Notes:

1 The Above Financial Results were reviewed by the audit committee of the board on 13-11-2026 and approved by the Board of Directors of the company at their meeting held on same date. The Statutory auditor have expressed on unmodified opinion. The review report has been filled with stock exchange and is available on the company's website. The Financial results have been prepared in accoradance with Ind As notified under the companies (Accounting Standards) Rule 2015.

2 Figures for the corresponding quarter ended i.e. 31st March 2026 in the previous year as reported in these financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year.

3 On 17 October 2025, the Company acquired control of Tandhan Polyplast Limited through a share swap. As the acquisition-date financial information of the subsidiary was provisional at the time of initial accounting, the Group measured the identifiable net assets acquired on a provisional basis and recognised goodwill of ₹3,105.45 lakh.

During the measurement period, the Group obtained the limited reviewed financial information of Tandhan Polyplast Limited as at 17 October 2025. This information provided additional evidence about the assets and liabilities existing at the date of acquisition and resulted in a revision to the provisional measurement of the identifiable net assets acquired. Accordingly, under paragraphs 45 to 49 of Ind AS 103, Business Combinations, the Group has reflected the adjustment retrospectively as at the acquisition date and restated the affected comparative consolidated financial information.

Following the reassessment required by paragraph 36 of Ind AS 103, the final acquisition-date measurement of identifiable net assets exceeded the consideration transferred by ₹1,366.56 lakh. Accordingly, the previously reported goodwill of ₹3,105.45 lakh has been eliminated, and the excess of ₹1,366.56 lakh has been recognised directly in equity as capital reserve under paragraph 36A of Ind AS 103. The effects on the comparative consolidated financial information are set out below.

4 "The Company acquired control of Tandhan Polyplast Limited with effect from 17th October 2025 in December 2025. The comparative consolidated financial results for the quarter and year-to-date period ended 30 September 2025 represent the standalone financial results of the Parent Company, as the subsidiary was acquired during the year ended 31 March 2026."

5 The Company has single business segment therefore in the context of Ind As 108, disclosure of segement information is not applicable.

6 Previous quarter figures have been regrouped /reclassified wherever necessary, to make them comparable.
