Dear Sir,

Sub:- Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations)

Commissioning of a new specialty production line with a gross capacity of 20,000 MTPA at its Mundra Plant in Gujarat.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform that the Company has successfully commissioned a new specialty production line with a gross capacity of 20,000 MTPA at its Mundra plant in Gujarat.

This state-of-the-art line is designed to cater to high-growth, value-added application segments such as high-speed printing, digital printing and ultraviolet (UV) printing. The addition meaningfully strengthens the Company’s specialty portfolio and enhances its capability to address evolving customer requirements in advanced printing solutions.

Post this expansion, the Company’s total specialty production capacity stands at 132 KT per annum. This milestone is aligned with the Company’s strategic focus on increasing its share of value-added products, improving margin profile, and driving sustainable long-term growth.

The line has been commissioned successfully and is expected to ramp up progressively over the coming months.

Disclosure required under Regulation 30 along with SEBI Master Circular is enclosed as ‘Annexure 1’.

The above is for your information and record.

Yours faithfully,
For **PCBL CHEMICAL LIMITED**

K. Mukherjee
Company Secretary & Chief Legal Officer
