MANAGEMENT COMMENTARY

"We have begun FY27 on a strong note, with revenue up 22.7%, EBITDA up 69.3% and PAT up 63.9% year-on-year, and healthy margin expansion of 277 basis points in EBITDA margin and 150 basis points in PAT margin. The quarter reflects the underlying strength of our export business, built over three decades of serving customers across Europe and the Gulf. With our new domestic manufacturing facility in Mumbai now operational, our focus on the lab-grown diamond segment and our planned entry into B2C retail, we are well positioned to diversify our revenue base and create sustainable long-term value for all stakeholders."

— Mr. Kantikumar Dadha, Chairman & Whole-time Director, Golkunda Diamonds & Jewellery Ltd.

ABOUT COMPANY

Incorporated in 1990 and listed on BSE Limited (Scrip Code: 523676) since 1992, Golkunda Diamonds & Jewellery Limited is engaged in the manufacture and export of diamond-studded gold and fine jewellery, with long-standing relationships with leading retail chains across Europe and the Middle East. The Company's product range spans diamond, gold, gemstone, jadau and lab-grown diamond jewellery. With the commencement of operations in August 2026, Golkunda has extended its manufacturing and supply operations to the Indian domestic market from a 5,360 sq. ft. facility in Andheri East, Mumbai, with an installed capacity of approximately 125-150 kg of jewellery per annum, serving leading retail chains and organised jewellery retailers across major cities.
