## **Sub.: Completion of ANVISA Inspection conducted by the Brazilian Health Regulatory Agency at the Limbasi API Manufacturing Facility**

Dear Sir/Madam,

We are pleased to announce the successful completion of an ANVISA inspection conducted by the Brazilian Health Regulatory Agency at our API manufacturing facility in Limbasi. The inspection took place from June 8 to June 12, 2026, and was concluded successfully.

The successful completion of the ANVISA inspection marks a significant milestone in Concord Biotech's global growth journey. This achievement reinforces our commitment to the highest standards of quality and regulatory excellence while strengthening our global manufacturing and regulatory footprint. It also advances our international expansion strategy by enhancing access to one of the world's largest pharmaceutical markets and broadening the reach of our high-quality APIs across key global geographies.

This is for your information and records.
