Management Comment:

Commenting on the performance, **Mr. Ketan Patel, Chairman & Managing Director of Creative Newtech Limited** said:

"The Company's performance of FY26 reflects the strong progress we have made in strengthening Creative Newtech's position across emerging technology segments while continuing to build a more scalable, future-ready, and value-driven business. Despite a dynamic and evolving market environment, we remained focused on disciplined execution, operational efficiency, technology expansion, and strengthening our presence across high-growth opportunities.

For Q4 FY26, our consolidated total income stood at Rs. 740.44 cr., reflecting a strong growth of 81.16% YoY compared to Rs. 408.72 cr. in the corresponding quarter last year. EBITDA for the quarter increased by 52.15% YoY to Rs. 29.39 cr., while PAT stood at Rs. 17.79 cr., registering a growth of 29.57% YoY. The quarter witnessed healthy business momentum driven by strong execution, growing enterprise participation, and continued traction across strategic technology verticals.

For the full year FY26, consolidated total income stood at Rs. 2,717.51 cr. as against Rs. 1,801.47 cr. in FY25, reflecting a robust growth of 50.85% YoY. EBITDA increased by 41.73% YoY to Rs. 104.00 cr., while PAT grew by 32.35% YoY to Rs. 70.29 cr. These results demonstrate the strength of our evolving business model, improving scale, and our ability to capitalize on emerging market opportunities while maintaining operational discipline.

During the year, we continued to strengthen our strategic focus on Surveillance, IoT, AI-enabled technologies, cybersecurity, drones, enterprise networking, and intelligent infrastructure solutions. We also expanded our ecosystem through new strategic partnerships and key Government orders, further reinforcing our positioning across enterprise technology, public safety, and infrastructure-led opportunities.

As digital transformation accelerates across industries and government ecosystems, we believe the demand for intelligent infrastructure, AI-driven solutions, connected devices, surveillance technologies, and secure enterprise networks will continue to grow significantly. Our increasing participation across these segments positions us strongly to benefit from the next phase of technology-led growth.

Looking ahead, our focus remains on strengthening technology partnerships, expanding market reach, improving operational efficiencies, and building scalable capabilities across next-generation technology verticals. With a diversified portfolio, deep market relationships, and continued investments in strategic growth areas, we remain confident in our long-term growth outlook and committed to creating sustainable value for all stakeholders."

Company Overview

Established in 1992, Creative Newtech Ltd (formerly known as Creative Peripherals and Distribution Ltd) is a well-established company in India's Information and Communication Technology distribution market. Through a robust network of partners and distribution channels, the Company has made a strong foothold in the IT distribution market in the country. The Company has an omni-channel network across all three channels of online, offline and retail trade.

Creative Newtech specializes in market entry and penetration for global brands. The Company offers demographic intelligence, and enables the formulation and execution of marketing strategies for its clients. In addition to such services, Creative continues to focus on timely delivery, diversification of its product portfolio, sustained long-term relationships with its channel partners, and extending value-added services over and above distribution.

These efforts have enabled the Company to win long running contracts as well as garner accolades in the industry as amongst the best distributors in India by leading brands. Creative is associated with over 20 renowned brands globally. These brands encompass a wide range of applications and help the Company to cater to a broad array of customers, both in the consumer and industrial businesses. Moreover, the Company is well-positioned to leverage the changing trends in the technology industry and be a part of the paradigm shift towards digitization in India.

Creative has a unique value-added business model. They provide end-to-end solutions, from market research and competition analysis for brands, to import, distribution, sales and servicing for the brand. Additionally, the Company suggests and executes marketing strategies and recommends viability in specific regions across India for their clients. This is enabled by specialized skill sets, local insights and experience, along with relevant market intelligence. Creative also prepares strategic plans for market entry for foreign brands and their target category.

Furthermore, the Company conducts pre-sales and marketing activities for the success of the brand as well as to enable the channel partners to leverage their expertise and bottom line. Creative works closely with partners across channels including Large Format Retail (LFR), e-commerce and specialized retailers. The Company is one of the few large distributors who conduct specialized training modules, events and promotional activities at the ground level with channel partners. They also conduct workshops and demos for resellers. This is possible due to the dedication and experience of the corporate and sales teams which constantly track latest market developments to build a closer market connect.

The Company's wide reach and superior logistics capabilities helps it provide end-to-end services including warranty and post-warranty, high-level repair services, and response centers, among others. Such expertise and superior quality of service has led to increased confidence of brands, many of which have chosen Creative as exclusive partners and have been with the Company since over five years. The Company focuses on higher operational efficiencies and adding higher-margin and value-added products to its existing product portfolio and such brand associations are a concrete step in that direction.
