Press Release

Essex Marine Limited Successfully Exports Premium Frozen Vannamei Shrimp Consignment Worth ₹3.85 Crore to Japan

Kolkata, India | 30 June 2026

Essex Marine Ltd (BSE SCRIP CODE: 544475): Essex Marine Limited is pleased to announce the successful export of **46 tons of premium Frozen Headless Vannamei Shrimp** to **Japan**, with the shipment valued at approximately **₹3.85 crore**. This milestone reinforces Essex Marine commitment to meet the highest international quality and food safety standards. Japan is globally recognized as one of the most discerning seafood markets, with one of the world's most rigorous import quality control systems. Japanese food import regulations require exporters to comply with stringent standards relating to product quality, food safety, traceability, hygiene, processing, packaging, and cold-chain management. Only products that satisfy these exacting requirements are permitted entry into the Japanese market.

This export further strengthens Essex Marine Limited's presence in premium international seafood markets and demonstrates the Company's capability to serve customers with products that meet the highest benchmarks of quality, consistency, and reliability.

With growing demand for premium Indian seafood across global markets, Essex Marine Limited continues to expand its export footprint while maintaining uncompromising standards of quality, sustainability, and customer satisfaction.

Disclaimer

This press release includes forward-looking statements. We have based these forward-looking statements on our current expectations and projections about future events. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially. Such factors include, but are not limited to, changes in local and global economic conditions, our ability to successfully implement our strategy, the market acceptance of and demand for our products, our growth and expansion, technological change and our exposure to market risks. By their nature, these expectations and projections are only estimates and could be materially different from actual results in the future.

About Essex Marine Ltd

Essex Marine Ltd, is a modern seafood processing and exporting company. We are an integrated player across the processed frozen fish and shrimp supply chain from raw fish and shrimp procurement, processing, and overseas distribution to our customers. We export frozen fish and shrimps from India under our brand name "Essex". We have over 16 years of history in fish and shrimp processing and selling of processed frozen fish and shrimp with varying degrees of value addition to our customers to China, Europe and Israel. We also operate a dry and cold store centrally located in Kolkata for storing of varieties of frozen food items.
