MANAGEMENT DISCUSSION & ANALYSIS REPORT

1. Overview of the Company

Iconik Sports and Events Limited (formerly known as ID Info Business Services Limited), having its registered office in Mumbai, is a multifaceted sports and events management company. Iconik Sports and Events Limited ("Iconik" or "the Company") offers a comprehensive range of services spanning sports infrastructure development, league management, commercial sports ventures, and digital innovation. There has been no change in the objects of the Company during the year under review.

(a) Industry Structure and Developments

India's sports management industry is rapidly evolving, driven by digital adoption, analytics, and growing interest in diverse sports beyond cricket. The market is set to grow exponentially, fuelled by technology innovations such as AI, wearables, and fan-engagement tools. New leagues, fantasy sports, and esports are expanding monetisation avenues, while governance reforms aim to bring greater transparency to sports administration. Companies focused on grassroots development, athlete analytics, and event management are witnessing strong growth, notwithstanding prevailing regulatory and infrastructure challenges.

(b) Opportunities and Threats

Opportunities for growth include expansion into emerging leagues (e.g., Padel, Tennis), offering data analytics and performance tools to teams, corporate sports events, digital fan-engagement platforms, and athlete branding services. Government initiatives such as Khelo India, together with rising private investment in the sector, create further room for scalable, technology-driven solutions. Key threats/risks include regulatory uncertainty, seasonal revenue fluctuations, ongoing governance reforms, and infrastructure gaps outside metro areas.

(c) Segment-wise or Product-wise Performance

Not Applicable, as the Company operates in a single business segment, being sports and events management.

(d) Outlook

Having successfully organised Seasons 2 and 3 of the World Padel League and Season 4 of the World Tennis League in the previous year, and with a proven track record in niche sports, the Company is well-positioned to leverage its operational expertise in more popular and commercially lucrative arenas such as cricket and tennis. In the current year, the Company is organising Season 4 of the World Padel League. As India's sports ecosystem diversifies and demand for organised leagues, athlete management, and fan engagement grows, the Company will scale by offering end-to-end event solutions, analytics, and sponsorship management. Strategic expansion across multi-sport formats and deeper engagement with corporate and grassroots events are expected to further strengthen the Company's market presence and revenue potential.

ICONIK SPORTS AND EVENTS LIMITED

(e) Risks and Concerns

To mitigate these risks, the Company has implemented comprehensive risk management strategies focused on compliance, innovation, operational efficiency, and cost control.

(f) Internal Control Systems and their Adequacy

The Company believes that a robust internal control mechanism is a prerequisite to ensure that an organisation functions ethically, complies with all legal and regulatory requirements, and observes generally accepted principles of good corporate governance. Accordingly, the Company has established an internal control system comprising policies, guidelines, and procedures to ensure the orderly and efficient conduct of its financial and business operations, commensurate with the size and nature of its business.

ANNEXURE – A TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of ICONIK SPORTS AND EVENTS LIMITED (Formerly known as ID INFO BUSINESS SERVICES LIMITED) as of 31st March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

ICONIK SPORTS AND EVENTS LIMITED

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available to realize such assets. In other situations, deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realize these assets.

These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements.

ICONIK SPORTS AND EVENTS LIMITED

The estimated liability for product guarantee/warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise - being typically upto three years.
