Shalibhadra Finance Deepens Geographic Presence with New Branch in Jamnagar, Gujarat

Mumbai, August 26th, 2026 – Shalibhadra Finance Limited (BSE: 511754, NSE: SAHLIBHFI), a retail focused NBFC committed to serving India's unbanked and underserved regions, is pleased to announce the opening of a new branch in the state of Gujarat – in Jamnagar.

This expansion strengthens Shalibhadra's footprint in Gujarat, where the company has long served the rural and semi-urban customer segments with specialized financing solutions. Jamnagar's strong dual economy of massive industrial hubs and agricultural wealth drives constant daily commuting needs. The area's steady local income and high daily commuting needs create an ideal market for the company's specialized, small-ticket rural loan offerings.

With this addition, the company now operates 62 branches across India (30 branches in Gujarat, 21 branches in Maharashtra, 10 branches in Madhya Pradesh and 1 branch in Rajasthan), further reinforcing its strategic presence in western India.

Company is of the opinion that small ticket asset backed retail finance in rural areas cannot be done without physical presence. Hence opening up new branches is necessary for future expansion and growth.
