2. This Statement, which is the responsibility of the Company's Management and has been approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with relevant rules issued thereunder ('Ind AS 34') and other recognized accounting principles generally accepted in India and is in compliance with the Regulations. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other recognized accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

NOTES:

1) The Standalone and Consolidated financial results for the quarter ended June 30, 2026 were recommended by Audit Committee at its meeting held on July 30, 2026 and approved by the Board of Directors at its meeting held on July 31, 2026 which was subject to limited review by Statutory Auditors. These financial results are prepared in accordance with the recognition and measurement principles laid down under Indian Accounting Standard (Ind AS) 34 on 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules thereunder and in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended.

2) The Consolidated financial results includes the financial results of the Company, its Subsidiaries (together "the Group") and its Associates and Joint Venture.

3) The Standalone and Consolidated financial results for the quarter ended March 31, 2026 is the balancing figure between audited figures in respect of the full financial year ended March 31, 2026 and the unaudited published year-to-date figures up to the third quarter ended December 31, 2025 which was subjected to limited review.

4) During the quarter ended June 30, 2026, the Company allotted 4,98,557 equity shares (3,61,659 equity shares for the quarter ended March 31, 2026 and 8,25,352 Equity shares for the year ended March 31, 2026) to its employees consequent to the exercise of options granted under the Company's Employees Stock Option Scheme. The total outstanding Employee Stock Options as at June 30, 2026 are 65,72,887 (62,38,752 as at March 31, 2026 and 65,49,615 as at June 30, 2025).

5) On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company assessed and disclosed the incremental impact of these changes based on the best available information, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and the regulatory-driven, non-recurring nature of this impact, the Company presented the incremental impact on gratuity expense as "Statutory impact of new Labour Codes" under "Exceptional items" in the standalone and consolidated financial results for the year ended March 31, 2026 amounting to Rs. 303.36 million. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and will provide appropriate accounting effect based on such developments as needed.

6) Based on the "Management Approach" as defined under Ind AS 108 Operating Segments, the Company's performance is evaluated and resources are allocated based on an analysis of various performance indicators by a single business segment i.e. 'Software Product License & related services'.

7) Figures of the earlier periods / year, have been regrouped to conform with those of the current periods, wherever necessary.
