PRESS RELEASE

Business Update, 2 new CNC Machines added in CNC Machining Subsidiary Sunita Leoquip Business to meet growing demand, acquired a Capital Goods mfg Company Complimenting the Legacy Business.

Mumbai, August 28, 2026, Sunita Tools Limited is pleased to announce a strong business performance for the 4 months ended 31st July 2026 (FY 2026-27). Consolidated Net Sales Value rose to 31.95 crore. This includes legacy and all subsidiary businesses.

The growth was driven by expansions undertaken in the Legacy Business over the past year, which have begun to yield results, supported by a significant improvement in product mix. Now that we have consistent demand and good order book in the Subsidiary company too, we have further expanded and added 2 machines to the CNC machining Subsidiary Sunita Leoquip Aerospace Private Limited.

The Company views this growth as validation of its strategic investments and remains focused on sustaining momentum through continued operational strengthening in the months ahead. These new machines will aid in the same.

The state-of-the-art modern Turning machines made by **YANTARANG** CNC Machines India, one of the best machines of its kind, very high precision and versatile machines which can be used in varied kinds of work right from precision Engineering to Ultra precision Aerospace machining.

*Acquired 90% stake in a Capital Goods manufacturing co which compliments the Legacy business.

This Company manufactures machinery and capital goods which compliments the legacy business as a forward integration for the same.

*Consolidated order book stands at Rs. 576 crores, Defence Rs. 552 crore, Legacy Rs. 14 crore, others Rs. 10 crore- as of 31st July 2026

About Sunita Tools

Sunita Tools Limited boasts over 40 years of experience in the Engineering and Mould Base Industry, offering unparalleled customized solutions to various sectors with a forward-thinking approach to meeting future demands today. Our core expertise lies in the manufacture of Ground Plates, Mould Bases, and Precision CNC Machining.

The products of the Company serve as essential components for the Manufacturing industries, spanning Automotive, Pharmaceutical, Electronics, Consumer Goods, Aerospace, Defence and numerous other sectors. These industrial capital goods undergo rigorous quality testing to ensure they meet industry standards before reaching our clients, Aerospace parts, Empty Artillery shells various caliber, Grease Cartridges etc.

The Company's strength lies in our ability to deliver customized, high-quality products, offer expert guidance throughout the design and manufacturing process, and provide comprehensive after-sales technical support. This commitment to compatibility and customer satisfaction sets us apart, making our products and services a flexible and dependable choice. The Company is dedicated to promptly addressing any concerns raised by our business associates through direct engagement with senior management.

Management Comment:

Commenting on this development, Mr. Sanjay Pandey, Chairman & Whole Time Director of Sunita Tools Limited said:

"These results reflect the strength of our strategic vision. The investments made in expanding our Legacy Business are now delivering tangible outcomes, and an improved product mix has further strengthened our performance. The subsidiary companies too are growing as per vision and we are proud of them. We remain committed to sustaining this momentum — 2 new CNC machines have been added to meet the growing demand, and a Capital Goods manufacturing company complementing the Legacy business has been acquired at a 90% stake, which will be a good boost to the Group's product mix."
