Dear Sir/s,

Sub: Intimation of resumption of operations of the Ferro Alloys Plant Furnaces**Ref: Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) (SEBI Listing Regulations)**

With reference to our earlier communication vide letter NAVA/SECTL/514/2025-26 dated March 30, 2026, regarding the temporary shutdown of the two Furnaces of the Ferro Alloys Plant (FAP) at the Company's Odisha Works for scheduled proactive maintenance, we wish to inform you that the planned critical maintenance activities have been successfully completed.

Further, as intimated in our earlier communication, the Company's 30 MW Captive Power Plant (CPP) at the Odisha Works had remained operational, during the shutdown period of the Ferro Alloy Furnaces and pursued merchant sale of power, sustaining the contribution, notwithstanding the furnace outage.

The Company will resume operations of both Furnaces with effect from **August 1, 2026 with captive power.**

This is for your information and record.

Thanking you.

For Nava Limited
