Subject: **Proceedings of 61st Annual General Meeting of Kennametal India Limited held on November 13, 2026 [Scrip Code – 505890]**

Ref: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir / Madam,

Pursuant to the provisions of Regulation 30 read with Schedule III Para A of Part A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, please find below the proceedings of the 61st Annual General Meeting ("**AGM**") of the Company held on Friday, November 13, 2026 at 12:00 Noon at Hotel Taj Yeshwantpur, 2275, Tumkur Road, Yeshwantpur Industrial Area, Phase 1, Yeshwantpur, Bengaluru, Karnataka - 560022.

Proceedings of 61st Annual General Meeting (AGM) held on November 13, 2026:

The 61st Annual General Meeting ("**AGM**") of the shareholders of Kennametal India Limited (the "**Company**") was held on Friday, November 13, 2026 at 12:00 Noon at Hotel Taj Yeshwantpur, 2275, Tumkur Road, Yeshwantpur Industrial Area, Phase 1, Yeshwantpur, Bengaluru, Karnataka - 560022

Mr. Amit Laroya, Independent Director & Chairman of the Board chaired the AGM.

The requisite quorum being present, the Chairman called the AGM to order.

- Ms. Anupriya Garg, Company Secretary of the Company gave the safety briefing and general advisory to all the shareholders and attendees who participated in the AGM.

- The Chairman introduced the Directors & Key Managerial Personnels present at the AGM. The respective Chairpersons of the Audit Committee and Stakeholders Relationship Committee were present at the AGM. The representatives of the Company's Statutory Auditors and Secretarial Auditors were also present at the Meeting.

- The Chairman, thereafter, delivered his speech.

- The Chairman thereafter invited Mr. Vijaykrishnan Venkatesan, Managing Director of the Company to present an overview of the performance of the Company for the Financial Year 2025-26 (Enclosed herewith).

- The Chairman resumed the proceedings of the meeting.

- It was informed to the Members that the Statutory Auditors' Report and Secretarial Auditor's Report did not contain any qualifications or adverse remarks and with the consent of the shareholders and the same was taken as read.

- With the consent of the Members present, the Notice convening the AGM for the financial year ended June 30, 2026 was taken as read.

Thereafter, following items were put forth as set out in the Notice as transacted in the AGM:

Ordinary Business:

1. To receive, consider, approve, and adopt the audited financial statements of the Company for the financial year ended June 30, 2026, together with the reports of the Board of Directors and Auditors thereon. **(Ordinary Resolution).**

2. To appoint Ms. Kelly Golden Lynch (DIN: 10270042), Non-Executive, Non-Independent Director, Director, who retires by rotation and being eligible, offers herself for re-appointment. **(Ordinary Resolution).**

3. To confirm the payment of interim dividend of ₹ 40/- per Equity Share (400%) on 2,19,78,240 Equity Shares of ₹ 10/- each already paid for the financial year 2025-26 ended June 30, 2026, and consider the same as final dividend for the financial year 2025-26 ended on June 30, 2026. **(Ordinary Resolution).**

Special Business:

4. Ratification of remuneration payable to M/s. K. S. Kamalakara & Co, Cost Auditors of the Company. **(Ordinary Resolution).**

Mr. Amit Laroya, Chairman, informed the members that the e-voting results will be declared on or before November 17, 2026 on BSE Limited and also be uploaded on the Company's website. The Chairman thanked all the members for their participation and all the stakeholders who were responsible for outstanding performance of the Company. Thereafter, the Chairman announced closure of the 61st AGM.

The Meeting commenced at 12:00 Noon and concluded at 1:18 PM.

Kindly note that voting results will be announced upon the receipt of Scrutinizer's Report and will be submitted as per Regulation 44(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Please take the documents on record and kindly treat this as compliance with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Kindly take the same on record.

Thank You.

Wear Solutions

Kennametal’s high-performance compacts that keep drilling productivity on track

The WIN

Localization of select grades of compacts at Bengaluru, India plant has yielded a portfolio growth of 139% while advancing Kennametal India capabilities to deliver customer value.

Applications

For every bit type

- Down-the-Hole
- Percussive Hammer
- Rotary
- Foundation Directional Bits

Drilling Applications

- Blasthole/Production
- Waterwell
- Geothermal Well
- Horizontal Directional

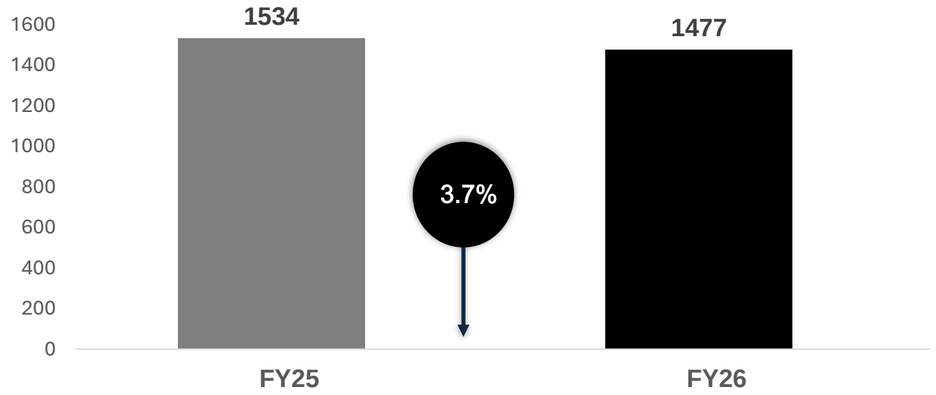

Other earth cutting applications

- Raise Boring

Machining Solutions Group

Growth capped by capacity constraint, expansion plans in place to deliver volumes

Revenue in ₹ Million

Operational Excellence

Focus on improvement projects to improve supply chain efficiency and customer delivery

Capacity Expansion

Announcement of investment in a green field facility, internal expansion of fixture assembly area, enhanced spindle assembly room and stores

Portfolio Optimization

New Production Development roadmap in line with product market strategy

People Engagement

Competency mapping and role alignment to meet next phase of growth

Digital Demand Generation

17000+ LinkedIn followers and growth in web traffic leading to a robust opportunity pipeline

Safety First

Achieving Industry Accolades in Safety

Gold at the CII National Excellence EHS Awards

Some standout initiatives by our team that were highlighted include:

- Consistent training and awareness creation across the organization
- Leadership in circular manufacturing through an innovative recycling program that transforms grinding sludge into valuable raw material
- Noise-abatement initiative that improves workplace conditions through targeted pollution prevention measures.
- Commendable efforts in reducing Scope 1 and 2 greenhouse gas emissions, and energy & water consumption.

Energy, Water and Waste

Continuous improvement projects to sustain strong performance

Renewable Energy

77.1%

of energy sourced through solar

The energy intensity per rupee turnover has improved from 6.37 GJ/million-INR in 2024-25 to **5.02 GJ/million-INR**, reflecting KIL's focus to drive energy efficiency in its processes.

Water Consumption

7.68%

Reduction in freshwater consumption over FY25

The water intensity per rupee turnover has improved from 4.35 KL/million-INR in 2024-25 to **3.11 KL/million-INR**, through continuous improvement and real time IoT based tracking

Waste Management

100%

waste recycling and zero waste to landfill

Through recycle, re-use and other recovery options, entire waste generated at KIL is disposed of sustainably

Carbide Recycling

60%

tungsten recovery from carbide grinding sludge

Carbide buyback program generating significant amount of carbide scrap for recycling and reuse in new products
