5 As in the past, the Holding Company has, inter alia, provided some of its immovable properties to its subsidiaries on leave and license, that is, these are licensed to entities within the Group. Therefore, in terms of the relevant provisions of Ind AS 40 - "Investment Property", such licensed immovable properties, to the extent so licensed, would not be regarded as investment properties from the perspective of the Group, these being in the nature of "Owner Occupied Property" ("OOP") in Consolidated Financial Statement ("CFS") of the Group. However, it is not practicable or possible to ascertain or find out the cost or deemed cost of such immovable licensed properties for presenting as OOP in CFS. In view of this, the Group has not separately presented the amount pertaining to such licensed immovable properties as OOP in CFS and has continued to disclose the same under "Investment Property" only.
