Investor Update: Social Media Misinformation

It has come to our attention that certain claims relating to the Company are being circulated on social media platforms, including Telegram channels disseminating false and misleading information. One such claim refers to alleged 802% Sales Growth. The Company has not made any such disclosure through official channels.

We wish to reiterate that the Company adheres to the applicable Code of Conduct and remains committed to providing timely, accurate, and relevant information to investors on a need-to-know basis through disclosures to the Stock Exchange.

Further, we confirm that the Company has made all necessary disclosures in accordance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including all events and information having a bearing on the operations and performance of the Company, as well as all price-sensitive information. All required announcements and disclosures have been duly submitted to the Stock Exchange within the prescribed timelines, in compliance with applicable regulatory requirements.

Additionally, we confirm that the Company, its Promoters, Promoter Group, and Directors are not involved in the creation, circulation, or dissemination of any videos, messages, or other communications containing stock tips or recommendations related to the Company's shares.

Investors are requested to take note of the above for their information and record.
