Sub: Clarification on Resubmission of Revised Consolidated Financial Results in XBRL Format and Standalone Submission:

Dear Sir/Madam,

With reference to the observations received from your National Stock Exchange of India Limited vide email dated 25th June, 2026 regarding the Standalone and Consolidated Financial Results as on 31.03.2026, we wish to submit the following clarifications:

a. Standalone - Reserves excluding Revaluation Reserve not mentioned in XBRL

Clarification: Please note that the reserves reported by the Company do not include any revaluation reserve. Accordingly, the amount disclosed under "Reserves" is already stated excluding the revaluation reserve.

b. Mismatch in P&L Figures mentioned in Consolidated XBRL and PDF_Total income

Clarification: As regards the XBRL taxonomy, to align the XBRL submission with the PDF version of the financial results, the Company has mapped the Non-Controlling Interest amount under Line Item No. 15 - Share of Profit/(Loss) of Associates and Joint Ventures, along with the existing figures, solely to ensure consistency in the reported Profit/(Loss) figures and the same is mentioned in the Notes of the XBRL.

Please note that the total Profit/(Loss) reported in the revised XBRL is fully aligned with the PDF version of the financial results submitted to the Stock Exchanges. The apparent mismatch arises because the amount relating to the Share of Profit/(Loss) of Joint Ventures is mapped before the line item "Profit Before Tax". Accordingly, while there may be differences at certain intermediate line items, the final Profit/(Loss) figures of the Company are correctly reported and are consistent with the PDF version of the financial results.

We trust the above clarifications are satisfactory and request you to kindly take the same on record.

Thanking you,

For Ajmera Realty & Infra India Limited

Nitin Bavisi
Chief Financial Officer
