Press release

SKF India Reports 20.1% YoY Revenue Growth in Q2

Pune, 3rd November 2026: SKF India Limited (NSE: SKFINDIA | BSE: 500472), a leading technology and engineering bearing solutions provider for the automotive industry, today announced its financial results for the second quarter ended **September 30, 2026 (Q2 FY 2026-27).** The announcement aligns with the launch of a new brand identity, SKF Vertevo, marking an important milestone in its evolution as a focused, stand-alone automotive business.

For the quarter, the Company reported **Revenue from Operations** of **INR 5958 Million**, **EBITDA** of **INR 865 Million**, and **Profit Before Tax (PBT)** of **INR 698 Million.** Growth was driven by broad-based demand across key automotive segments, including two and three-wheelers, passenger vehicles and exports. The performance was further aided by sustained momentum in the Indian automotive sector, where customers are seeking higher efficiency, reliability and performance.

Financial Highlights (Q2 FY 2026-27), Standalone

Figures in Million INR

Particulars	Quarterly Result			Half-Yearly Result		
	Q2FY27	Q2FY26	YoY %	H1FY27	H1FY26	YoY %
Revenue from Operations	**5,958**	**4,959**	+20.1%	**11,836**	**9,584**	+23.5%
EBITDA	865	643	+34.5%	1,869	1,431	+30.7%
EBITDA %	**14.5%**	**13.0%**	**+155 bps**	**15.8%**	**14.9%**	**+86 bps**
Profit before Tax	698	394	+77.2%	1,536	1,026	+49.8%
PBT Margin %	**11.7%**	**7.9%**	**+377 bps**	**13.0%**	**10.7%**	**+228 bps**

The quarterly performance comes at a significant point, as on **3rd November 2026** the SKF Vertevo brand is officially launched across the organization and to our customers and stakeholders worldwide. The SKF Vertevo brand is inspired by the world of racing, where the company has contributed to automotive innovation for decades. The identity is designed to keep a connection to the long SKF heritage and expertise, while signalling its ambition to help accelerate the future of mobility.

Speaking on the Company's performance and the brand launch, **Shailesh Kumar Sharma, Managing Director of SKF India Limited**, said, *" We delivered strong revenue growth of 20.1% year-on-year in Q2, reflecting healthy demand across key automotive segments and the strength of our customer-focused strategy. The launch of SKF Vertevo marks an important new chapter for our business, building on our strong engineering heritage while sharpening our focus on the future of mobility. As a focused automotive business, we will continue to strengthen customer partnerships, accelerate innovation and drive sustainable growth.*"

Mayank Holani, Chief Financial Officer of SKF India Limited, said, *"We continue to maintain a disciplined approach to financial performance. Our priorities remain clear: improving operational efficiency, managing costs effectively and maintaining a strong financial foundation to support profitable growth."*

About SKF

Since 1907, SKF has been making some of the world's most innovative bearings, seals, lubrication systems, condition monitoring solutions, and services to reduce friction. Less friction means more energy saved and by reducing it, we make industry smarter, more competitive, and more energy efficient, building a more sustainable future where we can all do more with less. SKF is represented in approximately 130 countries and has around 17,000 distributor locations worldwide. Annual sales in 2025 were SEK 91,583 million and the number of employees was 37,271. www.skf.com.
