1. We have reviewed the accompanying statement of unaudited standalone financial results of **iStreet Network Limited** ('the Company') for the quarter ended September 30, 2026 and the year to-date results for the period from April 01, 2026 to September 30, 2026 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Regulations').

2. This Statement, which is the responsibility of the Company's Management and has been approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder ('Ind AS 34') and other recognised accounting principles generally accepted in India and is in compliance with the Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis For Qualified Conclusion

Based on the information provided to us by the management of the Company, we give below the basis for qualified conclusion:

SMMP & COMPANY * CHARTERED ACCOUNTANTS * MUMBAI

S M M P & Company
Chartered Accountants

1. The Company has not recognised provision for expected credit losses in respect of certain long-outstanding trade receivables aggregating to Rs. 812.20 Lacs as at September 30, 2026, despite indications of uncertainty regarding their recoverability. In our view, the non-recognition of the requisite impairment allowance is not in line with the requirements of Indian Accounting Standard (Ind AS) 109, "Financial Instruments". The consequential impact of the same on Trade receivables, provisions and the profit for the quarter and half-year ended September 30, 2026 is currently unascertainable since the management of the Company has not determined the amount of such expected credit loss.

2. The Company has not made payment of certain statutory dues relating to Tax Deducted at source (TDS) and Good & Services Tax (GST) amounting to Rs. 2,315.79 Lacs as on the date of the financial results. The present impact of the same on the financial results for the quarter and six months ended September 30, 2026 is presently unascertainable.

Qualified Conclusion

Based on our review conducted as above, except for the effects/possible effects of our observation stated in "Basis for qualified conclusion" para (including non-quantification for the reasons stated herein) nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results are prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has no disclosed the information required to be disclosed in terms of regulation 33 of the listing regulations, 2015 the manner in which it is to be disclosed, or that it contain any material misstatement.
