New Delhi, 14th August 2026: Paramount Communications Limited, a leading manufacturer of wires and cables, today announced its financial results for the quarter ended June 30, 2026.

Commenting on the results, Mr. Sanjay Aggarwal, Chairman & CEO, Paramount Communications Limited, said:

"We have started FY27 on a strong note, with healthy growth across both revenue and profitability compared with the corresponding period last year. The performance reflects sustained demand across our key business segments, coupled with improved operating efficiencies and disciplined executions.

We continue to see encouraging opportunities across the power sector, particularly in transmission and distribution, data centres, renewables and infrastructure, while our specialized cable portfolio and international business provide additional avenues for growth. Our focus remains on strengthening our product capabilities and expanding our presence across both domestic and international markets.

With a healthy business pipeline and supportive underlying demand, we remain confident about maintaining this momentum through the year and creating sustainable, long-term value for our stakeholders."
