Independent Auditor's Review Report with Qualified Conclusion

To the Board of Directors of Platinum Industries Limited

Report on the Review of Unaudited Consolidated Financial Results

Introduction

We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Platinum Industries Limited ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the quarter and half-year ended September 30, 2026 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Management's Responsibility for the Statement

This Statement, which is the responsibility of the Parent's Management and has been approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India.

Auditor's Responsibility

Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular No. CIR/CFD/CMD1/44/2019 issued by the SEBI under Regulation 33 (8) of the Listing Regulations, as amended, to the extent applicable.

Basis for Qualified Conclusion

As stated in Note 4 to the Statement and as reported in M/s. Platinum Polymers and Additives (partnership firm) Limited Review Report by its auditors, the partnership firm had a fire incident that occurred on July 07, 2025 at its factory premises in Palghar resulting in damage to certain property, plant & equipment and inventories. The partnership firm has recognised insurance claim receivable of Rs.98.19 million towards the estimated loss. As at September 30, 2026, the insurance survey and

related procedures are in progress. We believe that the claim receivable should have been recognised only upon acknowledgement of liability by the insurers. In the absence of confirmation from insurer regarding the said receivable, we are unable to determine whether any adjustments are required to the carrying amount of insurance claim receivable recognised.

Accordingly, our conclusion is qualified in respect of this matter.

Qualified Conclusion

Based on our review conducted as stated above, except for the possible effects of the matter described in "Basis for Qualified Conclusion" above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other Matters

The Statement includes the results of the following subsidiary entities:

a) Platinum Global Additives Private Limited
b) Platinum Oleo Chemicals Private Limited
c) M/s. Platinum Polymers & Additives (Partnership firm)
d) Platinum Stabilizers Egypt LLC

Report on the Review of Unaudited Standalone Financial Results

Introduction

We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **Platinum Industries Limited** ("the Company") for the quarter and half-year ended September 30, 2026 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Management's Responsibility for the Statement

This Statement, which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India.

Auditor's Responsibility

Our responsibility is to express a conclusion on the Statement based on our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity," issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

As stated in Note 4 to the Statement, M/s. Platinum Polymers and Additives (partnership firm), one of the subsidiaries of the Company, had a fire incident that occurred on July 07, 2025 at its factory premises in Palghar resulting in damage to certain property, plant & equipment and inventories. The partnership firm has recognized insurance claim receivable of Rs.98.19 million towards the estimated loss. As at September 30, 2026, as the insurance survey and related procedures are still in progress, we are unable to determine whether any adjustments are required to the gross carrying amount of investment in subsidiary of Rs.100.00 million (as the subsidiary's net asset position post-fire affects its repayment ability) and the consequential impact, if any, on the accompanying standalone financial results. Accordingly, our conclusion is qualified in respect of this matter.

Qualified Conclusion

Based on our review conducted as stated above, except for the possible effects of the matter described in "Basis for Qualified Conclusion" above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
