## TVS MOTOR COMPANY UNLEASHES RONIN MONOTONE AND AGONDA VARIANTS IN NEPAL—INTRODUCING A BOLD NEW EXPRESSION OF STYLE, INDIVIDUALITY, AND MODERN CRUISING

- *Introduces TVS Ronin Monotone and TVS Ronin Agonda at NPR 4,29,900 and NPR 4,39,900 (ex-showroom, Nepal) respectively*
- *Expands premium motorcycle lineup for young urban riders in Nepal*

**Kathmandu, Nepal, May 30, 2026** – TVS Motor Company, a leading global manufacturer of two and three-wheelers, today introduced new **TVS Ronin Monotone** and **TVS Ronin Agonda**, further strengthening its premium motorcycle portfolio in Nepal. Unveiled at a musical event at Nova, Kathmandu, the new variants enhance the TVS Ronin lineup with bold styling, a distinctive modern-retro character and strong appeal in **Nepal's fast growing premium motorcycle segment**.

The TVS Ronin Monotone will be available in **Lightning Black** and **Magma Red** and is priced at NPR 4,29,900 (ex-showroom, Nepal), while the TVS Ronin Agonda will be offered in **Pearl White** at a price of NPR 4,39,900 (ex-showroom, Nepal).

**Agonda** Inspired by the sun, sands, and soul of Goa's iconic Agonda Beach, India. It's the first of many custom-inspired TVS Ronin motorcycles, showcasing just how versatile the modern-retro platform can be. A bright white base represents the sands of Agonda Beach, extending across the fuel tank and headlight cover to create a strong, clean road presence. The Agonda Edition stands out with an all-white headlamp cowl wrapped around the iconic all-LED T-face headlamp. The fuel tank features blue and red retro pinstripes, completing a thoughtfully crafted triple-tone combination topped with a custom black TVS stallion emblem. Sharp enough to turn heads in the city.

Complementing the modern-retro styling with advanced engineering, the TVS Ronin is powered by a refined 225.9cc engine that delivers 20.4 PS at 7,750 RPM and 19.93 Nm of torque at 3,750 RPM. Built for versatile riding experiences, the motorcycle features Glide Through Technology (GTT) for smooth low-speed riding, an assist and slipper clutch for effortless gearshifts, and 41mm upside-down front forks for superior handling and riding comfort. TVS Ronin represents the spirit of #Unscripted motorcycling, offering a distinctive blend of style, individuality & modern cruising.

TVS Motor Company continues to strengthen its footprint in Nepal with a growing portfolio across premium motorcycles, scooters and commuter motorcycles. Backed by a strong global presence, customer-focused innovation and a rapidly expanding premium product lineup, TVS Motor Company remains committed to delivering world-class mobility solutions and enhancing rider experiences across markets.
