A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

MSKA & ASSOCIATES LLP Chartered Accountants

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 6, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 and other recognised accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We did not review the interim financial results of four subsidiaries included in the Statement, whose interim financial results reflects total revenues of Rs. 220.50 crores, total net profit after tax of Rs. 9.19 crores and total comprehensive income of Rs. 8.29 crores, for the quarter ended June 30, 2026, respectively, as considered in the Statement.
