Respondents

CORAM: HON'BLE MR. JUSTICE RONGON MUKHOPADHYAY

For the Petitioner : Mr. Mohit Prakash, Adv.

For the State : S.C.-IV

04/05.10.2026 Heard Mr. Mohit Prakash, learned counsel for the
petitioner and learned S.C.-IV.

In this writ application, the petitioner has prayed for
a direction upon the respondents to unseal and unlock the
premises of Aman Nursing Home, Birda, Karra, Khunti owned
by the petitioner having a valid Registration Certificate granted
by the District Registration Authority, Khunti as a clinical
establishment under Section 15 of the Clinical Establishment
(Registration Regulation) Act.

It appears that an FIR was instituted against the
petitioner in which on a surprise inspection in Aman Nursing
Home, it came to light that the petitioner, who is the owner of
the said Nursing Home, was himself practicing allopathic
medicine without there being any documents in support
thereof. Based on the said allegations, Karra P.S. Case No.
93/2025 was instituted.

Submission has been advanced by learned counsel
for the petitioner that without any notice, the establishment of
the petitioner has been sealed for which he has approached this
Court for redressal of his grievance.

A counter affidavit has been filed by the State and

from paragraph 9 of the said affidavit it transpires that the Police had not sealed the premises of Aman Nursing Home. If the premises has not been sealed by the Police pursuant to the illegal activities which were being carried out by the petitioner in the said premises, the prayer made in this writ application itself has become redundant.

In view of the counter affidavit filed by the State, this writ application accordingly stands disposed of as no cause of action arises for initiating this writ application.
