Batliboi Limited Announces its 2QFY27 & 1HFY27 Results

One of India's Leading Engineering Pioneers Continues to Forge Ahead

Mumbai, 5th November 2026: Batliboi Limited is a diversified business house with a strong presence in Machine Tools, Air Engineering, Textile Machinery, and Environmental Engineering in India and a global presence in Machine Tools through its subsidiary QuickMill, Canada. The Company is committed to driving growth through strategic acquisitions and organic expansion while maintaining operational excellence and creating long term stakeholder value. The Company today announced its financial results for second quarter and half year of FY27, marking a significant milestone in its journey towards integrated engineering solutions across diverse sectors.

Batliboi Ltd acquired Penta Automation Systems Pvt Ltd, a profitable provider of customized industrial automation solutions and robotics-integration services for manufacturing industries. As part of the transaction, Batliboi also indirectly acquired Pats Robotics Private Limited ("PAtS"), a group company of Penta engaged in the same line of business; their results are consolidated with Batliboi results.

OPERATIONAL HIGHLIGHTS

- Our Q2 performance was affected by the floods in Surat, which impacted adversely our manufacturing facilities for the better part of July. However, our subsidiaries QuickMill and Penta Automation contributed significantly to our performance.
- In 1HFY27 revenue grew by 43% on YoY basis and also saw an order inflow of Rs 469cr and outstanding Orderbook as at end Sep,2026 stands at Rs 646cr compared to Rs. 593cr as at end March, 2026

MANAGEMENT COMMENTARY

Mr. Sanjiv Joshi, Managing Director, Batliboi Limited:

- *"**Batliboi has begun FY27 on a positive footing. In 1HFY27 we continue to deliver strong financials on consolidated basis with our Revenue from operations growing by 43% YOY basis (i.e from Rs. 190cr to Rs.273cr this year). Our EBITDA increased to Rs 17Cr from Rs 11Cr in same period last year. The PAT doubled to Rs7cr.***
- *In July, 2026, Batliboi Ltd acquired 100% of the paid-up equity share capital of Penta Automation Systems Private Limited ("Penta") from its existing shareholders by way of a secondary acquisition of shares through a mix of upfront acquisition of 80% and balance acquisition of 20% over the next 5 years. It is a profitable company specializing in customizing industrial automation solutions mainly to industries like automotive, bearings, electricals and medical equipment.*
- ***In 1HFY27 we saw order inflow worth Rs 469cr; our outstanding Orderbook as at Sept,2026 stands at Rs 646cr***
- *A significant achievement by our Environmental Engineering Division (EEG Division) securing a major contract from SAEL Industries Ltd. for Design, Supply, Installation and Commissioning of a pollution system for its upcoming Solar Cell Manufacturing facility located at Jewar, Uttar Pradesh valued at **₹52 crores**, which represents an additional major milestone of Batliboi's foray into the Solar Energy Sector.*
- *Looking ahead to FY27, we reiterate our guidance of **~10% sustainable** topline growth with stable margins. This outlook for the consolidated business is underpinned by favorable sectoral tailwinds including the Textile and Solar Energy sectors, a growing pipeline of international opportunities, and strategic partnerships that are deepening our portfolio and driving operational synergies.*
- *Not with standing any further adverse impact, if any, on the global and Indian economy in the event of a prolonged global conflicts, we expect to meet our FY27 guidance"*
