ORDER

21.10.2026

1. After arguing the matter for some time, learned counsel for the petitioner seeks permission to withdraw the present petition, with liberty to file a fresh petition, as M/s Al-Huda Electrical and Maintenance, whose technical qualification in the NIT in question is under challenge, has not been impleaded as a party respondent. The petitioner has sought quashing of the decision of the respondents declaring the said firm technically qualified, along with all consequential actions, including the opening and consideration of its financial bid and its placement as L-1.
2. The non-impleadment of M/s Al-Huda Electrical and Maintenance, in the facts and circumstances of the case, constitutes a serious flaw in the maintainability of the present petition. When confronted with this aspect, learned counsel for the petitioner seeks withdrawal of the petition, with liberty to file a fresh petition by impleading the necessary party.
3. In view of the submission made by learned counsel for the petitioner, the present petition is **dismissed** as withdrawn, with liberty to file a fresh petition by impleading the necessary party.
