Refined metal production, up 4% YoY

149 MT

Silver production, flat YoY

\$851 per MT

Lowest quarterly Zinc cost of production*

FINANCIAL PERFORMANCE

₹13,747 crore

Best-ever quarterly revenue from operations, up 77% YoY

₹8,074 crore

Highest ever quarterly EBITDA, up 109% YoY

₹5,469 crore

Record quarterly net profit, up 145% YoY

₹5,253 crore

Strong free cash flow pre growth CAPEX

Silver continues to deliver strong value, contributing c.46% towards overall profitability.

HZL 2.0

A record quarter and a stronger stride towards **HZL 2.0**

* Cost of production is excluding royalty and is the lowest since underground transition

WHEN CORROSION COSTS INDIA ₹14 LAKH CRORE A YEAR,

PREVENTION CAN NO
LONGER BE AN AFTERTHOUGHT.

India loses an estimated ₹14 lakh crore every year, or 4.3% of GDP, due to corrosion-induced damage to infrastructure and industrial assets.

– A Nomura report.

UNPROTECTED STEEL

Rust. Weakness. High Costs.

PROTECTED STEEL

Durability. Strength. Savings.

A SILENT DRAIN ON OUR GROWTH

From power and railways to ports, telecom, highways and buildings, corrosion weakens the very assets that power our progress—leading to higher maintenance costs, safety risks and loss of national productivity.

WHERE CORROSION HURTS THE MOST

Power
10.1%

Telecom
3.8%

BUILT TO LAST WITH ZINC GALVANIZATION

Zinc galvanization is one of the most proven and globally trusted ways to protect steel from rust and corrosion—delivering durability that lasts for decades.

STRONG PROTECTION

Prevents rust and corrosion, even in the harshest environments.

SACRIFICIAL SHIELD

Protects steel even if the coating is scratched or damaged.

LONGER LIFE. LOWER COST.

Reduces maintenance costs and delivers lower lifecycle costs.

PROPAGATING A CORROSION-FREE INDIA

Through the 'Zung Ke Khilaaf Zinc' campaign, Hindustan Zinc continues to drive awareness about the impact of corrosion and the importance of zinc protection for a stronger, safer and more sustainable India.

Hindustan Zinc Extends BIS Certification

Hindustan Zinc Limited has officially extended its Bureau of Indian Standards (BIS) license to cover Hindustan Zinc Die-Casting Alloy 5 (HZDA 5), joining HZDA 3 under BIS certification.

This certification confirms that HZDA 5 meets recognized standards for quality, safety, reliability, and performance, providing industrial customers with assurance regarding product consistency and dependable performance across applications in automotive, engineering, infrastructure, and other manufacturing sectors.

04

India's First 250 MT Electric Crane Commissioned at Debari Smelter

Hindustan Zinc has deployed India's first 250 MT electric crane at its Zinc Smelter Debari in Rajasthan, marking a key step towards low-carbon industrial operations.

The hybrid crane can operate on both diesel and electric power, helping reduce operational emissions while supporting heavy-duty lifting requirements.

This initiative strengthens Hindustan Zinc's broader decarbonisation roadmap.

Reinforcing our commitment to achieving **Net Zero** emissions by **2050 or sooner**.

INDUSTRY FIRST

PIONEERING GREEN HYDROGEN FOR UNDERGROUND MINING

Hindustan Zinc has signed a Memorandum of Understanding (MoU) with Advantek Associates LLP and Aero Eagle Automobiles Private Limited to explore the adoption of green hydrogen and alternative clean energy solutions across its operations.

Through this collaboration, Hindustan Zinc is set to pioneer the use of hydrogen fuel for underground mining applications, positioning itself to become the only company to deploy this technology in such environments.

The collaboration is part of Hindustan Zinc's larger strategy to build future-ready, low-carbon and technology-led mining operations, aligned with its commitment to become **Net Zero by 2050 or sooner.**

HINDUSTAN ZINC ASSIGNED 'STRONG' ESG RATING BY CRISIL ESG RATINGS

Hindustan Zinc has been assigned an independent ESG Score of 62 by CRISIL ESG Ratings, placing the company in the 'Strong' category.

THE SCALE OF TOMORROW'S AMBITIONS

DEMANDS **PARTNERSHIPS** THAT CAN BUILD THEM!

SANKALP

STRATEGIC CONSTRUCTION PARTNER MEET 2026

At Sankalp – Strategic Construction Partner Meet 2026, Hindustan Zinc brought together 15 of India's leading construction companies to align on the execution of the **HZL 2.0** growth vision.

From developing the world's largest single-location **1.0 MTPA zinc smelter**

Expanding mining and milling capacity

Building a 200 KTPA lead smelter with a 700 TPA silver refinery

Setting up a 1.0 MTPA fertilizer plant

Delivering world-class infrastructure through the highest standards of safety, quality and execution

06

As we build the next chapter of Hindustan Zinc's growth, **strong partnerships** will remain the foundation of creating long-term value for industry, communities, and the vision of a **Viksit Bharat**.
