M/s Vivimed Labs Limited

**Report on the Audit of the Standalone Financial Results**

**Qualified Opinion and Conclusion**

We have audited the accompanying "Statement of Audited Standalone Financial Results for the quarter and year ended 31 March 2026 ("Statement") of **M/s Vivimed Labs Limited** ("Company"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and except for the possible effects of the matter described in Basis for Qualified Opinion section below the Statement for the year ended March 31, 2026:

- i. are presented in accordance with the requirements of Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended; and
- ii. gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India of the net loss and other comprehensive income and other financial information of the Company for the year then ended.

**Basis for Qualified Opinion**

1. As disclosed in Note 28 to the statement, the Company has not recognized an interest expense of approximately Rs.625.72 million on an accrual basis, as of March 31, 2026. A significant portion of this unrecorded interest, amounting to Rs.603.22 million, pertains to borrowings from State Bank of India that have been assigned to Rare Asset Reconstruction Company (ARC), as disclosed in Note 16(b)C to the statement. This is not in compliance with Indian accounting standards, which require accrual-based accounting and recognition of borrowing costs when accrued. Consequently, the reported loss and liability is understated by the said amount.
2. We are unable to obtain direct external confirmations in respect of the Company's current and non-current borrowings as referred in note 16a, 16b. Consequently, we are unable to comment on the completeness, accuracy, and existence of these borrowings.
3. The Company's balances pertaining to creditors, debtors, other current assets, other financial liabilities and banks are subjected to external confirmation. We noted that the Company has initiated the process of obtaining confirmations. But the Company has not received responses from various parties and also,

the company is in the process of reconciling the differences identified in the balance confirmations received. Consequently, we are unable to comment on the accuracy, completeness and validity of the reported balances and the appropriateness of the accounting treatment adopted by the company in accordance with the applicable accounting standards.

4. The Company is in the process of obtaining confirmations from its vendors to identify whether they are covered under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act). Pending confirmations from all the vendors, the Company has not yet identified all applicable MSME vendors. Therefore, the disclosures required under the MSMED Act and the Companies Act, 2013, including any interest payable on delayed payments to MSME vendors, have not been made. Hence, we are unable to determine whether any interest is payable or assess its impact, if any, on the financial statements.
5. As disclosed in Note 13 to the statement, the Company has recognised an amount of Rs.372.69 million under "Other Advances" representing advances paid towards acquisition of land in earlier years. Management has furnished the APIIC allotment letters, approvals for an extension of time till 31<sup>st</sup> December, 2025 to ensure that the compliances are in line with the allotment conditions and other related correspondences to substantiate the advances. However, as per the information and explanation furnished to us, the management is in the process of discussions and negotiations with the concerned authorities for obtaining further extension of time to comply the conditions laid down in the initial allotment letter. In the absence of sufficient and appropriate audit evidence regarding the outcome of such discussions and the recoverability of the advance, we are unable to determine whether any adjustment, including impairment or provision, to the carrying amount of the advance or the related disclosures in the financial statements is necessary.
6. The Company has accrued commission expenses amounting to Rs.54.44 million as at March 31, 2026. Although the Company has furnished certain supporting documents and explanations, we could not obtain sufficient and appropriate audit evidence to substantiate that the commission expenses are accrued and incurred. Consequently, we are unable to comment on the existence, completeness and accuracy of the provision recognised as at the reporting date.

## **Going Concern Section**

### **Uncertainty Relating to Going Concern**

We draw attention to the factors including cash losses incurred, defaults in repayment of borrowings, and negative financial ratios reported as at the reporting date and in the earlier financial years, which may indicate potential uncertainties regarding the Company's ability to continue as a going concern. These conditions indicate a concern on company's ability to continue as a going concern.

In evaluating the going concern assumption, management has considered factors such as future business prospects, cost cutting measures, and plans to restructure borrowings to improve liquidity (Refer Notes 2.1(vi)). Based on these actions, management is optimistic that the Company will be able to meet its obligations and continue its operations in the foreseeable future. Our opinion is not modified in respect of this matter.

## **Management's and Board of Directors' Responsibilities for the Statement**

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Statement**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a

going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the statement, including the disclosures, and whether the statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Statement of the Company to express an opinion on the Statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Emphasis of Matter paragraph

1. We draw attention to Note 51 to the statement, which discloses that the Company is under investigation by the Central Bureau of Investigation (CBI) pursuant to a complaint filed by its former lender, State Bank of India (SBI).

In connection with this investigation, we have been requested to verify relevant records and provide explanations regarding the allegations made against the Company concerning certain transactions from earlier financial years. We are currently in the process of obtaining responses and clarifications from management to evaluate these allegations and assess the possible financial impact, if any.

Pending the completion of our evaluation and the ultimate outcome of the aforementioned investigation and legal proceedings, no adjustments have been made to the statement in the current financial year.

Our opinion is not modified in respect of this matter.

2. We draw attention to Note 52 to the statement, which describes a material subsequent event. The Hon'ble National Company Law Tribunal ("NCLT"), vide its order dated 15th April 2026, has admitted a petition filed by an operational creditor and initiated the Corporate Insolvency Resolution Process ("CIRP") against the Company under the Insolvency and Bankruptcy Code, 2016, pursuant to which an Interim Resolution Professional ("IRP") has been appointed. The first meeting of the Committee of Creditors ("CoC") was convened on 13th May 2026. The ultimate outcome of the CIRP proceedings and its impact on the statement is not ascertainable at this stage.

Our opinion is not modified in respect of this matter

## Other Matters

1. As at 31 March 2026, Vivimed Pharma (Mauritius) Limited, a wholly owned subsidiary of Vivimed Labs Limited, had entered into a Share Purchase Agreement for the sale of its shareholding in Uquifa Sciences (Mascarene) Limited. Based on the said agreement the management has assessed that there is no impairment required in respect of the Company's investment in the subsidiary as at 31 March 2026. Hence, our report on the Statement is not modified in respect of this matter.
2. The Statement includes the results for the Quarter ended March 31, 2026 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us.
