Dear Sir/Madam,

Sub: Inauguration of CPVC Resin Plant at Vilayat, Gujarat in collaboration with Lubrizol Advanced Materials India Private Limited
Ref: Regulations 30 and other applicable provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”)

This is in continuation to the corporate announcement dated 30th October 2020 and 19th June 2023 wherein the Company had informed regarding execution of Agreements with Lubrizol Manufacturing India Private Ltd for production of Chlorinated Polyvinyl Chloride (CPVC) resin in India and construction of the first phase of the world's largest single-site state-of-the-art 100,000 metric tonne CPVC resin facility in Vilayat, Gujarat, respectively.

With regard to the above, this is to inform that Phase 1 of the CPVC Resin manufacturing Plant with planned capacity of approximately 50,000 metric tonnes per annum has been inaugurated today. We will inform about the commencement of the commercial production at this Plant, in due course.

The above is for your information and records.

Thanking you,

Yours sincerely,

For Grasim Industries Limited
