(Listing Obligations and Disclosure Requirements) Regulations, 2015
("Listing Regulation")

Dear Sir/Madam,

Pursuant to Regulation 30 of the Listing Regulations, we wish to inform you that Metro Brands Limited (the "**Company**") has identified a cybersecurity incident involving unauthorised activity within its IT infrastructure, including its Active Directory environment.

The incident was identified through security monitoring. Subsequent investigations indicated unauthorised privileged activity, suspected credential-access attempts and malicious communications involving multiple systems.

The Company promptly initiated containment and remediation measures in coordination with its cybersecurity partners. Specialised cybersecurity investigators are being engaged to assess the nature and extent of the incident, establish its root cause and recommend further corrective and preventive measures.

Based on the preliminary assessment, no material financial loss has been identified to date. The full extent of the incident, including any potential data exposure and operational or financial impact, remains under investigation.

The Company has notified CERT-In and is taking appropriate measures to safeguard its systems and business operations. Further updates will be provided as required under applicable regulations.

The above information is also being made available on the Company's website. Request you to take the above information on record.

Yours faithfully,

For Metro Brands Limited
