The company has received above referred e-mail dated September 23, 2026 seeking clarification regarding the significant movement in the price of the Company's securities on the Stock Exchange in the recent past.

In compliance with regulation 30 of the Securities and Exchange Board of India (Listing Obligations Disclosure Requirements) Regulations, 2015, the Company has intimated all the events and information as may be applicable within prescribed time line to the exchange(s) including all price sensitive information.

Further, the Company confirms that there is no information or event, including any impending announcement, which has not been disclosed to the Stock Exchange and which in the Company's knowledge, may have a bearing on the price or volume movement of the Company's securities. The Company further confirms that there has been no instances of non-reporting or delay in reporting any price sensitive information which is required to be intimated to the Stock Exchange as per Regulation 30.

Hence, the movement in the Company's share price is entirely due to market circumstances, which appear to be driven by the market and over which the Company neither has any control nor is aware of the underlying causes.
