Fit & Proper

All shareholders must be assessed and remain 'fit and proper' at all times.

Prior SEBI Approval

Shareholders seeking to acquire beyond 5% require prior approval from SEBI.

51% Public Holding

At least 51% of shareholding must be held by the public at all times.

49% Trading-Member Cap

Aggregate holding of trading members & associates must not exceed 49%.

15% Foreign-Entity Cap

Foreign exchanges, depositories, banks or insurers may hold up to 15%.

Structural Safeguards

Limits protect neutrality, prevent concentration and safeguard market integrity.

Distribution

- Bank-sponsored broking entities now permitted
- Banks can act as Professional Clearing Members
- Member-level fungibility eases client onboarding

Participation

- Mutual funds can access ETCDs via hybrid schemes
- Portfolio Managers permitted in commodity derivatives
- FPIs cleared to trade; DMA facility extended

Indices & Options

- Commodity index options trading enabled
- New products across bullion, energy & metals
- Domestic brands empanelled for good delivery

Other Initiatives

- Continued platform & technology modernisation
- Electricity derivatives — first in India
- Deeper institutional & global market linkages

DISCLAIMER

Certain statements in this presentation contain forward-looking information about Multi Commodity Exchange of India Limited and its subsidiary companies, including their business operations, strategy and expected financial performance and condition. Forward-looking statements are predictive in nature, depend upon or refer to future events or conditions, or concern future financial performance, possible future plans and actions of the Company, and are based on current expectations and understanding of future events.

They are inherently subject to risks, uncertainties and assumptions about the Company, economic factors and the industry in general. Actual performance and events could materially differ from those expressed or implied due to, among other factors, general economic, political and market conditions in India and internationally, competition, technological change, and changes in government regulations.

The material in this presentation is general background information about the Company's activities, current at the date of the presentation. It is given in summary form, does not purport to be complete, is subject to change without notice, and its accuracy is not guaranteed. This presentation is strictly confidential.
