		frameworks into measurable commercial returns. At LatentView Analytics, his long-standing tenure of more than 15 years reflects an expansive career trajectory across multiple delivery and commercial leadership tiers. Boobesh has held the position of Vice President and Business Unit Leader for the Technology, Media, and Telecommunications practice with full P&L responsibility across North America, Europe, LATAM, and India. In his previous roles, he has built and scaled global, customer-facing data engineering, analytics, and data science teams, driving strategic impact for B2B and B2C technology clients across sales, marketing, go-to-market strategy, and product development. Boobesh also spearheads LatentView's AI capability development and Agentic AI upskilling while managing strategic partnerships with Anthropic and OpenAI to deliver differentiated, reusable client solutions. Additionally, he serves as an Advisory Council Member for Big Data at California State University, East Bay.
