#Brief description of Object(s):

S.no	Name of the object(s)	Brief description of the object(s)
1	For funding the working capital requirements of the Company.	Company proposes utilizing Rs. 15.00 Crore from Net Proceeds towards the working capital requirements of the Company over Fiscals 2026. The balance of working capital requirement shall be met through internal accruals and borrowings. The company expects Trade Payable Days to reduce from 101 as of Dec 31, 2024, to 76 in FY26, supported by improved liquidity from proposed working capital funding, adoption of early payment discounts, and a shift toward shorter credit terms with suppliers—aimed at enhancing supply chain reliability and overall working capital efficiency. Similarly, Trade Receivable Days are projected to decline from 142 to 95 over the same period, driven by stricter credit controls, improved collections, focus on customers with stronger credit profiles, and a higher proportion of advance or cash-based sales, collectively indicating a planned improvement in liquidity management and operational efficiency.
2	Repayment of Loan.	The Company has availed a loan from M/s Laxmimanak Finance Pvt. Ltd. and the aggregate amount outstanding on this loan as on December 31, 2024, is Rs. 2.75 crore. Company will utilize the aggregate amount of Rs. 2.75 crore from Net Proceeds towards repayment of this loan.
3	General Corporate Purpose	Company intends to deploy the balance Net Proceeds towards general corporate purposes, subject to such utilization not exceeding 25% of the Issue Proceeds, in compliance with applicable laws, to drive the business growth, including, amongst other things, (a) funding growth opportunities, including strategic

		initiatives; (b) meeting any expenses incurred in the ordinary course of business by our Company including salaries and wages, rent, administration expenses, insurance related expenses, vendor payments and payment of taxes and duties; (c) meeting our working capital requirements including payment of interest on borrowings; (d) meeting of exigencies which our Company may face in course of any business, (e) brand building and other marketing expenses; (f) repayment of current liabilities and (g) any other purpose as permitted by applicable laws and as approved by our Board or a duly appointed committee thereof. Company management, in response to the competitive and dynamic nature of the industry, will have the discretion to revise its business plan from time to time and consequently our funding requirement and deployment of funds may change. This may also include rescheduling the proposed utilization of Net Proceeds. Company management, in accordance with the policies of our Board, will have flexibility in utilizing the proceeds earmarked for general corporate purposes. If company is unable to utilize the entire amount that we have currently estimated for use out of Net Proceeds in a Fiscal, Company will utilize such unutilized amount in the subsequent Fiscals.
