FOR IMMEDIATE RELEASE

Paradeep Parivahan Limited Wins Prestigious LEAPS Award 2025 from DPIIT, Government of India; Strengthens Commitment to EV-Led Green Logistics

Bhubaneswar, India – 14 May 2026

Paradeep Parivahan Limited (PPL), a **BSE SME-listed** company (BSE Code/Symbol: 544383 / PPARIVAH) and a leading end to end logistic service provider, is proud to announce that the Company has been conferred with the prestigious **LEAPS Award 2025** (Logistics Excellence, Advancement and Performance Shield) by the Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India, under the **Multimodal Transport Operator (MTO)** category.

The award was presented on 13 May, 2026 at the official LEAPS Awards 2025 ceremony held at Vanijya Bhawan, New Delhi, by **Hon'ble Union Minister Shri Piyush Goyal** to company's Executive Director, **Mr. Abdul Basith Shaikh**.

LEAPS is DPIIT's flagship national initiative recognising organisations demonstrating operational excellence, innovation, multimodality, technology adoption and sustainability in logistics and supply chain management, aligned with the PM GatiShakti National Master Plan and National Logistics Policy.

The award followed a rigorous multi-stage evaluation process comprising detailed technical submissions, presentations before an Expert Committee constituted by DPIIT and final evaluation by a high-level Award Committee. Applicants were assessed on parameters including **technological innovation, ESG practices, multimodality, operational efficiency, safety standards and contribution towards logistics development.**

A total of 71 companies participated across categories, including several globally recognised logistics players such as FedEx, Maersk, Safexpress, DP World and Ocean Network Express.

Paradeep Parivahan Limited was shortlisted amongst leading **Multimodal Transport Operators** and invited for a dedicated presentation before the evaluation committee, reflecting the Company's growing operational capabilities and long-term strategic vision in the logistics sector.

The Company believes this recognition reinforces its commitment towards operational excellence, customer-centric execution, multimodal logistics development, sustainability and technology-driven growth while contributing towards India's mission of improving supply chain efficiency and reducing logistics costs.

Commenting on the achievement, **Dr. Khalid Khan, Founder** of Paradeep Parivahan Limited, said:

“Receiving the LEAPS Award 2025 from DPIIT, Government of India, is a moment of immense pride for the entire Paradeep Parivahan family. Being recognised on a national platform alongside some of the most respected logistics companies reflects the strength of our vision, operational capabilities and commitment towards excellence.

This recognition motivates us to continue building a future-ready integrated logistics platform focused on multimodal capabilities, efficient execution, sustainability and long-term value creation for all stakeholders. We remain committed towards contributing meaningfully to India's logistics transformation journey under the PM GatiShakti and National Logistics Policy initiatives.

We strongly support **Hon'ble Prime Minister Shri Narendra Modi's vision** of reducing dependence on fossil fuels and accelerating India's transition towards sustainable and green mobility solutions. **Increased adoption of electric vehicles** can play a significant role in reducing the country's oil import dependence, saving valuable foreign exchange reserves and creating a cleaner and more sustainable environment for future generations.

At Paradeep Parivahan Limited, sustainability is not just a commitment but an important part of our long-term growth strategy. The Company is already in the process of **deploying one of India's largest EV fleets for bulk logistics transportation** and will continue working towards

building efficient, technology-driven and environmentally responsible logistics solutions aligned with the nation's larger economic and sustainability goals.

LEAP Award, 2025 belongs to our entire team whose dedication and hard work made this possible.”
