(Hybrid Mode)

This is an application to extend the time granted for curing the defects.

The facts giving rise to present IA (re-filing) are that the Appellant e-filed the Memo of Appeal on 24.11.2024. The Office after scrutiny of the Memo of Appeal on 06.12.2024, intimated the defects to the Appellant on the same day. The Appellant re-filed the Appeal on 04.09.2026. It is stated in the IA that the Appellant due to medical reasons could not resolve the query in the allotted time. Since the Applicant is in Mumbai he authorized a clerk in Delhi to resolve the queries, but the said Clark was also hospitalized and undergone medical treatment for over 3 to 4 months. There was also a technical issue which finally on approaching the registrar NCLAT, was resolved and immediately the affidavit of delay in resolving queries has been filed after the corrected copies could be uploaded. Hence, there is delay of 637 days in refiling the Memo of Appeal, so the same may be condoned.

None appeared on behalf of the Appellant. Perused the averments made in the IA as well as Office report.

The Appellant was required to re-file the Memo of Appeal within seven days from the date of intimation of the defects. However, the Appellant re-filed the Memo of Appeal with a delay of 630 days, hence, the case be placed before the Hon'ble Bench with defect for appropriate orders.

List the case before the Hon'ble Bench under the heading 'for admission with defect (fresh case)'.
