Gopal Snacks Strengthens Backward Integration with New Besan Manufacturing Unit at Nagpur

Rajkot, 10th September 2026: Gopal Snacks Limited, ("Gopal Snacks Ltd" or the "Company") (BSE: 544140; NSE: GOPAL) a leading FMCG company in India renowned for its high-quality snack products, has commissioned a new Besan manufacturing unit at its existing Nagpur manufacturing facility in Maharashtra. The unit has an installed capacity of 19,642 MT per annum and is aimed at further strengthening the Company's backward-integrated manufacturing operations.

With this addition, the Company will reduce the transportation of Besan from its Rajkot manufacturing locations to Nagpur. This will lower transportation costs, simplify material movement and further integrate the Nagpur operations with Gopal Snacks' in-house manufacturing model.

As the capex is largely one-time in nature, the unit is expected to deliver recurring cost benefits over the coming years, improving the overall efficiency of the Nagpur operations.

Over the years, Nagpur has developed into an critical manufacturing unit for Growth outside Gujarat. The facility manufactures multiple product categories, including Gathiya, Namkeen, Snack Pellets, Wafers, Extruded Snacks and Papad. The addition of Besan manufacturing further strengthens the facility by bringing the production of a key input closer to its manufacturing operations.

Commenting on the performance Mr. Bipinbhai Hadvani, Chairman and MD said,

"The Nagpur Besan unit reflects our strategy of investing in areas that deliver lasting operating benefits. By bringing production closer to consumption, we are reducing transportation costs and creating recurring savings from a one-time investment. These efficiencies will support our growth plans, strengthen our competitiveness in an Inflationary challenging environment."

The record monthly sales performance reflects the Company's continued progress in restoring operations and strengthening its presence across key markets. With the Rajkot Main Plant operational, the Company is focused on building on this momentum, enhancing market penetration across existing geographies and increasing its share in the packaged snacks market through improved product availability and distribution reach."
