Mumbai, November 05, 2026: Patel Engineering Limited (NSE: PATELENG; BSE: 531120), a leading infrastructure and construction services company in India, today announced its unaudited financial results for the quarter and half year ended 30 September 2026. The Company delivered a steady performance during the quarter, supported by disciplined project execution, operational efficiencies and an order book that continues to provide revenue visibility across key infrastructure sectors.

H1 FY27 Consolidated Financial Performance

- Revenue from Operations stood at **₹2,491 crore**, as against **₹2,442 crore in H1 FY26,** registering a growth of **2.03%.**
- Operating **EBITDA stood at ₹330 crore**, with an **EBITDA margin of 13.24%.**
- **Net Profit** (attributable to Owners of the Parent) **stood at ₹177 crore**, as against **₹152 crore in H1 FY26**, registering a growth of **15.94%.**
- Net Profit Margin stood at **7.09%.**

Q2 FY27 Consolidated Financial Performance Snapshot

- Revenue from Operations stood at **₹1,211 crore** in Q2 FY27**.**
- Operating EBITDA stood at **₹150 crore**, with an **EBITDA margin of 12.42%**.
- Net Profit stood at **₹83 crore**, registering a growth of **7.64% over Q2 FY26.**
- Net Profit Margin stood at **6.88%.**

Commenting on the Results, Ms. Kavita Shirvaikar, Managing Director, Patel Engineering Limited, said:

"Our performance in the second quarter of FY27 reflects our continued focus on execution excellence, disciplined project management and operational efficiency. We have maintained progress across our project portfolio while remaining focused on financial discipline and the timely delivery of our projects.

Our diversified order book provides a strong foundation for sustained business growth and positions us to capitalise on emerging opportunities across hydropower, tunnelling, irrigation, transportation and urban infrastructure. As India continues to strengthen its infrastructure

capabilities, we remain committed to leveraging our technical expertise, executing complex infrastructure projects and creating long-term value for our stakeholders."

About Patel Engineering Limited

Patel Engineering Limited (PEL or the Company) is a 77-year-old company established in 1949 and has evolved into one of India's leading infrastructure and construction companies, specialising in hydropower and irrigation projects. The Company is engaged in the construction of dams, bridges, tunnels, roads, piling works, industrial structures and other heavy civil engineering projects. Over the decades, PEL has executed several complex infrastructure projects across technology-intensive sectors, including hydropower, irrigation and water supply, urban infrastructure and transportation, with particular expertise in tunnelling and underground works for hydroelectric and transportation projects.
