### **Commencement of Manufacturing Operations at New Manufacturing Facility**

**Purple Wave Infocom Limited** (“the Company”), a company listed on the SME Platform of BSE Limited, is pleased to announce the successful commencement of manufacturing operations at its newly operational manufacturing facility situated at:

**Plot No. 394, Sector-7, IMT Manesar, District- Gurgaon, Haryana – 122051**

The inauguration and opening ceremony of the manufacturing unit of the Company was successfully conducted today, i.e. 15th May 2026, by the respected Directors and senior management in the presence of employees and team members of the Company. The occasion marked a significant milestone in the growth and expansion journey of the Company and was followed by a traditional hawan ceremony and bhandara organized at the premises to seek blessings for the successful commencement of operations.

The commencement of manufacturing activities marks a significant milestone in the Company’s growth and expansion journey and reflects the Company’s continued commitment towards strengthening its operational capabilities and expanding its business operations.

The Company has historically been engaged in the business of trading and distribution of its products and, as part of its long-term strategic vision and business expansion plans, has now expanded into manufacturing operations with the objective of creating a more integrated and scalable business model.

The Company believes that the commencement of manufacturing operations will support:

- strengthening of operational capabilities,
- improvement in production planning and process management,
- better coordination across operational activities,
- enhancement of quality supervision and operational monitoring,
- improved supply chain efficiency,
- creation of scalable operational infrastructure, and
- long-term sustainable business growth.

The Company had earlier approved taking the said manufacturing premises on rent pursuant to the approval of the Board of Directors in its meeting held on 24 December 2025, which was duly intimated to BSE Limited in compliance with applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The commencement of manufacturing activities represents an important strategic step towards building a stronger operational framework for the Company and reflects its focus on operational expansion, business integration and long-term value creation for stakeholders.

The Company remains committed towards strengthening its business presence, enhancing operational efficiencies and pursuing sustainable growth opportunities in the years ahead.
