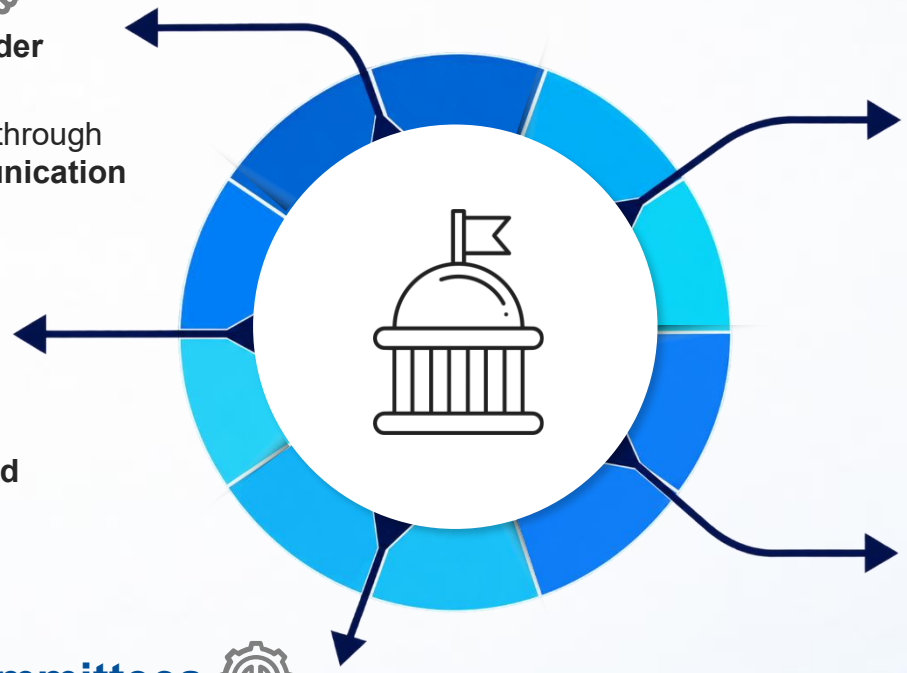

WABAG
sustainable solutions. for a better life.

SHAREHOLDERS

- Long-term **shareholder value creation**
- Strong engagement through **transparent communication**

BOARD

- **Balanced, Independent and Diversified Board**
- **Experienced and vibrant Board of Directors** with requisite skills and expertise

MANAGEMENT

- Professional Management with **average 30 years of relevant experience**
- Promoter among **top 20 Transformative Leaders, top 3 Global Water Leaders and Global Asian of the year 2021-22**

EMPLOYEES & STAKEHOLDERS

- Promoting **Healthy and Safe Work Practices**
- **Empowering employees; Shared ownership** through ESOPs

Committees

- All seven **committees are chaired by Independent Directors**
- Committees entrusted with **effective governance, risk monitoring, strategy planning & ethical practices**

FOR THE FUTURE

PV Solar, Semi-Conductor, Data Centers & Green H_2

- Well positioned as a complete water solution provider from Raw Water Treatment – UPW – ETP/ZLD with long term O&M
- Actively pursuing opportunities with leading Solar and Green H_2 players in India
- Secured mega desalination order from PV Solar Sector & a break-through order to deliver UPW, ETP & ZLD solutions for a Solar Cell Manufacturing Facility

Biogas to CBG

- Strategic tie up with 'Peak Sustainability Ventures' to establish 100 CBG plants
- Collaborated with one of the leading technology provider for Bio-CNG Projects
- Actively engaging with clients and participating in tenders
- Bio-Gas Upgradation order for CBG production on BOT Model from one of the esteemed clients in India; mobilization activities have commenced

Digitalization

- Koyambedu TTRO Plant is powered with operational intelligence platform (AI)
- Piloting a AI/ML based NRW reduction solution in GNN TTRO
- Piloted a AI based Operations & Decision Support System in AMAS Plant in Bahrain
- Exploring opportunities and technologies to digitalize our other plants and networks in India and Middle East

Blue Seed

- Initiative to foster innovation & support emerging start-ups in Water Sector
- First BLUE SEED investment committed to Bengaluru-based Nimble Vision, an indigenous IoT water-infrastructure solutions provider
- Shortlisted and exploring pilot investment opportunities in few other start-ups
