2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the LODR Regulations. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Sr. No.	Name of the entities	Relationship

Deloitte
Haskins & Sells LLP

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. The consolidated unaudited financial results includes the Parent's share of profit after tax of Rs. 1.1 million and Rs. 1.9 million for the quarter and six months ended September 30, 2026, respectively and total comprehensive income of Rs. 1.1 million and Rs. 1.9 million for the quarter and six months ended September 30, 2026, respectively as considered in the Statement, in respect of two associates, based on their interim financial results which have not been reviewed. According to the information and explanations given to us by the Management, these interim financial results are not material to the Parent.

Our conclusion on the Statement is not modified in respect of the above matter.

Statement of Unaudited Consolidated Financial Results for the Quarter and Six Months ended September 30, 2026

Notes :

1 The unaudited consolidated financial results have been reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meeting held on November 03, 2026. The above unaudited consolidated financial results for the quarter and six months ended September 30, 2026 have been reviewed by the Statutory Auditors of the Company, who have issued an unmodified review conclusion on the unaudited consolidated financial results for the quarter and six months ended September 30, 2026.

2 The above unaudited consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards ("Ind AS") (IND AS 34 - Interim Financial Results) prescribed under section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder and in terms of Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended.

3 The Company manufactures bearings and other related components and is of the view that it is a single business segment in accordance with Ind AS 108 - Operating Segments notified pursuant to Companies (Accounting Standards) Rules, 2015.

4 **Exceptional items:**

i. On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and disclosed the incremental impact of these changes on the basis of legal advise obtained and the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact as “Statutory impact of new Labour Codes” under “Exceptional items”of INR 24 Million in the financial results for the year ended March 31, 2026, primarily arises due to change in wage definition.

The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed, if any on the measurement of liability pertaining to employee benefits.

ii. During the year ended March 31, 2026, the Company entered into a Bilateral Advance Pricing Agreement (“BAPA”) with the Central Board of Direct Taxes (“CBDT”) on March 18, 2026, covering financial years FY 2012–13 to FY 2020–21 for certain transactions with its Ultimate Parent Company. Pursuant to the BAPA, tax relating to prior years for the year ended March 31, 2026 includes, an incremental tax expense of INR 614.8 million (including interest of INR 72.8 million which is disclosed as an exceptional item for the year ended March 31, 2026). Pending completion of assessment proceedings, the total primary adjustment arising from the BAPA including advance tax, tax paid under protest, and provisions for these years continues to be carried in the Company’s books. The tax impact of secondary adjustments, for which no provision or advance tax had previously been recorded, has been allocated between the Company and the Resulting Company in accordance with the Scheme of Demerger approved by Honourable National Company Law Tribunal (NCLT). The tax charge relating to such secondary adjustments, included in the incremental tax expense above, amounts to INR 88.8 Million for the year ended March 31, 2026. During the previous quarter, the Company has filed the Modified Tax Returns for the financial years FY 2012–13 to FY 2020–21 under section 92CD of Income-tax Act, 1961 pursuant to BAPA and discharged its tax liabilities.

iii. The Company accounted certain demerger expenses for IT Cost, professional services and estimated transfer premium payable to statutory authorities to effect transfer of land under the Scheme, aggregating to INR 334.4 Million for the year ended March 31, 2026 and for the quarter and six months ended September 30, 2026 aggregating to INR 257.4 Million (from continuing and discontinued operations amounting to INR 97.2 Million and INR 160.2 Million respectively), which were included under "Exceptional items".

5 Pursuant to the scheme of demerger, on October 1, 2025, SKF (UK) Ltd and SKF Forvaltning transferred their holdings of 3,129,581 equity shares (representing 6.33% of the paid-up equity share capital) and 196,423 equity shares (representing 0.40% of the paid-up equity share capital) respectively in SKF India Limited to AB SKF. Consequent to the aforesaid transfer, AB SKF’s aggregate shareholding in SKF India Limited increased to 25,992,059 equity shares, constituting 52.58% of the paid-up equity share capital.

On December 22, 2025, AB SKF transferred its entire holding of 25,992,059 equity shares (representing 52.58% of the paid-up equity share capital) in SKF India Limited to SKF Interim AB.

As of March 9, 2026, SKF Interim AB, which has since been renamed SKF Vertevo AB, holds 25,992,059 equity shares (representing 52.58% of the paid-up equity share capital) in SKF India Limited.

6 The unaudited consolidated financial results includes unaudited financial results of two associates of the Company and unaudited financial results of a wholly owned subsidiary for the quarter ended September 30, 2025 and for the period from April 01, 2025 to September 30, 2025 (as included in the financial information for the year ended March 31, 2026).

Statement of Unaudited Consolidated Financial Results for the Quarter and Six Months ended September 30, 2026

7 The Company had received the NCLT Order dated September 26, 2025, approving the Scheme of Arrangement between SKF India Limited ("Demerged Company") and SKF India (Industrial) Limited ("Resulting Company"), effective October 1, 2025. Post-scheme, the Resulting Company ceased to be a subsidiary.
The Industrial Undertaking was demerged on a going concern basis, and on October 2, 2025, the Resulting Company allotted shares to the Demerged Company's shareholders in a 1:1 ratio. These shares of Resulting Company were listed on BSE and NSE on December 5, 2025.
The Management has accounted for the demerger in accordance with the accounting treatment specified in the sanctioned Scheme as a common control transaction wherein assets, liabilities and retained earnings have been transferred to Resulting Company at their respective book values. Further, as a result of Scheme became effective, the unaudited consolidated financial results as presented for the quarter ended September 30, 2025 are not comparable with those presented for the current quarter.

8 On account of the demerger, the Company is in the process of transferring certain land parcels from SKF India Limited ("Demerged Company") to SKF India (Industrial) Limited ("Resulting Company"). In this regard, the Resulting Company has recognized stamp duty costs, including the estimated transfer premium payable to statutory authorities for effecting the transfer and registration of the land acquired under the Scheme, amounting to INR 1,639.2 million. Although the primary responsibility for the payment of the transfer premium rests with the Demerged Company, the Boards of Directors of both entities have mutually agreed that the Resulting Company will bear the entire cost associated with the transfer.

INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF
SKF INDIA LIMITED

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **SKF INDIA LIMITED** ("the Company"), for the quarter and six months ended September 30, 2026 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the LODR Regulations").

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the LODR Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Statement of Unaudited Standalone Financial Results for the quarter and six months ended September 30, 2026

Notes :

1 The unaudited standalone financial results have been reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meeting held on November 03, 2026. The above unaudited standalone financial results for the quarter and six months ended September 30, 2026 have been reviewed by the statutory auditors of the Company who have issued an unmodified review conclusion on the unaudited standalone financial results for the quarter and six months ended September 30, 2026.

2 The above unaudited standalone financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards ("Ind AS") (IND AS 34 - Interim Financial Results) prescribed under section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder and in terms of Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended.

3 The Company manufactures bearings and other related components and is of the view that it is a single business segment in accordance with Ind AS 108 - Operating Segments notified pursuant to Companies (Accounting Standards) Rules, 2015.

4 **Exceptional items:**

i. On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws into a unified framework governing employee benefits during employment and post-employment. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and disclosed the incremental financial impact of these changes on the basis of legal advise obtained and the best information currently available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented this incremental financial impact as “Statutory impact of new Labour Codes” under “Exceptional item” of INR 24 Million in the standalone financial results for the year ended March 31, 2026, primarily arises due to change in wage definition.

The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed, if any on the measurement of liability pertaining to employee benefits.

ii. During the year ended March 31, 2026, the Company entered into a Bilateral Advance Pricing Agreement (“BAPA”) with the Central Board of Direct Taxes (“CBDT”) on March 18, 2026, covering financial years FY 2012–13 to FY 2020–21 for certain transactions with its Ultimate Parent Company. Pursuant to the BAPA, tax relating to prior years for the year ended March 31, 2026 includes, an incremental tax expense of INR 614.8 million (including interest of INR 72.8 million which is disclosed as an exceptional item for the year ended March 31, 2026). Pending completion of assessment proceedings, the total primary adjustment arising from the BAPA including advance tax, tax paid under protest, and provisions for these years continues to be carried in the Company’s books. The tax impact of secondary adjustments, for which no provision or advance tax had previously been recorded, has been allocated between the Company and the Resulting Company in accordance with the Scheme of Demerger approved by Honourable National Company Law Tribunal (NCLT). The tax charge relating to such secondary adjustments, included in the incremental tax expense above, amounts to INR 88.8 Million for the year ended March 31, 2026. During the previous quarter, the Company has filed the Modified Tax Returns for the financial years FY 2012–13 to FY 2020–21 under section 92CD of Income-tax Act, 1961 pursuant to BAPA and discharged its tax liabilities.

iii. 5 Pursuant to the scheme of demerger, on October 1, 2025, SKF (UK) Ltd and SKF Forvaltning transferred their holdings of 3,129,581 equity shares (representing 6.33% of the paid-up equity share capital) and 196,423 equity shares (representing 0.40% of the paid-up equity share capital) respectively in SKF India Limited to AB SKF. Consequent to the aforesaid transfer, AB SKF’s aggregate shareholding in SKF India Limited increased to 25,992,059 equity shares, constituting 52.58% of the paid-up equity share capital.
