Subject: Clarification on movement in Price of the Company

Dear Sir/Madam,

With reference to your email/letter seeking clarification on the recent movement in the price of the Company's equity shares, we wish to submit that the Company is in compliance with all applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and has been promptly disseminating all material information and events to the stock exchanges as and when required.

The Company would like to clarify that there is no unpublished price sensitive information, material event, or any information requiring disclosure under Regulation 30 of the SEBI (LODR) Regulations, 2015, which has not already been disclosed to the stock exchange and which, in our opinion, may have a bearing on the movement in the price or volume of the Company's shares.

The movement in the share price appears to be purely market-driven and may be attributable to prevailing market conditions, investor sentiment, and trading activities in the secondary market. As evident from the trading data, the trading volumes during the period under review have remained relatively low, and the Company has no control over market-driven price fluctuations.

The Company reiterates its commitment to maintaining the highest standards of corporate governance and compliance and assures the Exchange that it shall continue to promptly disclose any material information as required under applicable laws and regulations.

We trust the above adequately clarifies the matter.

Request you to take the same on record.

Thanking you,

For **Supreme Infrastructure India Limited**
