Subject: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Partnership agreement with Splunk, part of Cisco Systems, Inc.

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that Praruh Technologies Limited has entered into partnership with Splunk, part of Cisco Systems, Inc.

Splunk is an American company, it was founded in 2003 in San Francisco, California, USA, and is now part of Cisco Systems, Inc. It specialises in **Cybersecurity, Data Analytics, and Observability**, helping organisations understand and monitor what is happening across their IT environments. Its **AI-powered platform** analyses data from applications, networks, endpoints, and cloud systems to provide real-time insights into security and performance. Splunk helps security teams detect and investigate threats, while IT operations and engineering teams use its solutions to troubleshoot issues, improve service reliability, and reduce downtime. By bringing security and operational visibility together, Splunk enables businesses to make informed decisions, respond quickly to disruptions, and keep their digital services running smoothly.

The arrangement is entered into in the ordinary course of business and on an arm's length basis. There is no promoter/promoter group interest in Splunk in relation to this arrangement.

Kindly take the above information on record.
